Christian fiction offering hope and healing

Expanded edition includes a new afterword by the author and a discussion guide for group use

ROOM OF MARVELS

A STORY ABOUT HEAVEN THAT HEALS THE HEART

Three deaths in three years. His mother. His best friend. And now, his two-year-old daughter. In this moving story, a Christian author goes to a retreat center to grieve and face the hard questions about God that he is asking in the wake of these losses.

If you have ever felt alone, betrayed, abandoned—if you have found yourself asking God why—this novel may be a source of hope. And if you have ever wondered what heaven is like, this book provides a beautiful vision. *Room of Marvels* is a masterful, dream-like tale that speaks to the eternal in the midst of our most painful earthly losses.

This expanded edition of the beloved book has a new afterword from James Bryan Smith and a discussion guide for group use.

.....
"My prevailing thought is, I hope this is true. Jim has written a brave book—one that was so honest at times I felt uncomfortable reading it. But that honesty exposes James as being like the rest of us: at times riddled with fear and anger, sin and sadness, but most importantly full of the holy hope of finally going Home."

ANDREW PETERSON, singer/songwriter

"Takes us on a marvelous Christian journey, freighted with broad humor and biblical wisdom. This book helps me to remember that the spiritual realm is more real than any other."

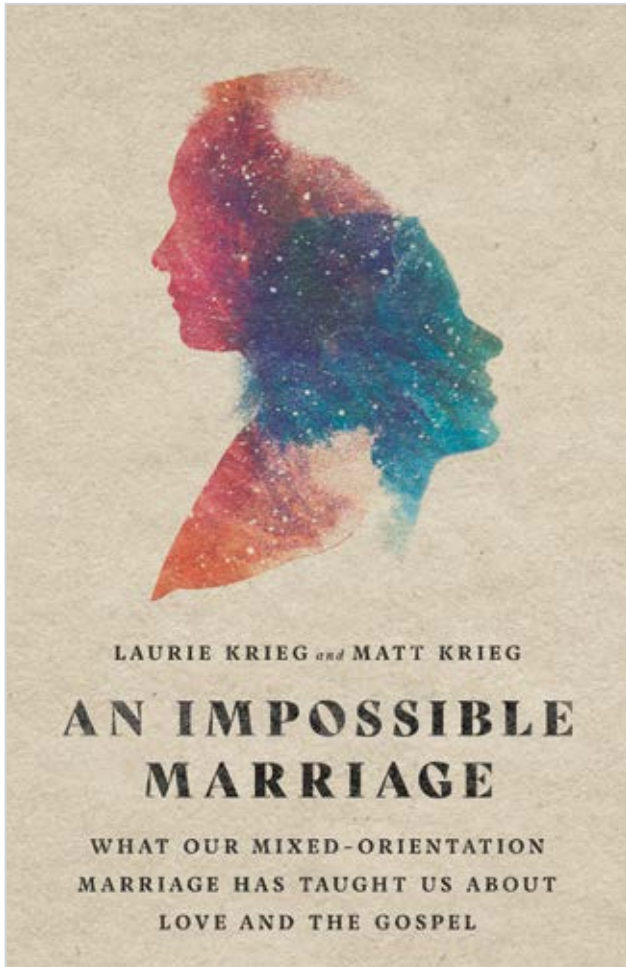

EMILIE GRIFFIN, author of *Doors into Prayer*

"Room of Marvels is a great story, a story that opened the eyes of my own heart. Once again, James Bryan Smith has helped us see the staggering depth to which God knows and loves us and the length to which he goes to show us that love. Even more, he shows us that the God who looks like Jesus goes out of his way to meet us in our moments of unexplainable pain, then teaches us to play and laugh and love like little children. Make sure you read this one!"

MICHAEL JOHN CUSICK, author of *Surfing for God* and CEO at Restoring the Soul

JAMES BRYAN SMITH is the author of *The Good and Beautiful God*, *The Magnificent Story*, and a number of other books. He serves as the director of the Apprentice Institute for Christian Spiritual Formation at Friends University. A founding member of Richard J. Foster's spiritual renewal ministry, Renovaré, Smith serves as a teaching pastor at Chapel Hill United Methodist Church in Wichita, Kansas.

Tells the story of the authors' mixed-orientation marriage

Wrestles with the theological, spiritual, and practical questions around the phenomenon of mixed-orientation marriage

Considers what true Christian marriage looks like in the context of our culture's changing definitions

AN IMPOSSIBLE MARRIAGE

WHAT OUR MIXED-ORIENTATION MARRIAGE HAS TAUGHT US ABOUT LOVE AND THE GOSPEL

"People say our marriage is impossible."

Laurie and Matt Krieg are in a mixed-orientation marriage: a marriage in which at least one partner's primary attraction isn't toward the gender of their spouse. In the Krieges' case, Laurie is primarily attracted to women—and so is Matt.

Some find the idea of mixed-orientation marriage bewildering or even offensive. But as the Krieges have learned, nothing is impossible with God—and that's as true of their marriage as anyone else's. In *An Impossible Marriage*, the Krieges tell their story: how they met and got married, the challenges and breakthroughs of their journey, and what they've learned about marriage along the way. Christianity teaches us that marriage is a picture of Jesus' love for the church—and that's just as true in a mixed-orientation marriage as in a straight one.

With vulnerability and wisdom, this book lays out a beautiful picture of marriage in all its pain and beauty. It's a picture that points us, over and over again, to the love and grace of Jesus—as marriage was always meant to do.

"Laurie and Matt's marriage shows off the gospel in all its truth and grace, which is why I'm so excited they decided to write this book. Anyone who is married or considering getting married needs to read *An Impossible Marriage*."

PRESTON SPRINKLE, The Center for Faith, Sexuality and Gender

"Honestly written with a bent toward those who have battled trauma, this unique marriage book will inspire you to surrender your life and your marriage to Jesus afresh."

