**Welcome to Edmonton Catholic Schools
and to the 2019 Guide to Schools!**

In Edmonton Catholic Schools we believe in building Christ-centred communities and providing a faith-based quality education that will inspire our students to learn and that prepares them to live fully and to serve God in one another. Our goal is that our students will be creative, digitally aware, critical-thinking global citizens and it is our belief that education built on faith, inclusion and trust instills the same values in our children.

On behalf of the Board of Trustees I warmly welcome and invite you to explore the many options that we offer to meet the educational, social and spiritual needs of our students.

YOUR INVITATION TO EXPERIENCE A CATHOLIC EDUCATION

*"Act justly, love tenderly,
walk humbly with your God."
~ Micah 6:8 ~*

Our theme for this year, **Walking Together in God's Love**, provides us with a beautiful image of the journey that your children experience daily as they learn and grow in Christ. Our guiding scripture passage this year from Micah tells us what God asks of us: to act justly, to love tenderly, and to walk humbly with Him. In return, we receive the comfort and joy that comes from knowing that He is with us always!

When you choose Catholic education for your children, you are making the conscious decision to have them experience God's love as a part of each and every day of their learning journey; you are choosing to have them enter into a deeper relationship with Jesus. In his apostolic exhortation *Gaudete et Exsultate*, Rejoice and Be Glad, Pope Francis shares signs of holiness in the world today. There we can see the holiness of Catholic education which is lived out in our schools daily: *"A community that cherishes the little details of love, whose members care for one another and create an*

open and evangelizing environment, is a place where the risen Lord is present, sanctifying it in accordance with the Father's plan" (145). This is the heart of our mission - to provide a Catholic education that inspires students to learn and that prepares them to live fully and to serve God in one another.

When we approach education from a Catholic worldview and with a faith infused curriculum, our students become discerning believers, effective communicators, critical thinkers, lifelong learners, collaborative contributors, and responsible citizens. At Edmonton Catholic Schools, we thus strive to prepare our students to contribute to the transformation of society and to achieve success.

For more information on the exceptional opportunities available to your children in Edmonton Catholic Schools, please contact any of the schools directly, phone the District office at 780 441-6000, or visit us online at www.ecsd.net.

You will be asked to provide proof of your child's name, date of birth and citizenship.

Only the following documents verifying birth are accepted:

- Encourage your child to know his/her personal information (i.e. first and last name and phone number).
- Together celebrate the little accomplishments that occur each day.
- Pray together.

What should I tell the teacher about my child?

The Early Learning teacher and the school will want as much information as possible. For example:

- How does your child feel about coming to school?
- Has your child been in preschool or daycare or will this be his/her first experience away from home?
- What are your child's special passions or interests?
- What are your child's special needs? (This includes everything: allergies, fears, unique physical or medical conditions, previous speech and language intervention, emotional or behavioural patterns, or any major change that might be occurring in your child's life).

What will my child learn in Early Learning?

In addition to having conversations with the teacher, Alberta Education is a great resource and publishes, "My Child's Learning "Kindergarten Overview." The resource is available at the Alberta Education website <http://bit.do/religiouskindergarten> or you can ask the school to see a copy during orientation. Genesis also publishes a Parent Handbook for Early Learning families.

We welcome you to review the Early Learning website at www.ecsd.net. This provides parents with additional Early Learning information, including videos that represent Early Learning programming in Edmonton Catholic Schools.

They provide a rich environment for the learning of languages, cultures and subject-area content. Edmonton Catholic Schools' bilingual programs provide the opportunity for students to develop strong language and literacy skills. Students develop an appreciation for other cultures and communities throughout the world.
