

ABOUT THE FOUNDER

Penny Chesner-Morris, M.A., CCC-SLP is a New York State licensed speech-language pathologist at Developmental Disabilities Institute (DDI) in Huntington. She services pre-school-aged children in the culturally and linguistically diverse (CLD) classrooms. Her therapy sessions are conducted in both English and basic Spanish. Penny recently visited a speech clinic in Puebla, Mexico where she enhanced her vocabulary and clinical skills. Penny is also a speech-language pathologist for Beacon Therapy Services where she provides intervention for developmentally delayed adults. She received her B.A. and M.A. from SUNY Buffalo.

ESSENTIALSPANISH.COM currently has two products in their product line-up. The first book is the Essential Spanish for the Speech-Language Pathologist Workbook. This 122 page book covers a plethora of important information that all Speech-Language Pathologists must have if they have Spanish speaking caseloads. The first section of the book contains common category nouns with illustrations and bilingual text to help give a quick start on learning English or Spanish through visual identification. The second book is the Essential Spanish for the Speech-Language Pathologist & Audiologist Dictionary a 44 page quick reference book with the most important terms needed for your Spanish speaking caseloads.

Coming in January ESSENTIALSPANISH.COM will be releasing their third publication a bilingual coloring book activity guide which will be aimed at the general public in large rather than targeting Speech-Language professionals. It is shown in today's culture that being bilingual offers many career opportunities that may not be available to people who do not speak a second language. ESSENTIALSPANISH.COM provides the tools for anyone who has the love of learning the chance to get the head start on their journey into becoming bilingual.

SEMINAR INFORMATION

ESSENTIAL SPANISH FOR THE SPEECH-LANGUAGE PATHOLOGIST

Presented By Penny Chesner-Morris

Course Description:

This course is designed to help professionals that work with Spanish-speaking students, clients and parents. The Spanish-speaking population in New York is increasing and the number of bilingual professionals is limited. Although the majority of us do not speak Spanish, it is beneficial to learn basic Spanish related to our profession.

Learner Outcomes:

As a result of this course, the participant will learn in Spanish: common category vocabulary, functional commands, anatomical terminology and oral motor/articulation prompts.

Presenter:

Penny Chesner-Morris, M.A., CCC-SLP is a New York State licensed speech-language pathologist at Developmental Disabilities Institute (DDI) in Huntington. She services pre-school-aged children in the culturally and linguistically diverse (CLD) classrooms. Her therapy sessions are conducted in both English and basic Spanish. Penny recently visited a speech clinic in Puebla, Mexico where she enhanced her vocabulary and clinical skills. Penny is also a speech-language pathologist for Beacon Therapy Services where she provides intervention for developmentally delayed adults. She received her B.A. and M.A. from SUNY Buffalo.

This program is offered for .3 CEUs (Introductory level; Related area). You must be a CEU Provider Site to sponsor this seminar to provide ASHA CEU credits.
