ISEKI

Iseki SF Series

Iseki's SF Series of out front mowers are designed to give an excellent cut and finish in heavy conditions, across all manner of terrain. Designed and built in Japan, they combine rugged reliability and efficient, powerful engines that develop peak torque at low revs – giving you power where you need it.

Ideal for golf courses, commercial and municipal applications, SF Series out front mowers are available in two models – the **31hp SF310 diesel**, and the **37hp SF370 turbo-diesel**.

Deck options consist of a **60" or 72" side discharge deck**, or a **72" rear discharge deck**. All three decks feature a parallel floating design, giving an even cut across rough terrain.

SF310 ENGINE

31hp 3 cylinder / 1498cc
Iseki E3CD Diesel

SF370 ENGINE

37hp 3 cylinder / 1498cc
Iseki E3CD-T Turbo Diesel

TRANSMISSION

Dual range hydrostatic, with built in final drive via crown wheels

DECK

152cm (60") or 183cm (72") side discharge deck, or 183cm (72") rear discharge deck.

FEATURES

- Efficient water cooled system with large vents and radiator
- Easily power through wet or long grass with 31hp or 37hp diesel engines
- Twin or four post ROPS
- Straight PTO design for less stress and wear
- Permanent or auto-detect 4WD, with differential lock
- Easy-flip deck for ease of access to mower blades

SCAG – THE PREMIUM ZERO TURN

Scag Tiger Cat II®

Big commercial power in a compact package. Highly maneuverable, the Scag Tiger Cat II® makes quick work of open areas while easily getting through tight spots. Features the Scag Velocity Plus™ deck. **From \$15,585**

ENGINE

A choice of Kawasaki FX or Kohler twin-cylinders

DRIVE SYSTEM

Dual 12cc pumps and Parker™ heavy-duty cast iron motors

DECK

48", 52" and 61"
Scag Velocity Plus™

FEATURES

- Drive system focussed on dependability, with dual 12cc pumps and high-torque, extra-large shaft wheel motors to ensure reliable power
- Tough tubular steel frame
- Fabricated and reinforced Velocity Plus™ deck for exceptional quality-of-cut

Scag Cheetah™

Prioritising operator comfort and ground speed, the Scag Cheetah™ is truly remarkable. Forward speeds reach up to 25.7km/h, slashing mowing time, while its innovative coil-over suspension reduces operator fatigue. **From \$16,345**

ENGINE

A choice of Kawasaki FX, Kohler, or Briggs & Stratton V-Twins

DRIVE SYSTEM

Dual integrated ZT Hydro-Gear transaxles with cooling fans

DECK

48", 52", 61" and 72"
Scag Velocity Plus™

FEATURES

- Double-tube mainframe (61" and 72" models) for ultimate toughness and durability
- Fabricated and reinforced Velocity Plus™ deck for exceptional quality-of-cut
- Dual tanks provide up to 56.78L (15-gallon) fuel capacity

Introducing Scag – Simply The Best

For performance, reliability and durability, you can't go past Scag. Producing heavy-duty commercial mowers in the USA since 1983, their constant product evolution, in-house manufacturing and use of heavy-gauge steel and high-grade components has earned them a worldwide reputation for quality. For heavy-use operations, KC Equipment recommends Scag. Call us to arrange a test drive today.

ROVER MODULAR LINE TRIMMERS

R2700 & RS3000 Modular Line Trimmers

Rover has a range of affordable line trimmers that combine a comfortable, modern design with a fast and secure attachment system. A wide range of attachments are available, ensuring the Rover Line Trimmer is up for any landscaping task.

In addition to the options shown below, a **Lawn Edger**, **Blower** and 12V battery **Cordless Starter** (which avoids pull-cord starts) are also available.

R2700

ENGINE

27cc, 2-stroke full crank

CUTTING SWATH

43cm (17")

FEATURES

- Bump head line release
- Straight two-piece shaft
- Cordless Starter compatible

RS3000

ENGINE

29cc, 4-stroke ½ crank OHV

CUTTING SWATH

43cm (17")

FEATURES

- For heavier duty use
- Straight two-piece shaft
- Cordless Starter compatible

A range of attachments are available to increase the versatility of your Rover Line Trimmer. The **A Pruning Saw** features a 20cm (8") bar length, and an extension boom that reaches up to 11ft. **\$169**. The **B Hedge Trimmer** has dual-action 56cm (22") blades, that articulate from 0–125°. **\$189**. The straight-

shaft **C Brushcutter** features a 20cm (8") reversing blade. **\$139**. The adjustable tilling width of the **D Cultivator** is great

for gardens. It also features strong, heat-treated steel tines. **\$189**. The **E Broom** features a 30cm (12") cleaning width, with stiff nylon bristles that make tidy up quick and easy. **\$219**.