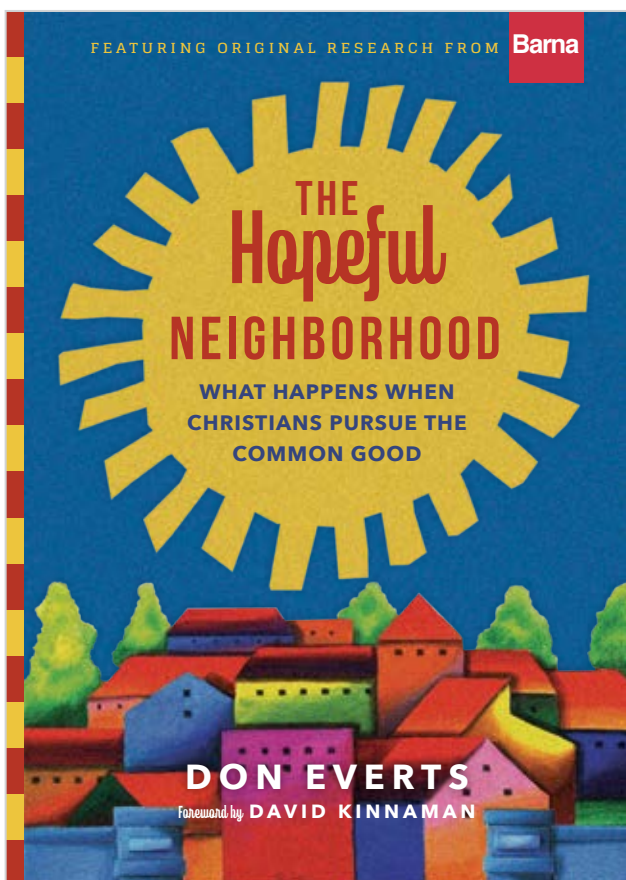

MARY DEMUTH, author of *We Too: How the Church Can Respond Redemptively to the Sexual Abuse Crisis*

LAURIE KRIEG is a writer, speaker, and ministry leader whose mission is to teach the church how to approach sexuality with the gospel.

MATT KRIEG is a licensed professional counselor and director of counseling at Caring Well Counseling. Together, Laurie and Matt host the *Hole in My Heart* podcast. They live with their three children in Grand Rapids, Michigan.

THE HOPEFUL NEIGHBORHOOD

WHAT HAPPENS WHEN CHRISTIANS PURSUE THE COMMON GOOD

Are you tired of hearing people dismiss the church as an irrelevant relic? (Do you secretly wonder if they are right?)

Don Everts explores an exciting reality that is revealed in Scripture, shown throughout history, and confirmed in the latest research: when Christians join together for the common good, we bring hope to the world, credibility to the church, and glory to God.

With original research from the Barna Group and Lutheran Hour Ministries on how Christians relate to our neighborhoods, this book is filled with constructive, practical ways that Christians and churches bless those around us.

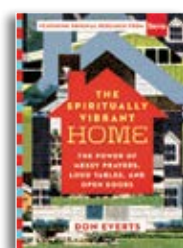

Paints a hopeful picture of how churches can bless their neighborhoods

Original research from the Barna Group is displayed throughout as colorful infographics and illustrations

"This book does such a beautiful job of preparing us for life on mission with Jesus in the place where we live and with the people who live near us, in our neighborhoods. And my friend Don shares so much of his own journey—he's lived in thirty neighborhoods! And he lovingly, carefully, persuasively guides us through the barriers to engaging and loving our neighbors as Christ calls. I hope you gain as much from the journey as I have."

Expert advice on adaptive leadership from the author of *Canoeing the Mountains*

TEMPERED RESILIENCE

HOW LEADERS ARE FORMED IN THE CRUCIBLE OF CHANGE

What type of leadership is needed in a moment that demands adaptive change?

Tod Bolsinger, author of *Canoeing the Mountains*, is uniquely positioned to explore the qualities of adaptive leadership in contexts ranging from churches to nonprofit organizations. He deftly examines both the external challenges we face *and* the internal resistance that holds us back. When reflection and relationships are combined into a life of deliberate practice, leaders become both stronger and more flexible. As a result, these resilient leaders are able to offer greater wisdom and skill to the organizations they serve.

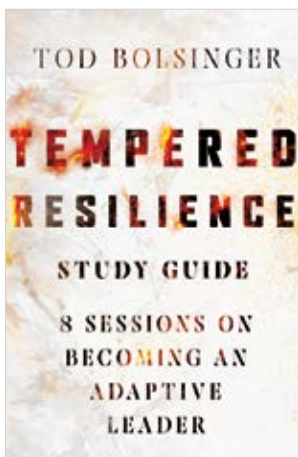

The accompanying eight-session study guide is designed to lead to honest conversations for self-discovery as well as offer practices that leaders and their teams can take on together.

"As a thoughtful, innovative leader, Tod's acumen makes Tempered Resilience a critical read for every leader seeking to navigate an organization through an ever-changing environment."

SANTIAGO "JIMMY" MELLADO,
president and CEO of Compassion International

TOD BOLSINGER is a speaker, executive coach, former pastor, and author who serves as associate professor of leadership formation and senior fellow for the De Pree Center for Leadership at Fuller Seminary. Addresses the complexities of purity culture from a biblical perspective

TALKING BACK TO PURITY CULTURE REDISCOVERING FAITHFUL CHRISTIAN SEXUALITY

The generation born into evangelical purity culture has grown up, and many have started families of their own. But as time goes on, it's becoming more evident that many still struggle with purity culture's complicated legacy—its idolization of virginity, its mixed messages about modesty and lust, and its promise of a healthy marriage and great sex for those who follow the rules.

In *Talking Back to Purity Culture*, Rachel Joy Welcher reviews the movement carefully, examining its teachings through the lens of Scripture. Compassionate, faithful, and wise, she charts a path forward for evangelicals in the ongoing debates about sexuality—one that rejects legalism and license alike, steering us back instead to the good news of Jesus. It's time to talk back to purity culture—and this book is ready to jump-start the conversation.

"Rachel Joy Welcher's book is a God-honoring and human-dignifying work that will help people find healing for sins, for shame, and from abuses inflicted on them. . . . I'm so grateful for her strong, gracious words helping readers understand what purity means to God, not just as a fabricated culture."

BARNABAS PIPER, author and podcaster

"Talking Back to Purity Culture is a book I will recommend over and over, not only to my students but to all who are striving toward a more holistic and biblical understanding of human sexuality in these times."

KAREN SWALLOW PRIOR, author of *On Reading Well*

"Impeccably researched, gently written, and a timely word for those who grew up kissing dating goodbye, wearing purity rings, attending abstinence rallies, and waiting (perhaps waiting still) for their 'one.' . . . A needed and healing work."

