# Read the Wisdom!

Inner Traditions has been publishing books for the spiritual and healing journey since 1975.

With more than 1,800 books in print, Inner Traditions/Bear & Co. is a rich source of wisdom and instruction for the spiritual aspirant and holistic health practitioner.

Our name says it all: "Inner" because our books address the dimension beyond the material plane and "Traditions" because ancient people have done it before (and often better!), although very often much of this wisdom has been lost, corrupted, or destroyed. It is our mission to rediscover, preserve, and protect the inner traditions of the world so that humanity will forever have the tools to create a better future that will celebrate and heal the earth.

*The Gnostic Wisdom of Jesus*

Jean-Yves Leloup / Foreword by Jacob Needleman

## Christian Mythology

*Revelations of Pagan Origins*

With extensive documentation, this book shows which major days of the Christian calendar are founded on pagan traditions, including Easter and Christmas.

Frank Joseph

*"By equal measures, intriguing and terrifying. If just one of these incidents occurred as described in this book, our history books will need to be rewritten."*

—Nick Pope, U.K. Ministry of Defense (retired), investigator of UFO sightings for Secretariat 1991–1994

In this comprehensive military history of armed confrontations between humans and extraterrestrials in the 20th and 21st centuries, Frank Joseph provides verifiable evidence of incidents from both World Wars, the Korean War, Vietnam War, and Gulf War, as well as recent examples such as alien involvement at the Fukushima meltdown.

## Introduction to Magic, Volume II

*The Path of Initiatic Wisdom*

Julius Evola and The UR Group / Translated by Joscelyn Godwin  
Foreword by Hans Thomas Hakl

*"The formulas that Evola transmits, and the complex listing of the causes and effects that accompany them, seem to me so important, not only for spiritual life but for the use of all the faculties, that I know of no human condition that they cannot improve, whether in the case of the man of action, of the writer, or simply the person in the toils of life."*

—Marguerite Yourcenar (1903–1987), author of *Memoirs of Hadrian*

Drawing from mystery traditions throughout history, this book contains authentic initiatic wisdom, magical rituals, and spiritual exercises collected by Julius Evola and the UR Group, including instructions for creating the diaphanous body of the *Opus magicum*, establishing initiatic consciousness after death, and the construction of magical chains.
