

MIDNIGHT IN
MOROCCO

Jesuit Celebration Auction

2020 Jesuit Celebration Auction

Jill Reagor Smith, Chair

Since 1984, Jesuit's Celebration Auction has raised over \$18 million for the Jesuit Dallas endowment, which provides need-based financial aid for deserving students. During the 2019-20 academic year, the School granted nearly \$2.6 million in financial assistance to 25% of the student body.

Jesuit Dallas thanks everyone who contributed items, services, time, and talent to the 2020 Celebration Auction. To those donors, underwriters, and volunteers whose names were received after the program published, please accept our deepest thanks and appreciation for your support. We regret all omissions that may have occurred due to printing deadlines.

PRESIDENT'S LETTER

As a movie buff, this year's theme of "Midnight in Morocco" instantly conjures up for me visions of *Casablanca*, white dinner jackets, champagne cocktails, and a wonderful piano player, with all the patrons having a good time or as it's said at Rick's Café Americain, "so fun."

For those of you who are familiar with the movie *Casablanca* you know that the movie is all about love of country and love between people, all set in Morocco. Tonight, Jill Reagor Smith and our Celebration Auction committee has worked diligently to recreate the excitement and fun of this exotic locale.

Our purpose tonight is much akin to the movie – love drives our efforts. Only in this case, it is love of Jesuit and love for our students exemplified through a night of your generosity and incredible support.

Ignatius was a man who had the grace of clarity of vision. The vision and faith that Ignatius had to possess to create a system of secondary schools, which now number over 380 worldwide, is astonishing. This same vision is imbued at Jesuit Dallas, as we have been making a positive difference in the lives of students and their families for over 75 years. Our vision of education is typified by striving to make every young man feel special; helping him to recognize his God given talents and gifts as a unique individual and challenging him to find his vision to use these gifts in service to God and his fellow man; to form students who are not just the best in the world, but the best for the world.

We are blessed to be able to welcome a diverse student body, which is made possible, in part, because of the amazing efforts of the Celebration Auction. So tonight, as you enjoy friends both old and new, please keep the vision of what your generosity can continue to accomplish at the forefront.

Here's wishing that tonight will be "so fun" for you and so impactful for the students of Jesuit.

A handwritten signature in black ink that reads "Michael A. Earsing".

Michael A. Earsing
President

PRINCIPAL'S LETTER

Ever since tonight's auction theme was released I've had a Crosby, Stills & Nash song, *Marakesh Express*, stuck in my mind. This lighthearted song camouflages a more serious sense of being unsatisfied with the status quo and a desire to seek out something new and better in unknown territory. Graham Nash wrote the song in 1966 after a train ride from Casablanca to Marakesh and, if you are familiar with it, you know why it's easy to have it stuck in your head. It's up-tempo and fun. If you look deeper though, you know that it is also about wanting more.

This is what a boy's education at Jesuit can be like as well. On the surface, it is fast, energetic, and fun. Watch your sons when they are on our campus and you will witness an energy unrivaled by any other school in town. These boys like being here. They enjoy each others' company. Their energy multiplies when they are together. Jesuit is a fun place to be.

But underneath it all there is the constant reminder that it could be better. It could be more. Saint Ignatius called this the *Magis*, and it is the notion that we should never be satisfied with the status quo - that we should always be seeking some new horizon, some new way to make life better for those around us, some new way of helping one another find God in all things.

It's a beautiful way to see the world. Seeking the *Magis* allows us to see that God is present in all things and that His expression may be manifest in ever more beautiful ways as long as we are willing to work towards those ends together. Tonight's Celebration Auction is the culmination of so many people working together to provide need-based financial assistance for students at Jesuit for years to come. Jesuit's endowment provides this financial aid, and each of you here are supporting all of our students in giving them a place where they can have fun together, share their energy with one another, and nurture a life-long desire to make the situations they encounter throughout their lives better than they found them. Thank you for helping us achieve more year after year. Thank you for your continuing support of our mission.

A handwritten signature in black ink that reads "Thomas E. Garrison".

CHAIR'S LETTER

Welcome to "Midnight in Morocco!"

"It's going to be SO MUCH fun!" has been this year's mantra. Our hope is that you all have an amazing evening through your support to the school that has become our sons' second home.

Our team of dedicated volunteers has worked tirelessly to bring the vision for tonight's event to reality. To all of the volunteers, you have my gratitude and my admiration.

When our son, Spencer, entered Jesuit as a freshman, Brian and I walked in without the benefit of knowing other parents or their sons. Being a part of the Celebration Auction and JWA has been a huge blessing in our lives.

Brian and I will be forever grateful for the amazing friends we have made through serving our community. Chairing this year has been SO MUCH fun...and a great honor. Brian has been my biggest supporter and cheerleader during this chaotic last year. Without him, there would not have been enough hours in the day to get everything done.

Jesuit truly trains our sons to become *Men for Others*. We are here tonight to raise money so that other young men may have the benefit of a Jesuit education and go forward to make the world a better place. Your attendance this evening is a reflection of the dedicated support of our entire community. Thank you, and have SO MUCH fun!

SUPPORT OUR MISSION

One of the most cherished parts of the Celebration Auction each year is our paddle raise. In hosting a virtual auction, we can't easily replicate the energy and joy created in the room through this life-changing appeal, but the need for these critical funds has never been greater. This year's "paddle raise," which we are titling *Support our Mission*, funds our most noble endeavor: ensuring that the young men who apply to Jesuit Dallas are considered solely on the merits of their academic ability and character, and that the need for financial aid has no bearing on admission.

With students originating from over 100 zip codes and nearly 50 cities in the State of Texas, the makeup of our student community is unique. This is important, as a diverse population encourages dialogue, growth, and inclusivity, which are vital elements in forming young men to become true community servants as *Men for Others*.

Thanks to our deeply devoted and generous community, Jesuit Dallas granted more than \$2.6 million in financial assistance to 25% of the student body during the 2019-20 academic year. On the flipside, 72% of the Class of 2019 received college scholarships and awards totaling over \$30 million.

Please help keep our tuition low, and the gift of a Jesuit education available for all. Please register online and support our mission on May 2.