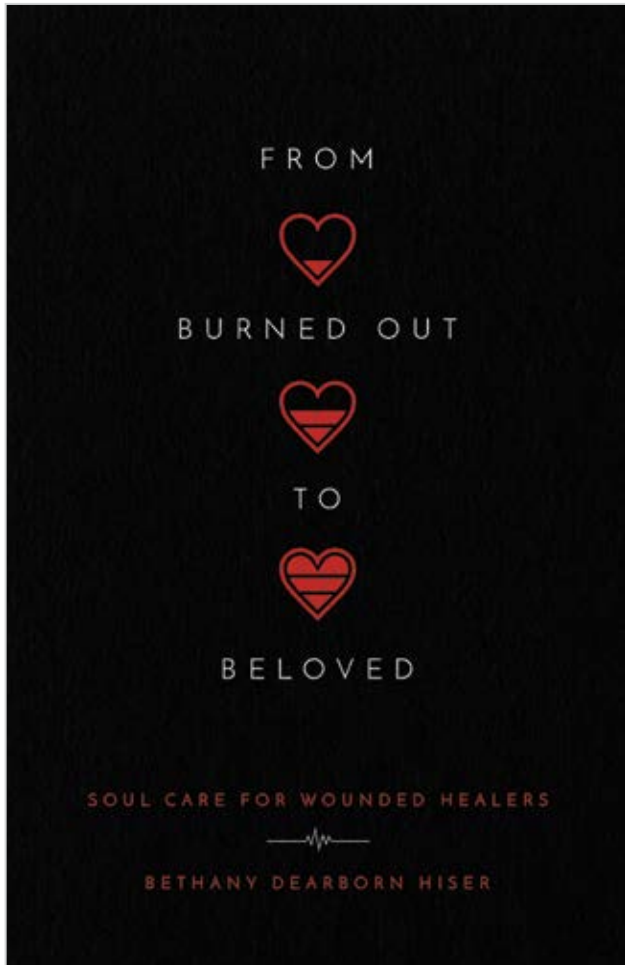

LORE FERGUSON WILBERT, author of *Handle With Care*

"This book is a must-read for anyone who is looking for a thoughtful and thoroughly researched reconsideration of purity culture teachings."

Provides inspiration and practical help for those experiencing burnout or compassion fatigue

Includes spiritual practices for Christians working in high-stress, helping professions and justice ministries

FROM BURNED OUT TO BELOVED SOUL CARE FOR WOUNDED HEALERS

As a social worker, jail chaplain, and justice advocate, Bethany Dearborn Hiser pushed herself to the brink of burnout—and then kept going. Stress, despair, and compassion fatigue overwhelmed her ability to function. She was called to serve the abused, addicted, and homeless people in her community, yet she was emotionally and spiritually exhausted.

Hiser learned that trauma affects everyone who is exposed to it—not only those experiencing it firsthand but also the social workers, therapists, pastors, relief workers, teachers, and community development workers who are trying to help. Psychologists call it “secondary trauma.”

Helpers need the very soul care they are providing to others. *From Burned Out to Beloved* is Hiser’s story of burnout, self-discovery, and spiritual renewal. But more than that, it’s a trauma-informed soul care guide for Christians working in high-stress, helping professions.

“What Bethany Dearborn Hiser offers here is essential for every pastor, social worker, caregiver, or friend.”

MARK LABBERTON, president of Fuller Theological Seminary

“This is a relevant and critical guide for anyone who is involved in ministry and people-centered work. We’re adopting it as part of our staff-training program as an essential read.”

HANNAH BRYANT, executive director of Leadership Mission International

“A refreshingly bold and practical resource for those seeking healthier patterns toward wholeness and sustainability.”

GAIL SONG BANTUM, lead pastor of Quest Church, Seattle

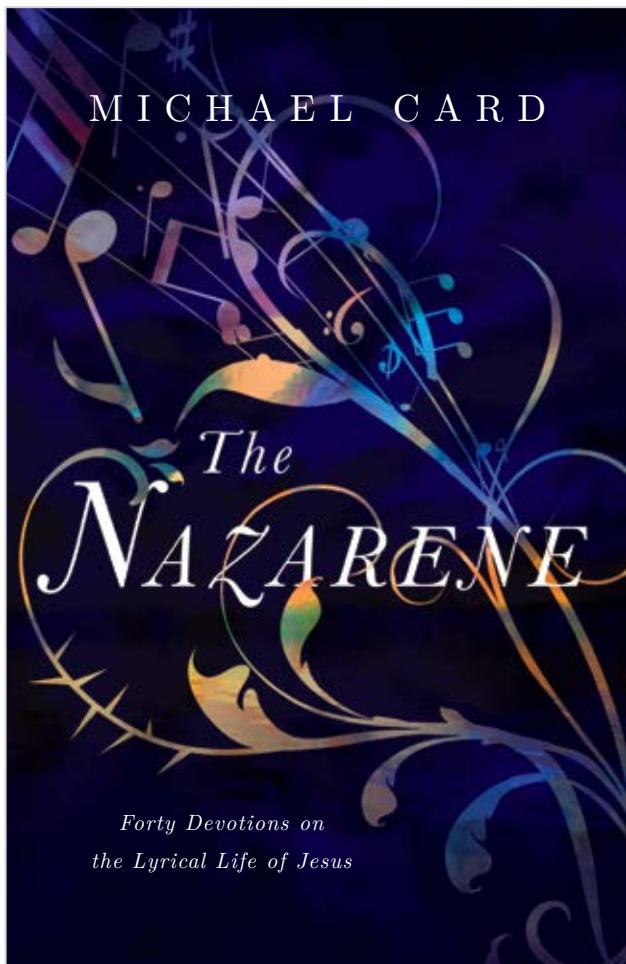

“From Burned Out to Beloved is a tremendous resource for Christians involved in the caring vocations.”

Jesus' life is a song that still resonates down through the ages. His deeds and words speak with beauty and mystery, both comforting and confounding us. Who is this man?

These forty meditations lead us to a place where Jesus becomes real and we can hear him with both hearts and minds.

Listen again to the life of the Nazarene. And discover anew the music of Christ in your soul.

COMPANIONS IN THE DARKNESS

SEVEN SAINTS WHO STRUGGLED WITH DEPRESSION AND DOUBT

The church's relationship with depression has been fraught: for centuries, depression was assumed to be evidence of personal sin or even demonic influence. The depressed have often been ostracized or institutionalized. In recent years the conversation has begun to change, and the stigma has lessened—but as anyone who suffers from depression knows, we still have a long way to go.

