

Introducing your
**Employee
Assistance
Program**

Problems are part of life

We all face problems from time to time.

Usually, we can handle them ourselves without the help of outside resources.

But sometimes it makes more sense to *reach out* for help. That is why your employer provides you and your family

with a *confidential* Employee

Assistance Program, a benefit that provides *resources* and solutions for the problems

you encounter. Just as health insurance is designed to address your physical health,

your EAP *benefit* is designed to assist your emotional and mental well-being. And because

your employer has covered the entire cost of services, there is *no cost* to you.

How does the EAP work?

Getting the help you need is simple. You can call the EAP 24 hours a day, 7 days a week to reach a professional counselor. Call one of our toll free numbers: **1-800-252-4555** or **1-800-225-2527** or log on to the Web at: **www.theEAP.com** to access other benefits.

More benefits for you

Your EAP provides access to more problem solving solutions than any other EAP. And nearly 99% of those who use the EAP are satisfied with the experience.

Counseling Benefits

Many complex issues are best resolved with counseling assistance from a behavioral health professional. You will want to consider calling for help if you encounter problems such as:

- Workplace difficulties

When you call, you connect immediately with a counselor. Each of our experienced counselors has a Masters or Ph.D. level of training. Should you need to be referred to a local counselor for personal visits, we have more than 25,000 providers available to ensure that you will have a counselor near your home or workplace.
