## POWERED BY YOU

*MindTap* is a fully customisable online teaching and assessment tool. It provides course content and study materials that improve engagement and student grades, all designed specifically for your course.

### A COMPLETE TOOLKIT FOR STUDENT SUCCESS

*MindTap* allows students flexibility with their learning by providing them access to all the tools they need to study including:

- course textbooks
- revision aids
- interactive multimedia and quizzes
- self-test activities

### FOR INSTRUCTORS

*MindTap* enables you to easily monitor student progress, increase student understanding, and, with its automatic grading facility, will also free up your time. It can also be integrated into your LMS and is fully customisable, providing the perfect fit for your course requirements, whatever they might be.

# MANAGEMENT AND COST ACCOUNTING

BESTSELLER

Available with MINDTAP | APLIA

## Management and Cost Accounting

10th Edition

Colin Drury, University of Huddersfield

© 2018 | 9781473748873

*Management and Cost Accounting* has been the leading textbook in the field for three decades, and continues to blend theory and practice in language that is clear and accessible. As well as covering everything students need to know for management accounting and cost accounting modules on undergraduate courses, or postgraduate students studying these topics for the first time, this book will also help prepare those taking the professional accounting bodies' management and cost accounting examinations.

## Management and Cost Accounting: Student Manual

10th Edition

Colin Drury, University of Huddersfield

© 2018 | 9781473748880

The Student Manual contains a multitude of questions directly linked to each chapter topic in the tenth edition of *Management and Cost Accounting*. As a companion workbook, it enables students to practise what they have learned from studying the textbook and reinforces their understanding of key management and cost accounting concepts.

NEW EDITION

Available with MINDTAP | APLIA

## Management Accounting for Business

7th Edition

Colin Drury, University of Huddersfield

© 2019 | 9781473749115

The essential textbook for students new to management accounting, the seventh edition has been updated to include topics on sustainable development, environmental management accounting, ethics, information technology and globalization. It also includes a new chapter exploring the future challenges facing management accountants. The practical approach to management accounting within a business context makes it easier for students to develop their decision-making skills. Also available with MindTap, which includes videos and case studies of management accounting in practice.

## Cost and Management Accounting

9th Edition

Colin Drury, University of Huddersfield

© 2018 | 9781473749054

*Cost and Management Accounting* continues to provide an accessible and thorough introduction to the subject. It blends theory and practice in language that is clear and easy to understand and is suitable for those studying an accountancy or business undergraduate course, or a post-experience course.

## ABOUT THE AUTHOR

### Colin Drury

Colin Drury is Emeritus Professor at the University of Huddersfield and a leading textbook author for a generation of accounting students. His books have been widely recommended by the main UK professional accountancy bodies for their examinations. He has been an active researcher and his research has been published in peer-reviewed journals including *Management Accounting Research* and *European Accounting Review*. Colin has been given a Life-time Achievement Award by the British Accounting and Finance Association.

# FINANCIAL REPORTING AND STATEMENT ANALYSIS

Available with MINDTAP

## International Financial Reporting and Analysis

7th Edition

**David Alexander**, University of Birmingham  
**Anne Britton**, Leeds Beckett University  
**Ann Jorissen**, University of Antwerp  
**Martin Hoogendoorn**, Erasmus Universiteit  
**Carien van Mourik**, The Open University

© 2017 | 9781473725454

The seventh edition has been thoroughly updated in line with changes to the International Financial Reporting Standards (IFRS). The first part has also been restructured to better reflect the current theoretical, market, regulatory and societal framework in which the IFRS Standards are being used.

Available with MINDTAP

## Financial Accounting and Reporting: A Global Perspective

5th Edition

**Hervé Stolowy**, HEC Paris  
**Yuan Ding**, China-Europe International Business School

© 2017 | 9781473740204

This widely respected textbook provides an essential introduction to financial accounting and reporting for business and management students around the world. The book has a strong international perspective (being based on IFRS/IAS) and uses a wide range of global real-world company financial statements and examples, to enable students to see how issues appear in practice.

## Global Financial Accounting and Reporting: Principles and Analysis

4th Edition

**Walter Aerts**, University of Antwerp  
**Peter Walton**, Open University

© 2017 | 9781473729520

Providing a complete companion to financial accounting that takes management students with no previous knowledge of accounting from the mechanics of how financial records are structured through to being able to understand and analyse published consolidated financial statements. Global in its approach, this book uses IFRS Standards.

NEW EDITION

## Business Analysis and Valuation IFRS edition

5th Edition

**Krishna G. Palepu**, Harvard University  
**Paul M. Healy**, Harvard University  
**Erik Peek**, Erasmus University

© 2019 | 9781473758421

The latest edition of *Business Analysis and Valuation* features new and revised contemporary cases, which illustrate the use of financial statement data in a range of valuation tasks. Based upon IFRS Standards, this text demonstrates how to get the most information out of financial statements. The focus is not only on building a solid understanding of the latest theoretical approaches but also ensuring students feel confident applying them. Includes end-of-chapter questions, exercises and problems to develop students' comprehension of the content.