In *Companions in the Darkness*, Diana Gruver looks back into church history and finds depression in the lives of some of our most beloved saints, including Martin Luther, Charles Spurgeon, Mother Teresa, and Martin Luther King Jr. Without trying to diagnose these figures from a distance, Gruver tells their stories in fresh ways, taking from each a particular lesson that can encourage or guide those who suffer today. Drawing on her own experience with depression, Gruver offers a wealth of practical wisdom both for those in the darkness and those who care for them.

.....
"This is a brave, nuanced, and vulnerable book that offers no easy answers but points unflinchingly to the God who companions us in the darkness."

SHARON GARLOUGH BROWN, author of *Shades of Light*

*"It is rare to say that there is no other book like this, but with Diana Gruver's *Companions in the Darkness* she has done something that no other book has done: given us true companions for dark times."*

WINSOME CONVICTION

DISAGREEING WITHOUT DIVIDING THE CHURCH

We generally assume that those sitting around us in church share our beliefs. But when our personal convictions are contested by fellow Christians, everything changes. When other Christians doubt or deny our convictions, we don't experience it as a mere difference of opinion but as a violation of an unspoken agreement.

Tim Muehlhoff and Rick Langer offer a guide to help Christians navigate disagreements with one another. In today's polarized context, Christians often have committed, biblical rationales for very different positions. How do we discern between core biblical convictions and secondary issues? How do we cultivate better understanding and compassion for those we disagree with? Muehlhoff and Langer provide lessons from conflict theory and church history on how to avoid the dangers of groupthink and how to negotiate differing biblical convictions to avoid church splits and repair interpersonal ruptures.

Christian unity is possible. Discover how we can navigate differences by speaking in both truth and love.

"The church is a family, and as with any family, there are bound to be disagreements. . . . This much-needed book is a practical guide to picking your battles and developing the art of loving people with whom you disagree. Helps us redefine what it means to find healing and wholeness even in the midst of ongoing pain

Tells the author's story of living with chronic pain

HURTING YET WHOLE

RECONCILING BODY AND SPIRIT IN CHRONIC PAIN AND ILLNESS

What if the things we most fear about our bodies—our vulnerability to illness and pain—are exactly the places where God meets us most fully?

As Liuan Huska went through years of chronic pain, she wondered why God seemed absent and questioned some of the common assumptions about healing. What do we do when our bodies don't work the way they should? What is healing when one has a chronic illness? Can we still be whole when our bodies suffer?

The Christian story speaks to our experiences of pain and illness. In the embodiment of Jesus' life, we see an embrace of the body and all of the discomfort and sufferings of being human. Countering a gnosticism that pits body against spirit, Huska takes us on a journey of exploring how healing is not an escape from the limits of the body but becoming whole as souls in bodies and bodies with souls.

"Hurting Yet Whole is a book brimming with honesty about the nature of what it is to be an embodied human being made in the image of God. There are no quick fixes or simple formulas in this beautiful book, but there is something of much greater value in its pages for patients, caregivers, pastors, and anyone who loves someone facing an ongoing illness: compassion."

MICHELLE VAN LOON, author of *Becoming Sage*

"While reflecting on her own story, Liuan Huska thinks carefully and writes well about the meaning of wholeness given our illnesses or chronic illnesses. . . . This book is powerful because it is a lived theology, a practical theology of the body in narrative form, not detached speculation. Incarnational. May we sit at her feet and learn."

MARLENA GRAVES, author of *The Way Up Is Down*

"Liuan Huska weaves her personal experience with theological insight in an accessible and compelling way. This would be a deeply helpful resource for people just beginning to grapple with the reality of chronic illness in their own lives and anyone desiring to respond to the limits, pains, and contingencies of their own physical body with less enmity and more tenderness."

MIXED BLESSING

EMBRACING THE FULLNESS OF YOUR MULTIETHNIC IDENTITY

“So what are you?”

Chandra Crane knows what it’s like to get that question. She has a Thai birth father, a European American mother, and an African American father who adopted her when she was five. With this mixed multiethnic and multicultural background, she has keenly felt the otherness of never quite fitting in. Where do people of mixed ethnicity belong?

Those of us who have multiethnic backgrounds may have pain surrounding our mixed heritage. But we also have the privilege and potential to serve the Lord through our unique experiences if we root ourselves in him. Crane explores what Scripture and history can teach us about ethnicity and how we can bring all of ourselves to our sense of identity and calling.

You can discover the fullness of who you are. Find out how your mixed identity can be a blessing to yourself and to the world around you.

“Mixed Blessing reminds us that people are not created for boxes but for God’s glory. This book helps fill an inexcusable gap in our understanding of racial and ethnic dynamics. . . . Is Mixed Blessing an easy read? Certainly not. But it is an essential one.”

DISABILITY AND THE CHURCH

A VISION FOR DIVERSITY AND INCLUSION

Lamar Hardwick was thirty-six years old when he found out he was on the autism spectrum.

While this revelation helped him understand and process his own experience, it also prompted a difficult re-evaluation of who he was as a person. And as a pastor, it started him on a new path of considering the way disabled people are treated in the church.

Disability and the Church is a practical and theological reconsideration of the church's responsibilities to the disabled community. Too often disabled persons are pushed away from the church or made to feel unwelcome in any number of ways. As Hardwick writes, "This should not be."

He insists that the good news of Jesus affirms God's image in all people, and he offers practical steps and strategies to build stronger, truly inclusive communities of faith.

