

MLM 90 DAY BLITZ TRAINING

This is your first ***“MLM 90 DAY BLITZ TRAINING.”*** Please take a few minutes and read through this training document before you click on any links. There is lots of info in this “90 Day Blitz” training document.

Trust me, this training in just 12 months will make you a HUGE income.
So lets get started

After you are done reading this “90 Day Blitz Training’ document and you agree to commit to do this “90 Days Blitz” (3 months of extreme FOCUS) then I invite you to share with us your results with your personal testimony of your “90 Day Blitz Training” in Our FB Group.

Should you be intereste in sharing your experienace in our FB Group – Then you will need to request to join. Be sure to check the welcome email that was sent to you for having taken a free spot at my opportunity.

Then after your first 30 days please do come back to our FB group and post your testimony of your results every 30 days for the next 3 months.

Here is another idea. Since you are already working an MLM opportunity, then mostlikely you are already in a FB Group of your company. So you can go their and let people in your FB Group know that you have started an”MLM 90 Day Blitz” in hopes that many other people will follow your lead.

My personal testimony:

I have been in MLM for over 25 years. I did work for IBM for 23 years and when I was down sized from IBM my income had reached \$50,000 annually. I tell you this because to let you know that in MLM in just 3 years I was already making over \$60,000 per year in my previous company until they decided to close the company.

I am still a great believer of this amazing MLM industry and have continued working programs and have earned over \$600,000 dollars.

OK! so lets get started:

- 1.If you have a full time JOB** then decide how many hours of activity you

will work your business. I would incur-charge you to work a minimum of 3 hours per week days and a full day minimum 10 hour on your day off.

2.If you are retired or a stay at home mom, then decide the schedule time for work at least 6 days a week laser focused.

3.Just so you know, when you start calling on people to invite them to take a look at your opportunity, some of the people will already be promoting an MLM and they will try to share what they are doing with you.

4.So give them the courtesy and allow them to share their info and at some point in the conversation let them know that you are doing a “90 DAY BLITZ TRAINING.” with extreme focus and you don't have time to work another program, but that you are OK with having them email you information about their opportunity. So offer to give them your email.

5.The purpose for this is to get their email so that you can then email them information on BEpic.

6.If you are new to this MLM industry and think that MLM is a “Pyramid Scheme or this is your first time joining an MLM company, then take a few minutes and watch the videos below that will educate you about the MLM vs JOB and what is RESIDUAL Income.

Here are 3 videos that it is must to watch:

1. Network Marketing Myth Busters. Especially for people that think that MILM is an illegal pyramid scheme. <https://youtu.be/QFXJe8XAIi0>

2. Eric Worre How To Recruit 20 People In 30 Days Network Marketing Pro - <https://youtu.be/udLhw8vzHFA>

3. Video testimony of 6 people under 30 years old that in 3 to 5 years they all became millionaires in Network Marketing. The one thing that they all had in common is that they had a JOB and wanted nothing to do with MLM. However, the two things that they all wanted was to earn a lot more money and TIME FREEDOM. Click to watch video here: <https://youtu.be/fcI7vGxnIXo>

So, MLM was the only thing that they committed to do to make their desire a reality. So they all committed to doing a “The 90 Days Blitz”

In this training document I will share with you this concept of what is called “The 90 Days Blitz Training”

It has been about 3 years now that I have been wanting to do a “90 Day Blitz” and finally after seeing the power of this opportunity and pay plan I decided that it is time to get seriously **“FOCUSTED”**. This “90 Day Blitz Training” is what will grow my business exponentially in just 3 months, so that in 12 months I will be earning a 5 or 6 figure residual income. So far I am 24 days into my “90 Days Blitz” activity and already have sponsored 26 people personally and have a team of 106 people in just 24 days.

So what is a “90 Day Blitz” and how do you do a “90 Day Blitz?”

A “90 Day Blitz” Training Can Change Your Life! Eric Worre

<https://www.youtube.com/watch?v=uIIcyXR5jkQ>

1- A “90 Day Blitz” is a schedule time of activity that you will do to work your opportunity. Like, working a 10 to 15 hour days making phone calls to people you know, inviting them to take a look at your opportunity or working the social media web sites, like Face Book, My Space and others.

2- You need to have joined an online opportunity that you truly LOVE.

