

InitialLit Readers

developed to support the InitialLit literacy program

What are **InitialLit** Readers?

MultiLit has developed three sets of 60 phonic readers for children who are just learning to read. These delightful decodable books are carefully sequenced to encourage children to use good reading strategies from the start.

Children who love adventure, humour, mischievous animals and learning about the world around them will enjoy our beautifully illustrated stories.

The decodable InitialLit Readers were originally developed to support InitialLit – a whole-class literacy instruction program for Foundation to Year 2 children, but can be used independently or alongside other synthetic phonics programs.

InitialLit Readers Levels 1-9 (Series 1), first released in 2016, are designed for children in the Foundation year of school.

InitialLit-1 Readers Levels 10-16, released in 2017, are for Year 1 students. Different text types, such as information texts, poems and plays, are introduced in Levels 10-16.

A brand-new parallel series for Foundation students, InitialLit Readers Levels 1-9 (Series 2), out in July 2020, can be used for home reading or for additional practice for students who may be progressing through the InitialLit sound sequence more slowly.

The little ducks flap their wings, but they cannot get out.

Enjoy these special features

- Easy-to-follow steps to prepare children for reading.
- Previewed target sounds and words, vocabulary and punctuation.
- Additional opportunities for children to practise sounding out words.
- Comprehension questions to check for understanding and encourage discussion.

Discover our shared readers

- Each level contains a shared reader, in which the teacher and child read alternate pages.
- The teacher pages contain more complex vocabulary and sentence structure, allowing for enhanced storylines.
- Shared readers provide opportunities for the teacher to model fluent and expressive reading to students.

Ready

Say the sounds together:
o c d h

Sound out these words together:
cot rod mop dip had

Preview these words:
a you was the

Text features
Draw the children's attention to exclamation marks. Some children may require help with recognising capital letters.

Set

- Look at the front cover and read the story title together.
- Turn the book over and read the blurb on the cover to the children.
- Briefly discuss what the story may be about.
- Explain the following vocabulary:
pit – a hole
nip – a little bite
nap – a short sleep
pal – friend

During reading
If an error is made on a decodable word, demonstrate how to sound out the word, then sound out the word together with the child. Finally, ask the child to sound out the word independently. For words that cannot be sounded out by the child, simply supply the word and ask the child to repeat it.

Check for comprehension as children read.

Check for understanding

- Why can't Lex take the fish home?
- How do the animals help?
- What does Mum do with the fish?
- What does Nan think of the fish? Why is it the best fish?

Responding
What do you like to share with your family and friends?

Re-read
To improve accuracy, fluency, comprehension and confidence, the children should re-read the story on another occasion.

Skills Sequence

Levels 1-9

InitialLit Readers follow the skill sequence presented in the InitialLit initial literacy instruction program.

InitialLit Readers Levels 1-9 align with the Foundation level of the program (Series 1 was released in 2016 and Series 2 in July 2020). InitialLit Readers Levels 10-16 align with the Year 1 program.

They may also be used for home readers, for additional decoding practice, and alongside other synthetic phonics programs to support the consolidation of skills as students progress.