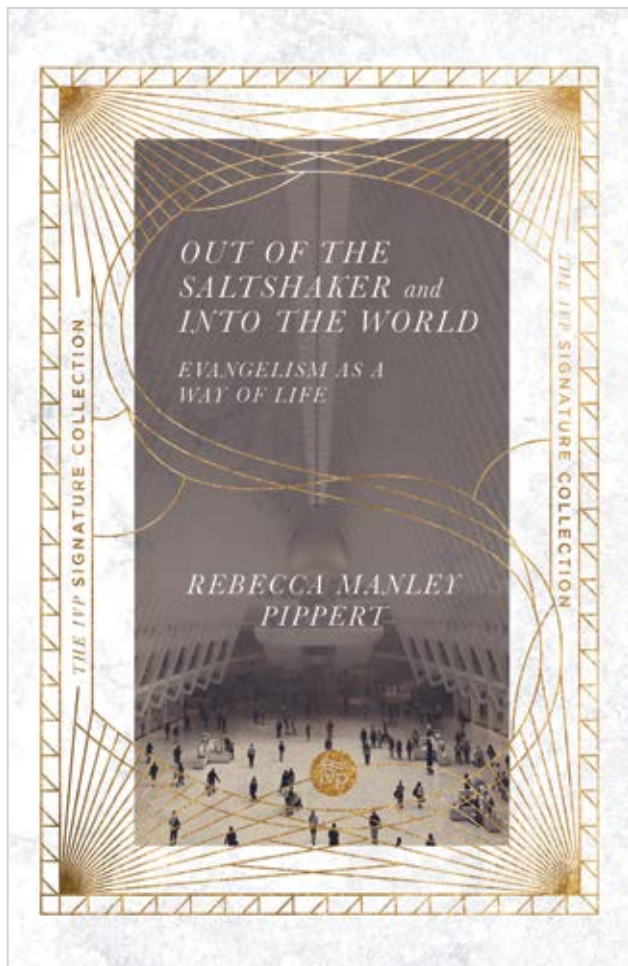

A LOOK INSIDE

According to a religion and disability study conducted in 2018, there is an increased chance of families declining to attend religious services based on their child's disability. In fact, families impacted by autism are nearly 84% more likely to never attend religious services due to a felt lack of inclusion. Similar studies report that 46% of families impacted by disability have never been asked how their child and family could be included in the life of the church.

When we are faced with such a high percentage of families who report that they are unable to be involved with their local church due to disability, it communicates that the church has not paid enough attention to how those who are absent view the church. . . . If the church is to forge forward into the future, we must recapture her original intent of inclusion and access into God's kingdom. If you believe that the local church must lead the way in creating disability inclusive communities—communities for people of all cultures and with all types of conditions—this book is for you.

LAMAR HARDWICK is the lead pastor at Tri-Cities Church in East Point, Georgia. He writes and speaks frequently on the topic of disability, especially autism, and he is the author of *Epic Church* and the bestselling *I am Strong: The Life and Journey of an Autistic Pastor*.

OUT OF THE SALTSHAKER AND INTO THE WORLD

EVANGELISM AS A WAY OF LIFE

Jesus says his followers are the salt of the earth. But many Christians struggle with this call to be active in the world as witnesses to Christ. The word *evangelism* often carries negative connotations. How do we cut through fear and guilt to communicate our faith freely and effectively?

In this bestselling classic, Rebecca Manley Pippert offers a refreshing view of evangelism as a lifestyle. For over forty years, *Out of the Saltshaker and Into the World* has equipped believers of different backgrounds around the world. Using memorable stories, biblical insight, and practical communication techniques, Pippert points to Jesus as our model and helps us feel relaxed and enthusiastic about sharing the good news.

This landmark work is now available as part of the IVP Signature Collection, which features special editions of iconic books in celebration of the seventy-fifth anniversary of InterVarsity Press.

PRAYER IN THE NIGHT

FOR THOSE WHO WORK OR WATCH OR WEEP

How can we trust God in the dark?

Framed around the nighttime prayer of Compline, Tish Harrison Warren, author of *Liturgy of the Ordinary*, explores themes of human vulnerability, suffering, and God's seeming absence. When she navigated a time of doubt and loss, the prayer was grounding for her. She writes,

It was this practice that gave me words for my anxiety and grief and allowed me to reencounter doctrines of the church—the church's claims about reality—not as rational, tidy little antidotes for pain but as a light in darkness, as good news.

Where do we find comfort when we lie awake worrying or weeping in the night? This book offers a prayerful and frank approach to the difficulties in our ordinary lives at work, at home, and in a world filled with uncertainty.

"We pray the church's liturgical prayers at night—compline—because they give us words when we don't know what to say, and they give us better words to say than we might give. This little book is holy glow in your hands: read it, savor it, and most of all join Tish Harrison Warren in prayer in the quiet of the night. Those who pray well are honest, vulnerable, frustrated, hopeful, learning, and most of all they are listeners—all on display in Prayer in the Night. But don't let the beauty of this book captivate you; let its subject capture you into becoming a person of prayer."

SCOT MCKNIGHT, Northern Seminary

TISH HARRISON WARREN is a priest in the Anglican Church in North America. After eight years with InterVarsity Graduate and Faculty Ministries at Vanderbilt and the University of Texas at Austin, she now serves as writer-in-residence at Church of the Ascension in Pittsburgh, Pennsylvania.

FAITH THAT LASTS

A FATHER AND SON ON CULTIVATING LIFELONG BELIEF

“Please fix my kid.”

In their work as Christian apologists, father and son Stuart and Cameron McAllister have heard many variations on this theme from concerned parents. It’s a sentiment many Christian parents can relate to—a deep and fearful sense of their own inadequacy to raise their children in the faith amid a seductive culture that’s often hostile to Christianity.

In *Faith that Lasts*, the McAllisters reflect on their own experiences of coming to Christian faith—Stuart from a life of crime on the streets of Glasgow and Cameron in the context of a loving Christian home. Together they outline three dangerous myths that we all too easily buy into: that fear can protect our children, that information can save them, and that their spiritual education belongs to the experts. They reconsider each myth in the light of the Christian faith and their own experiences.

When our confidence is rooted in the good news of Jesus, our homes can be places of honest conversation, open-handed exploration, and lasting faith.

TRUE COMPANIONS

A BOOK FOR EVERYONE ABOUT THE RELATIONSHIPS THAT SEE US THROUGH

When we quit sabotaging intimacy in our relationships by demanding unconditional love, we discover something much greater—the deeply satisfying, transformational love that is companionship.

In these pages psychologist Kelly Flanagan shows how each of us has within ourselves, exactly the way we are, the gifts that are needed to cultivate the life-long relationship we are longing for, whether it is within marriage or friendship. He shows us how self-knowledge leads the way to growing in love for both God and others. He shows us how understanding our own loneliness can help us relieve the pressure on our companions. And he shows us how understanding our own psychological and emotional defenses can help us to make the choice to love more vulnerably.

More than a marriage book, this is a companionship book. Anyone—from single young adults to elderly married couples, from the divorced to the widowed, from siblings to friends—can benefit from the wisdom it uncovers about what it means to be human and to be true companions.

KELLY FLANAGAN is a licensed clinical psychologist and is the cofounder and president of Artisan Clinical Associates, a private practice in Naperville, Illinois, offering services to teens, adults, couples, and families. The author of *The Marriage Manifesto* and *Loveable*, he has also written for publications such as *Christianity Today*, *Reader's Digest*, and *Huffington Post*. In 2014, a letter he wrote to his daughter led to their appearance on the *TODAY Show*.

