Preparation Tips: PAUSE the Masterclass by clicking on the video screen to prepare for meditation.

- Make sure you are in a quiet place where nothing can distract you, and that you are not driving any vehicle.
- Be in a comfortable position so you can fully take part in the guided meditation.
- Stretch your muscles before starting the class.
- Stretching loosens the muscles and tendons allowing you to sit (or lie) more comfortably.
- Additionally, stretching starts the process of “going inward” and brings added focus to the body.
- Take a deep breath. Breathing deeply slows the heart rate and relaxes the muscles to help you have a comfortable experience during the guided meditation.
- You can use candles and other spiritual tools in the room to further help you feel at ease.