# CORPORATE FINANCE

NEW EDITION

## Corporate Finance: Theory and Practice

10th Edition

**Steve Lumby**, University College London  
**Chris Jones**, Sheffield Hallam University

© 2019 | 9781473758384

The new edition of *Corporate Finance: Theory and Practice* provides students with a clear insight into the complex and ever-changing world of corporate finance. With a focus on decision-making in investment, financing, dividends and the management of risk, this text enables students to reflect on how these types of decisions are made. The strong theoretical approach is enhanced with a range of updated, real-world examples, which ensure students understand the current environment of corporate finance.

NEW EDITION

## Finance for Executives: Managing for Value Creation

6th Edition

**Gabriel Hawawini**, INSEAD  
**Claude Viallet**, INSEAD

© 2019 | 9781473749245

Finance for Executives is used on MBA and executive learning programmes worldwide. The text provides a clear and thorough introduction to the areas of financial practice that students are most likely to encounter as executives. Real-world examples from a range of international companies give the text a strong practical focus and put financial management into the context of the modern-day business environment.

NEW EDITION

Available with MINDTAP

## Financial Management: Theory and Practice

2nd Edition

**Eugene Brigham**, University of Florida  
**Michael C. Ehrhardt**, University of Tennessee  
**Roland Fox**, Salford Business School

© 2019 | 9781473760219

The second Europe, Middle East and Africa edition of *Financial Management* combines the authors' expertise in international financial management with their professional experience. Suitable for both undergraduate and postgraduate students, the textbook combines theoretical concepts with practical tools to assist with effective financial decision-making. It focuses on understanding corporate valuation and financial statements, enabling students to prepare for their future careers in the business world.

Available with MINDTAP

## International Financial Management

4th Edition

**Jeff Madura**, Florida Atlantic University  
**Roland Fox**, Salford Business School

© 2017 | 9781473725508

*International Financial Management* is the ideal introduction to the interaction between firms of all sizes and global finance. Real-world examples from across the globe, critical debate questions and project workshop activities help to improve engagement with students.

# FINANCIAL ACCOUNTING

Available with CNOW<sup>v2</sup>

## Financial Accounting: The Impact on Decision Makers

10th Edition

**Gary A. Porter**, Drake University  
**Curtis L. Norton**, Arizona State University

© 2017 | 9781305654174

This textbook is available as a bundle option with CengageNOWv2, which makes it easy to demonstrate that accounting is a powerful tool for business decision-making by going beyond debits and credits and keeping students focused on the big picture. In addition to exposing students to annual reports of highly recognizable companies such as Nike, Porter's exclusive Ratio Decision-Model provides students with a framework for reading and interpreting financial statements to make decisions. The focus on financial statements and decision-making carries through to a suite of case materials that enable students to read and interpret financial statements.

Available with CNOW<sup>v2</sup>

## Financial Accounting

15th Edition

**Carl S. Warren**, University of Georgia  
**James M. Reeve**, University of Tennessee  
**Jonathan Duchac**, Wake Forest University

© 2018 | 9781337272124

This text enables students to gain a solid foundation in financial accounting to ensure they are prepared for future business courses and the real world. A focus on why accounting is important to business and a prosperous society is reinforced throughout with Why It Matters Concept Clip animations in CengageNOWv2 and a new CengageNOWv2 Journal Entry Tool that illustrates the impact of transactions on the accounting equation.

# INTRODUCTORY ACCOUNTING

## Business Accounting and Finance

4th Edition

**Catherine Gowthorpe**, Oxford Brookes University

© 2018 | 9781473749351

*Business Accounting and Finance* provides an excellent introduction to finance, management accounting and financial accounting, whether students are just starting out in the subject or studying a module as part of another degree. The fourth edition includes additional material on financial analysis and exercises in key topic areas such as statements of cash flow.

NEW EDITION

Available with MINDTAP

## MindTap for Introduction to Financial and Management Accounting

1st Edition

**Cengage Learning EMEA**

© 2019 | 9781473764385

This new digital learning solution is designed for students of introductory-level courses in accounting. Combining straightforward content with case studies and worked examples, students will gain an understanding of financial and management accounting concepts in the context of real-world business practices. Assessment materials are designed to reinforce learning and provide opportunities for revision and practice. A wide range of case studies, based on real companies' financial reports, enable students to understand the application of financial and management accounting concepts.