Flanagan is a popular blogger and podcaster, and he speaks regularly on topics related to marriage, parenting, and spiritual formation. He lives in Dixon, Illinois, with his wife, Kelly, and their three children.

John Stott's classic work re-released in honor of the celebration of his one hundredth birthday

Engages with the topic of the Holy Spirit and the gifts and baptism of the Spirit

BAPTISM AND FULLNESS

THE WORK OF THE HOLY SPIRIT TODAY

"The Christian life is life in the Spirit," writes John Stott. "It would be impossible to be a Christian, let alone to live and grow as a Christian, without the ministry of the gracious Spirit of God. All we have and are as Christians we owe to him."

The Holy Spirit continues to be at work around the world, as numerous renewal movements have attested. Yet much confusion and controversy remain regarding the Holy Spirit's activity. In this classic study, John Stott provides clear biblical exposition on the promise, the fruit, and the gifts of the Holy Spirit. He offers particular guidance on the nature of "the baptism of the Spirit" and whether certain spiritual gifts and experiences should be normative for all Christians.

Always irenic and gracious, Stott points the way to both greater biblical understanding and deeper fullness of spiritual life.

PRAISE FOR JOHN STOTT'S BOOKS

"Anything John Stott says is worth listening to . . . anything he writes is worth reading."

RADIANT CHURCH

RESTORING THE CREDIBILITY OF OUR WITNESS

Something is not right. The witness of the church in North America is eroding. Many Christians are alarmed by the decline in church attendance and seek a culprit. Too often, we point the finger away from the church, make culture the enemy, and build walls between us and others. But our antagonism and enemy-making are toxins that further eat away at our witness. Is there a better way?

Tara Beth Leach could easily be one of those millennials giving up on the church. Instead, she is a pastor who loves the church and is paradoxically hopeful for its future.

In an era where the church has lost much of its credibility, Leach casts a radiant vision for Christians to rediscover a robust, attractive witness. We need to name the toxic soil we've grown in, repent for past wrongs, and lean into a better way to become the church that Jesus proclaimed we would be. She casts down idolatrous false images of God to recover a winsome picture of a kingdom of abundance and goodness.

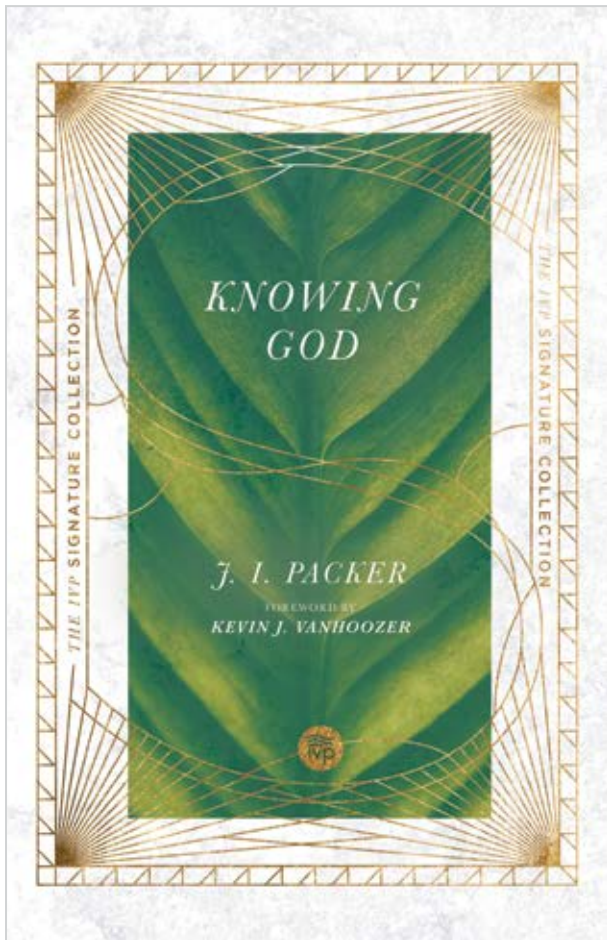

We can be sustained by practices that will tune our hearts to God's and form us into the radiant communities God intends for us and those around us.

"As a pastor, [Leach] is a prophetic voice for God. In Radiant Church she deploys that voice, as only a prophet can, to call the church back to the heart of God. Tara Beth reminds us of who we are, how God sees us, and how we can be a more loving, thoughtful, a more gracious people in the world. She reminds us that the church is a unique beauty, a radiant beauty."

PERMISSION TO BE BLACK

MY JOURNEY WITH JAY-Z AND JESUS

Throughout American history, Black people were not given the freedom to acknowledge their suffering. A.D. Thomason believes that the Holy Spirit brings freedom and liberation as we're able to name our pain, recognize its roots in history and society, and seek healing.

While many saw a confident, six-foot-five Black man, A.D. "Lumkile" Thomason lived most of his life in fear and anguish, deeply wounded by encounters with violence, abandonment, and family tragedy. Hiding behind a tough exterior, A.D. earned his "Black card" but felt joyless inside. Even traveling around the globe to play professional basketball could not resolve his despair.

But in the art of Jay-Z, A.D. discovered stirring honesty that gave voice to his own expressions of longing. And in the gospel of Jesus, he experienced the healing and salvation that had long evaded him. Now through what he calls "kingdom therapy," he's figuring out how to redefine the Jay-Z and Jesus that make up his blackness. A.D. uses his artistry as a poet and storyteller to share how he confessed his internalized pain and embraced the liberating joy of Christ. He writes for millennials, emerging adults, and anyone else who's ready to acknowledge the reality of racial trauma and our need to confront it.

A.D.'s powerful story gives you permission to be Black, to be Christian, and to be the person God has made you to be.

NO LONGER STRANGERS

FINDING BELONGING IN A WORLD OF ALIENATION

Belonging has never come easily for me.

Growing up, there was my mutated national identity to deal with—my not-quite-American, not-quite-Indonesian soul, restless in both countries. Later, when I finally came out as a celibate gay Christian, I found I didn't fit as easily into the church as I used to either. I've often wondered what it means to belong to others even when I can't manage to blend in with them.

