MORTGAGE ORIGINATORS In America 2013

The Top 1% of Mortgage Originators Delivered Outstanding Results in a Challenging Mortgage Market

Mortgage Executive Magazine compiled the most comprehensive list of The Nation's Top 1% of Mortgage Originators. The Top 100 Mortgage Originator list debuted in 1995 in *Mortgage Originator Magazine*. *Mortgage Executive Magazine* expanded the rankings to include the top 1% of the hundreds of thousands mortgage originators in the U.S.

The minimum eligibility criteria are a total "personal" production of at least \$30 million in 2013. Entries cannot include loan volume of associate originators or junior originators that earn a commission on the same loan files.

Mortgage Executive Magazine seeks to recognize and celebrate the service, dedication, and hard work that leading mortgage professionals put into serving their clients during the home loan process.
