American Craft Show in Baltimore Wholesale 2018

Each year, our goal at the Baltimore wholesale show is to offer you a wide range of well-designed, reasonably priced, and high-quality craft.

Here are some measurements we've taken to ensure 2018 is our best show yet:

- New work: We have nearly 100 new exhibiting artists this year!
- While ACC's focus is always on quality, we have worked to identify artists who have a wide range of price points to create a destination show that allows you to address all of your purchasing needs.
- globalDESIGN returns to showcase its exceptional jewelry designers.
- Once you're finished shopping in person, you can continue to search and view exhibiting wholesale artists on our website. Our past show pages remain active year-round, so you can revisit artists and place orders.
- Enjoy free access to all of ACC's craft shows across the country - a great opportunity for you to connect with more artists who sell wholesale.

I welcome you to the wholesale American Craft Show in Baltimore and encourage you to use this catalogue filled with artists of unmatched craftsmanship and technique to help plan your show experience. Enjoy!

Monica Moses