# ISLAMIC FINANCE

# ACCOUNTING ETHICS

NEW EDITION

## Islamic Banking and Finance: An Introduction

1st Edition

**Roszaini Haniffa**, Heriot-Watt University  
**Mohammad Hudaib**, Adam Smith Business School

© 2019 | 9781473734609

This textbook provides a comprehensive introduction to Islamic banking and finance, an increasingly important area in the field of finance. The authors cover current issues and topics from the Islamic worldview and economics, to Shariah compliance, Islamic contracts and insurance. Each chapter draws comparisons between Islamic and Western models of banking and finance, to ensure students gain a thorough understanding of the differences. Questions at the end of each chapter allow students to put their knowledge into practice.

## Business & Professional Ethics for Directors, Executives & Accountants

8th Edition

**Leonard J. Brooks**, University of Toronto  
**Paul Dunn**, Brock University

© 2018 | 9781305971455

Using real examples of ethical issues in today's workplace, *Business and Professional Ethics* provides readers with the strategies needed to make the most ethical decisions possible - no matter what the situation. By integrating the latest information on ethics, governance scandals, legal liability, and professional accounting and audit issues, this edition highlights the most recent ethical issues in today's business environment.

# AUDITING

## Auditing

11th Edition

**Alan Millichamp**

**John R. Taylor**, Leeds Metropolitan University

© 2018 | 9781473749306

The eleventh edition of *Auditing* provides a simplified and thorough approach for students needing to understand auditing theory and practice. It clearly explains the key features of auditing in short, easily accessible sections to encourage effective learning.

NEW EDITION

## The Audit Process: Principles, Practice and Cases

7th Edition

**Iain Gray**

**Stuart Manson**, University of Essex

**Louise Crawford**, University of Dundee

© 2019 | 9781473760189

An essential introduction to the principles and practice of auditing, this textbook guides students through every step of the audit process. Completely updated in line with the latest standards, regulatory processes and corporate governance, this new edition is ideally suited to auditing modules taught on undergraduate and postgraduate courses in accounting and finance. Case studies in each chapter demonstrate auditing principles in action, giving students plenty of opportunity to apply their knowledge in a real-world context. Past examination questions from global professional accounting bodies, including ACCA, enable students to practice and prepare for examinations.

Available with MINDTAP

## Auditing: A Risk-Based Approach

11th Edition

**Karla M. Johnstone-Zehms**, University of Wisconsin-Madison

**Audrey A. Gramling**, Colorado State University

**Larry E. Rittenberg**, University of Wisconsin-Madison

© 2019 | 9781337619455

This text prepares students for the fast-changing audit environment by developing their professional and ethical decision-making skills. *Auditing* integrates the latest in standards, including new guidance from the PCAOB on audit reports, fraud risks, emerging topics such as data analytics, and ethical challenges facing today's financial statement auditors within a framework of professional scepticism.

# FORENSIC ACCOUNTING

NEW EDITION

Available with MINDTAP

## Fraud Examination

6th Edition

**W. Steve Albrecht**, Brigham Young University

**Chad O. Albrecht**, Huntsman School of Business

**Conan C. Albrecht**, Brigham Young University

**Mark F. Zimbelman**, Brigham Young University

© 2018 | 9781337619677

The new edition is an essential introduction to the dynamic world of fraud investigation with real-world examples from the authors' experience. The areas of ebusiness and cyber fraud have been updated to ensure students learn how to recognize the warning signs of fraud and understand how technology is used in fraud detection and prevention. This edition is also available with MindTap, which hosts homework, quizzes and case activities.

## Information Technology Auditing

4th Edition

**James A. Hall**, Lehigh University

© 2016 | 9781133949886

Introduce your students to state-of-the-art audit issues as you provide valuable insights into auditing in a modern computer-based environment with Hall's acclaimed *Information Technology Auditing*. The book focuses on key information technology aspects of auditing, including coverage of transaction processing, Sarbanes-Oxley implications, audit risk, and the COSO control framework. Students review general and application control issues, the latest in fraud techniques and detection, today's IT outsourcing issues and concerns, and modern enterprise system risks and controls.

# COMPUTERISED ACCOUNTING

## Using Microsoft® Excel® and Access 2016 for Accounting

5th Edition

**Glenn Owen**

© 2017 | 9781337109048

Teach students how businesses use spreadsheets and databases in accounting today with *Using Microsoft® Excel® and Access 2016 for Accounting*. This step-by-step book uses numerous screen images to clearly explain how to use these tools to solve real accounting problems.

NEW EDITION

Available with MINDTAP

## Accounting Information Systems

10th Edition

**James A. Hall**, Lehigh University

© 2019 | 9781337619202

This popular textbook provides a comprehensive introduction to today's accounting information systems and related technologies. It focuses on ethics, fraud and the modern manufacturing environment. In the tenth edition the transaction cycle and business process chapters have been updated to reflect the risks and issues faced by accountants and auditors. Also available with MindTap, which includes animated videos to guide students through some of the more complex charts and topics.

CENGAGE

CNOW<sup>v2</sup>
