JAYPEE'S ONLINE MedQuiz

About MedQuiz

An e-learning platform by Jaypee exclusively for health science students. It is an initiative for aspiring medicos to practice and evaluate their knowledge and skills under the guidance of subject experts. This continuous evaluation program helps novices to transform themselves into expert health science professionals.

There are two types of tests available on the portal, i.e. Grand Quiz and Demo Quiz. Grand Quiz opens occasionally for which cash prizes and certificates will be awarded to the winners whereas Demo quiz will remain open throughout the year for students to practice anytime once they get registered with us.