The way Jesus tells it, if we give up on belonging in order to follow him, we'll find ourselves belonging anyway. We might not belong the way other people do, with normal homes and normal families and normal ways of fitting in. But we'll belong in a way that's a hundred times better. We'll be fully in place because we know we are out of place. We'll belong like aliens.

Maybe you're caught in the same tension as me, wanting to fit somewhere even as you're permanently out of place. Maybe you feel like an alien.

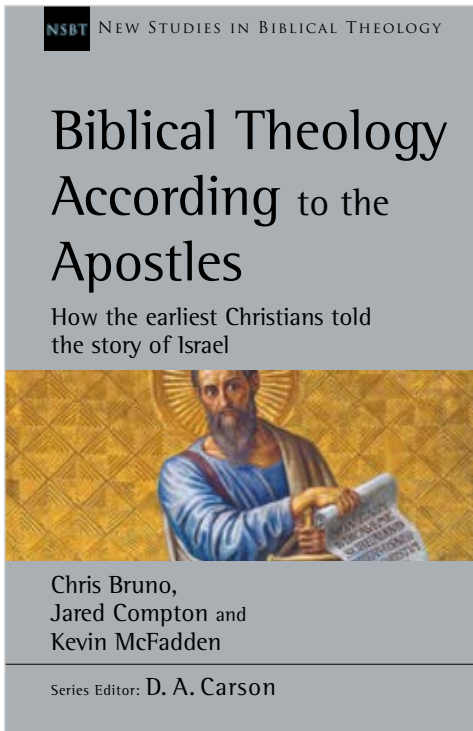

If so, let's be aliens together.

"Greg Coles has become one of the most important voices in the church. I can't express how thankful I am for him and for this book. No Longer Strangers is another home run—showing us a creative, bold, and intrepid way forward in following Jesus in a gray world. I commend him to you. And his melodic book."

BIBLICAL THEOLOGY ACCORDING TO THE APOSTLES

HOW THE EARLIEST CHRISTIANS TOLD THE STORY OF ISRAEL

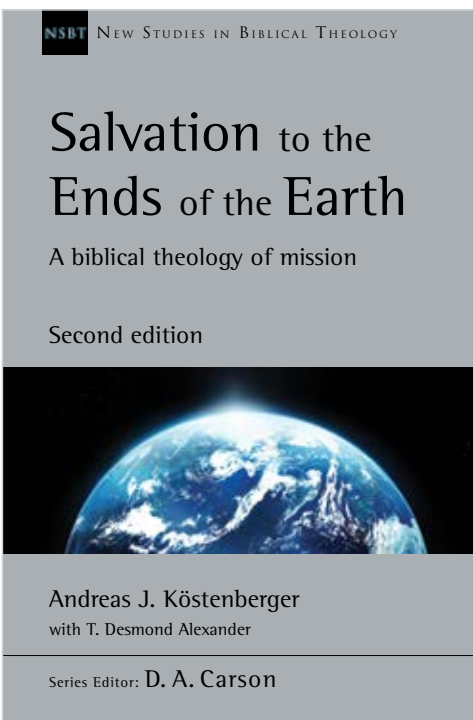

How did the apostles understand the Old Testament? Although relatively few in number, the New Testament's explicit summaries of the Old Testament story of Israel give readers direct access into the way the earliest Christians told this story—that is to say, into the way they did biblical theology.

This NSBT volume examines the passages in the Synoptic Gospels, Acts, Paul's letters, and Hebrews that recount the characters, events, and institutions of Israel's story.

SALVATION TO THE ENDS OF THE EARTH

A BIBLICAL THEOLOGY OF MISSION

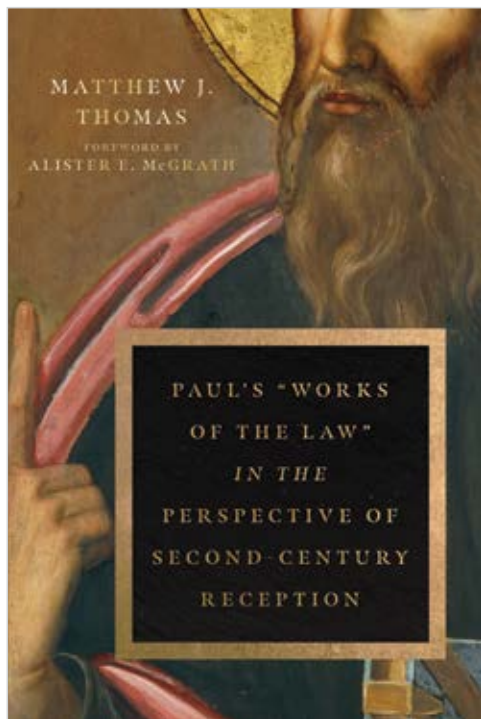

The saving mission of Jesus constitutes the foundation for Christian mission, and the Christian gospel is its message.

This second edition of a classic NSBT volume emphasizes the way in which the Bible presents a continuing narrative of God's mission—ranging from the story of Israel to the story of Jesus and that of the early Christians. At the same time, it provides a robust historical and chronological backbone to the unfolding of the early Christian mission. The apostle Paul's writings and the General Epistles are incorporated with the Gospel with which they have the closest and most natural canonical and historical affinity.

PAUL'S "WORKS OF THE LAW" IN THE PERSPECTIVE OF SECOND-CENTURY RECEPTION

What did Paul mean by "works of the law"? Paul writes that we are justified by faith apart from "works of the law," a disputed term that represents a fault line between "old" and "new" perspectives on Paul. Was the apostle reacting against the Jews' good works done to earn salvation or the Mosaic law's practices that identified the Jewish people?

Matthew J. Thomas examines how Paul's second-century readers understood the conflicting interpretations, how their readings relate to "old" and "new" perspectives, and what their collective witness suggests about the apostle's own meaning.

A personal and scholarly testament to the power and hope of Black biblical interpretation

Includes exegesis from a Black biblical scholar

Highlights biblical interpretation of the Black church

READING WHILE BLACK

AFRICAN AMERICAN BIBLICAL INTERPRETATION AS AN EXERCISE IN HOPE

Growing up in the American South, Esau McCaulley knew firsthand the ongoing struggle between despair and hope that marks the lives of some in the African American context. A key element in the fight for hope has long been the practice of Bible reading and interpretation that comes out of traditional Black churches.