3- Be sure to set up your work station at home with a “Note Book” and pen handy at all times by your phone to be ready to write down info when you speak to prospects. Be sure to write the date and the month in front of your note book.

4- Be sure to have a phone script to help you stay focus when making calls to prospects. *I will be up loading one to our FB Group page soon.*

5- After you have spent a few days learning about your product and pay plan, then you are ready to start your “90 Day Blitz”.

6- Prepare an information email (You can find some in our FB Group)

Since you did take a free spot in our opportunity, I can give you access to our FB Group – email me robnanza3@gmail.com – for access.

This welcome email must have your new distributor that just joined his/her web site links to help them promote their opportunity and Back office link, conference call phone numbers. You should have received one from your sponsor.

7- Start by making a list of names, phone numbers and emails of every one you know. So through out the day you will be posting your ads on Face Book Groups (I joined over 100 of them) and other social media like Tweeter, Pinterest, My Space and so on.

8- When I go to do errants and grocery shopping I take fliers with me for hand outs. I place them on bulletin boards at gas stations, In the super market I place my fliers inside the free news papers. (Example of fliers are found in our FB Group “Files” page.

9- I also have a .com link on my Car pasted on all my car doors and windows.

10- Be sure to learn how to do three ways calls *with your up line* to help you build your opportunity team. You can also three way people into the recorded calls for your prospect to listen to the call.

11- All MLM companies for the most part have 24hr information recorded calls for you to three way prospects:

My personal “90 Day Blitz” testimony:

I began my first “90 Day Blitz” on 11/29/2016 - 24 days ago. For the first time I was able to sponsor 5 people in one day that joined my opportunity. *So far in my first 24 days 106 people have joined my opportunity.*

I encourage you to learn all you can and get committed and focused in doing this “**90 Day Blitz**”. Call your up line and let them know that you have committed to doing this “**90 Day Blitz**” and that you will be needing help with three way

Learn the numbers of the compounding results of duplication. Then be sure to teach these results of the coumpounding effects of duplication to the people that join your team, so that they can see first hand the results of 4 people who help 4 others in just 12 months. The numbers of people in your team will be huge.

As a way to get my point across I always ask the person being trained: “How many people do you think you'll have in 12 months in your team if you teach your 4 people to help their 4 people to do the same?”

Then they will hesitate, and I tell them just give me any number! Then after they tell me what they think the number is. I show them the real numbers and they get floored. Then I say “Numbers Don't LIE!” OK! Take a look here.

Month People

1.	-----	4
2.	-----	16
3.	-----	64
4.	-----	256
5.	-----	1024
6.	-----	4096
7.	-----	16,384
8.	-----	65,536
9.	-----	262,144
10.	-----	1,048,576
11.	-----	4,194,304
12.	-----	16,777,216

So as you can see in a perfect world 4 people that teach 4 others to do the same, at the end of 12 months you will have over 21 Million people in your team.

So even with a 99% failure, what is 1% of 21 million? How many people will you have in 12 months when you teach 4 people to help 4 others to do the same?

The compounding effects of the penny (.01) multiplied daily for 30 days.
 I also like to teach the concept for what happens to one penny (.01) when multiplied daily for 30 days. It is mind blowing to know that a (.01) penny multiplied daily can turn into over \$10,000,000 million dollars in 30 days because of the compounding effect.

The Compounding effects Of A Penny Multiplied Daily for 30 Days Its Over \$10,000,000					
Day 1	0.01	Day 11	10.24	Day 21	10,485.76
Day 2	0.02	Day 12	20.48	Day 22	20,971.52
Day 3	0.04	Day 13	40.96	Day 23	41,943.04
Day 4	0.08	Day 14	81.92	Day 24	83,886.08
Day 5	0.16	Day 15	163.84	Day 25	167,772.16
Day 6	0.32	Day 16	327.68	Day 26	335,544.32
Day 7	0.64	Day 17	655.36	Day 27	671,088.64
Day 8	1.28	Day 18	1,310.72	Day 28	1,342,177.28
Day 9	2.56	Day 19	2,621.44	Day 29	2,684,354.56
Day 10	5.12	Day 20	5,242.88	Day 30	5,368,709.12

**So, get ready and commit to doing a “90 Day Blitz”
 and your TIME FREEDOM and
 Financial FREEDOM will become a reality.**
