LOGO OF THE COLLEGE REFLECTS THE VISION & MISSION OF THE COLLEGE

The motto says- "आ नो भद्राः क्रतवो यन्तु विश्वतः" अर्थात् चारों दिशाओं से कल्याणकारी विचार हमारे मन में आए-

[May god bring noble thoughts from all corners]. The logo of the college has four distinct blocks.

The lower left of the block depicts the tropical "forests" of Jharkhand plateau representing the natural greenery of our slate. It symbolizes sustainable growth with ecological balance and awareness for the preservation of nature. Our college also extends its heartfelt reverence for the flora and fauna, our major stakeholders of the mother Earth-via this symbol.

The upper left block displays an 'Open Book' that denotes knowledge to be spread openly and without discrimination abiding by the philosophy enshrined in the Fundamental Rights under Article 21(A) of our Indian Constitution. Also, it has the fragrance of what Kavi Guru Ravindranath Tagore implies, "Where the mind is without fear the head is held high...Where Knowledge is free...."

The symbol designed in the upper right block inspires for the learning with pure scientific temperament, leading towards industrial training and skill development. The purpose is to prepare them to meet the industrial and corporate needs and to face the off-campus challenges skillfully and joyfully.

The lower right block of the logo depicts an ignited torch representing the ever- spreading gyre of knowledge all bright and illuminating, igniting the young minds tirelessly with undeterred zeal.

Hence, the logo enshrines in itself the vision of the college.

Needless to say, the very successful and scintillating journey of altogether 55 years of this college has helped it to grow as one of the esteemed institutions of national repute.
