KARMA CHAMELEON: CULTURE CLUB

Is there loving in your eyes all the way?
If I listen to your lies would you say?
I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go you come and go

Karma, karma, karma, karma, karma chameleon
You come and go, you come and go
Loving would be easy
If your colours were like my dreams
Red, gold and green
Red, gold and green

Did you hear your wicked words every day
And you used to be so sweet I heard you say
That my love was an addiction
When we cling our love is strong
When you go you're gone forever
You string along you string along

Karma, karma, karma

Every day is like survival (survival)
You're my lover not my rival
Every day is like survival (survival)
You're my lover not my rival

Instrumental

I'm a man without conviction
I'm a man who doesn't know
How to sell a contradiction
You come and go
You come and go

Karma, karma, karma x 3

SEE YOU LATER ALLIGATOR: BILL HALEY AND HIS COMETS

Well, I saw my baby walkin' with another man today
Well, I saw my baby walkin' with another man today
When I asked her what's the matter
This is what I heard her say

See you later alligator.... after 'while crocodile
See you later alligator.... after 'while crocodile
Can't you see you're in my way now
Don't you know you cramp my style

When I thought of what she told me
Nearly made me lose my head
When I thought of what she told me
Nearly made me lose my head
But the next time that I saw her
Reminded her of what she said

See you later alligator... after 'while crocodile.....

Instrumental

She said I'm sorry pretty daddy
You know my love is just for you
She said I'm sorry pretty daddy
You know my love is just for you
Won't you say that you'll forgive me
And say your love for me is true

I said wait a minute 'gator
I know you mean it just for play
I said wait a minute 'gator
I know you mean it just for play
Don't you know you really hurt me
And this is what I have to say

See you later alligator... after 'while crocodile.....

See you later alligator... after 'while crocodile
See you later alligator
So long.. That's all.. Goodbye

HUNGRY LIKE THE WOLF: DURAN DURAN

Dark in the city night is a wire
Steam in the subway earth is afire
Do do do, do do do, do do do, do do do, do do do
Woman you want me, give me a sign
And catch my breathing even closer behind
Do do do, do do do, do do do, do do do, do do do

In touch with the ground I'm on a hunt I'm after you
Smell like I sound I'm lost in a crowd and I'm hungry like the wolf
Straddle the line in discord and rhyme I'm on a hunt I'm after you
Mouth is alive with juices like wine and I'm hungry like the wolf

Stalked in the forest too close to hide
I'll be upon you by the moonlight side
Do do do, do do do, do do do, do do do, do do do
High blood drumming on your skin it's so tight
You feel my heat I'm just a moment behind
Do do do, do do do, do do do, do do do, do do do

In touch with the ground I'm on a hunt I'm after you
Scent and a sound I'm lost and I'm found and I'm hungry like the wolf
Strut on a line it's discord and rhyme I howl and I whine I'm after you
Mouth is alive all running inside and I'm hungry like the wolf

Instrumental – optional panting!

**Burning the ground I break from the crowd
I'm on the hunt I'm after you
I smell like I sound I'm lost and I'm found
And I'm hungry like the wolf
Strut on a line it's discord and rhyme
I'm on the hunt I'm after you
Mouth is alive with juices like wine
And I'm hungry like the wolf**

NELLIE THE ELEPHANT: TOY DOLLS

To Bombay a travelling circus came
They brought an intelligent elephant
And Nellie was her name
One dark night she slipped her iron chain
And off she ran to Hindustan and was never seen again.....
Oooooooooooooooooohhhhhhhhhhhhh...

**Nellie the Elephant packed her trunk
And said goodbye to the circus
Off she went with a trumpety-trump
Trump, trump, trump
Nellie the Elephant packed her trunk
And trundled back to the jungle
Off she went with a trumpety-trump
Trump, trump, trump**

Night by night she danced to the circus band
When Nellie was leading the big parade
She looked so proud and grand
No more tricks for Nellie to perform
They taught her how to take a bow and she took
The crowd by storm
Oooooooooooooooooohhhh...

