

Affiliate Survey 2020

Introduction and Instructions

Welcome to CLINIC and CCUSA's joint survey of affiliate programs that provide immigration legal services. This survey is important because it allows us to highlight the incredible work you do all around the country. It helps CLINIC tell the story of your impact to grantmakers and donors, government officials and the Catholic Church. Doing one survey saves you time and effort and allows both agencies to share information and have a common understanding. The survey will be open from February 6, 2020 through May 1, 2020. If you have any questions, you may contact:

[Ashley Rininger](#), Research Analyst, Catholic Charities USA

[Sharon Burns](#), Administrative Coordinator, Catholic Legal Immigration Network, Inc.

Here is what you need to know:

- There are a maximum number of 31 questions on the survey of 2019 activities.
- If your organization uses a case management system to track service data, this survey should take 30-45 minutes to complete.
- You are able to save your responses and return at another time to complete the survey. To save your responses, please select the "save and continue later" feature. This feature is available starting on the second page. Once selected, you will be prompted to enter your e-mail address and you will receive a link to continue the survey where you left off.

You will need the following information before you begin the survey:

- A list of current staff and their credentials;
- General information about volunteers;
- Fee schedule and application fees;
- The number of applications filed by application type; and
- Specific information about legal applications filed and services provided in calendar year 2019.
