INSTRUCTIONS FOR COMPLETING CDTFA-531-A2, SCHEDULE A2 — Long Form COMPUTATION SCHEDULE FOR DISTRICT TAX

Step 1. Enter taxable sales from return.

A1. Enter the Taxable Transactions or Total Purchases from line 12 on [CDTFA-401-A](#), or line 12 on [CDTFA-401-GS](#), or line 1 on [CDTFA-401-E](#) in box A1.

Step 2. Enter all transactions subject to only the state rate of 7.25% (with no additional collection of district tax) on A2/A3.

A2/A3. Enter purchases of items purchased for use in a location where no district tax is in effect. Also, enter sales of items (excluding vehicles, vessels, or aircraft) delivered and used (1) at a location where no district tax is in effect or (2) in a district where you are not “engaged in business” and did not collect the district tax. (See [publication 105](#), *District Taxes and Delivered Sales*, available on the California Department of Tax and Fee Administration (CDTFA) website at www.cdtfa.ca.gov, for a definition of “engaged in business.”)

Step 3. Calculate transactions subject to district tax.

A4. Subtract A2/A3 from A1. Enter the result on A4.

If your line A4 is \$0.00 and you have no adjustments for prior periods, you are finished with your Schedule A2. Enter \$0.00 on line 16 of [CDTFA-401-A](#) or [CDTFA-401-GS](#), or line 5 of [CDTFA-401-E](#). You may want to call our Customer Service Center at 1-800-400-7115 (CRS:711) to see if you qualify for filing the EZ return ([CDTFA-401-EZ](#)). Customer service representatives are available Monday through Friday from 8:00 a.m. to 5:00 p.m. (Pacific time), except state holidays.

Step 4. Report transactions by district.

A5. Using the total from line A4, allocate your transaction totals to the correct districts.

DO NOT report the same transactions in both a city and county district. The tax rate for city districts includes **all** county district tax. Report them for the city only. Please see the *Reporting transactions by location* example on the next page.

Step 5. Enter district adjustments.

Please note that district tax adjustments made on this schedule are only for ones realized in the period covered by this return and schedule. All prior period adjustments must be made on [CDTFA-531-Q](#), *Schedule Q — Tax Recovery*.

A6/A7. If you have adjustments for one or more districts, enter amounts in this column. Entries in this column will increase or decrease the amount of tax distributed to districts for which you have adjustments.

Enter the following adjustments by district. (You do not need an entry in column A5 to enter an adjustment in column A6/A7.)

Note: Please attach an explanation of any adjustments to your Schedule A2.

The following examples are positive (+) adjustments:

- *Items you purchased without paying district tax.* If you paid state and local sales tax on a purchase, but not district tax, and if you made a taxable use of the item in a tax district, add the price of the item for that district.
- *Amounts collected for a discontinued district.* If you collected taxes for a district that has been discontinued and have not paid those taxes to the CDTFA, add the amounts on which you collected those taxes. Do not enter those amounts on line A5. If a discontinued district is not listed, call 1-800-400-7115 (CRS:711) for assistance.

The following examples are negative (-) adjustments:

- Transactions included in line A5 that represent the sale or use of merchandise before the effective date of a district.
- *Fixed-price contracts.* Deduct the sales price or lease payments (excluding amounts collected as tax) for qualifying fixed-price contracts. A fixed-price contract is one entered into before the effective date of the district tax, which: (1) fixes the amount of the sales or lease price; (2) specifically states the amount or rate of tax based on the rate in effect when the contract was executed; and (3) does not give either party the right to terminate the contract upon notice. (See Regulation 1661 for information on leases of mobile transportation equipment.)
- *Merchandise used outside the district.* If you paid district tax on a purchase and first used the item in a different district, you may need to enter adjustments on A6/A7. Call 1-800-400-7115 (CRS:711) for assistance.

A8. Add or subtract each district amount shown in A6/A7 from each district amount on A5. Enter the total for each district amount in column A8.

A9. If you enter adjustments in A6/A7 for a transaction taxed at a rate different from the rate shown on A9, call 1-800-400-7115 (CRS:711) for assistance.

A10. Multiply A8 by A9. Enter the result in column A10. Based on adjustments in A6/A7, A10 may result in a negative number.

Step 6. Enter your total district tax due.

Fixed-price contract example:

To correctly report district tax on your return for fixed-price contracts, you must allocate the total amount of the fixed-price contract along with any other sales for this district in column A5 (a) at the “Current District Tax Rate” and then make a negative adjustment for the fixed-price contract amount in the same row, column A6/A7 (b). A positive adjustment will be required to properly allocate the fixed-price contract amount in column A6/A7 (c) of the district tax that was in effect at the time the contract was entered into.

In the example below, the taxpayer has \$10,000 in taxable sales to report to the City of Antioch. Of this total, \$4,000 is from a fixed-price contract entered into between January 1, 2021, and March 31, 2021.