Nellie the Elephant packed her trunk....

Nellie the Elephant packed her trunk....

**The head of the herd was calling far far away
They met one night in the silver light on the road to Mandalay
Oooooooooooooooooohhhhhhhh...**

Nellie the Elephant packed her trunk....

**Nellie the Elephant packed her trunk....
(With big finish) Off she went with a trumpety-trump
Trumptrump.... trump!**

EYE OF THE TIGER: SURVIVOR

Long intro – be prepared to punch/clap!

Risin' up back on the street
Did my time took my chances
Went the distance now I'm back on my feet
Just a man and his will to survive

So many times it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

**It's the eye of the tiger it's the thrill of the fight
Risin' up to the challenge of our rival
And the last known survivor stalks his prey in the night
And he's watchin' us all with the eye of the tiger**

Face to face out in the heat
Hangin' tough stayin' hungry
They stack the odds till we take to the street
For the kill with the skill to survive

It's the eye of the tiger it's the thrill of the fight....

Risin' up straight to the top
Had the guts got the glory
Went the distance now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger it's the thrill of the fight

Instrumental /The eye of the tiger x 6

PUPPY LOVE: DONNY OSMOND

And they called it puppy love
Oh I guess they'll never know
How a young heart really feels
And why I love her so

And they called it puppy love
Just because we're in our teens
Tell them all please tell them it isn't fair
To take away my only dream

I cry each night my tears for you
My tears are all in vain
I'll hope and I'll pray that maybe someday
You'll be back in my arms once again

Someone help me help me
Help me please
Is the answer up above
How can I oh how can I tell them
This is not a puppy love

Someone help me help me
Help me please
Is the answer up above
How can I oh how can I tell them
This is not a puppy love

***(Beauty School Drop-out style
'La la la la la la' etc to finish)***

THEME FROM THE MONKEES: THE MONKEES

Here we come, walkin' down the street
We get the funniest looks from
Everyone we meet

Hey hey, we're the Monkees
And people say we monkey around
But we're too busy singing
To put anybody down

We go wherever we want to
Do what we like to do
We don't have time to get restless
There's always something new

Hey hey we're the Monkees
And people say we monkey around
But we're too busy singing
To put anybody down

We're just tryin' to be friendly
Come and watch us sing and play
We're the young generation
And we've got something to say.....

Any time or anywhere
Just look over your shoulder
Guess who'll be standing there

Hey hey we're the Monkees
And people say we monkey around
But we're too busy singing
To put anybody down

Instrumental

Hey hey we're the Monkees
And people say we monkey around
But we're too busy singing
To put anybody down

We're just tryin' to be friendly
Come and watch us sing and play
We're the young generation
And we've got something to say

Hey hey we're the Monkees
Hey hey we're the Monkees
Hey hey we're the Monkees

THE BARE NECESSITIES: FROM THE JUNGLE BOOK

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
Old Mother Nature's recipes
That brings the bare necessities of life

Wherever I wander, wherever I roam
I couldn't be fonder of my big home
The bees are buzzin' in the tree
To make some honey just for me
When you look under the rocks and plants
And take a glance at the fancy ants
Then maybe try a few.....
The bare necessities of life will come to you
They'll come to you!

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
That's why a bear can rest at ease
With just the bare necessities of life

Now when you pick a pawpaw
Or a prickly pear
And you prick a raw paw
Well next time beware
Don't pick the prickly pear by the paw
When you pick a pear
Try to use the claw
But you don't need to use the claw
When you pick a pear of the big pawpaw
Have I given you a clue?
The bare necessities of life will come to you
They'll come to you!

Instrumental

Look for the bare necessities
The simple bare necessities
Forget about your worries and your strife
I mean the bare necessities
That's why a bear can rest at ease
With just the bare necessities of life
With just the bare necessities of life
(Yeah man!)