New Testament scholar McCaulley argues that reading Scripture from the perspective of Black church tradition is invaluable for connecting with a rich faith history and addressing the urgent issues of our times. He advocates for a model of interpretation that involves an ongoing conversation between the collective Black experience and the Bible, in which the particular questions coming out of Black communities are given pride of place and the Bible is given space to respond by affirming, challenging, and, at times, reshaping Black concerns. McCaulley demonstrates this model with studies on how Scripture speaks to topics often overlooked by white interpreters, such as ethnicity, political protest, policing, and slavery.

Ultimately McCaulley calls the church to a dynamic theological engagement with Scripture, in which Christians of diverse backgrounds dialogue with their own social location as well as the cultures of others.

"Esau McCaulley's voice is one we urgently need to hear. This book is prophetic, biblical, measured, wise, friendly, and well-reasoned—and thus all the more hard-hitting. A powerful word for our times."

N. T. WRIGHT, University of St Andrews

"I'm extremely grateful to have a voice in my time to speak with nuance, grace, and cultural awareness. . . . This is a must-read!"

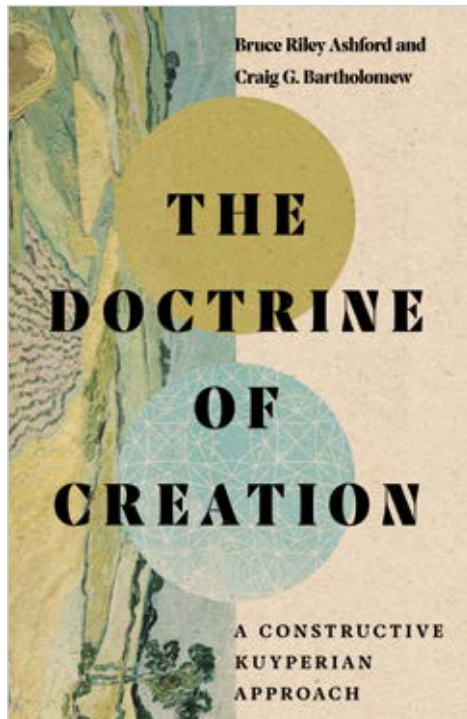

LE CRAE, hip hop recording artist

THE DOCTRINE OF CREATION

A CONSTRUCTIVE KUYPERIAN APPROACH

Across the centuries, the doctrine of creation has often been eclipsed or threatened by various forms of gnosticism. Yet if Christians are to rise to current challenges related to public theology and ethics, we must regain a robust, biblical doctrine of creation. According to Bruce Ashford and Craig Bartholomew, one of the best sources for outfitting this recovery is Dutch neo-Calvinism. Tracing historical treatments and exploring theological themes, they develop the Kuyperian tradition's rich resources on creation for systematic theology and the life of the church today.

JOEL AND AMOS

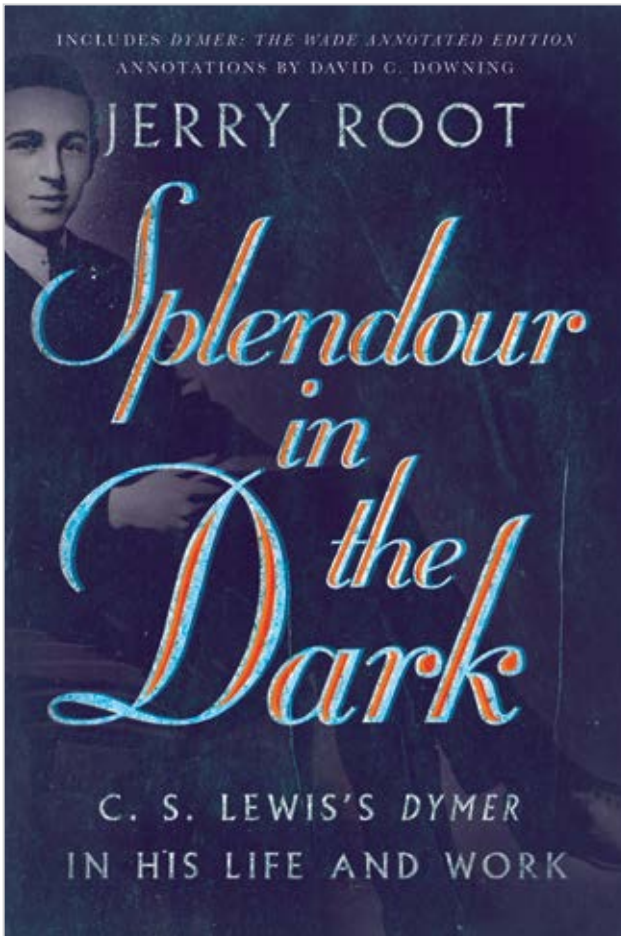

AN INTRODUCTION AND COMMENTARY

Joel's arresting imagery—blasting trumpet, darkened sun, and marching hosts—has shaped the church's eschatological vision of a day of wrath. Amos's ringing indictments—callous oppression, heartless worship, and self-seeking gain—have periodically awakened the conscience of God's people. Twenty-five-hundred years later, those prophetic words still speak powerfully.

This Tyndale commentary by Tchavdar Hadjiev on the books of Joel and Amos examines their literary features, historical context, theology, and ethics.

SPLENDOUR IN THE DARK

C. S. LEWIS'S *DYMER* IN HIS LIFE AND WORK

Several years before he converted to Christianity, C. S. Lewis published a narrative poem, *Dymer*, under the pseudonym Clive Hamilton. Jerry Root contends that Lewis's early poem *Dymer* can not only shed light on the development of Lewis's literary skills but also offer a glimpse of what was to come in his intellectual and spiritual growth—a "splendour in the dark," to borrow one of Lewis's own lines from the poem.

Under Root's careful analysis, *Dymer* becomes a way to understand both Lewis's change of mind as well as the way in which each of us is led on a journey of faith. This volume also includes the complete text of *Dymer* with annotations from David C. Downing, codirector of the Marion E. Wade Center.

"This book is essential reading for anyone seeking a deeper understanding of the life and thought of the twentieth century's most influential Christian writer."

GARY S. SELBY, author of *Pursuing an Earthy Spirituality*

"Everyone who loves Lewis will not only enjoy this book but also find that Root's commentary on *Dymer* enhances their reading of Lewis's other works as well."

MALCOLM GUTE, Cambridge, author of *Mariner*

"This volume helpfully illuminates the poem, debates its value, and points out ways it foreshadows Lewis's mature work. A welcome addition to the scholarship on his early life and poetry."

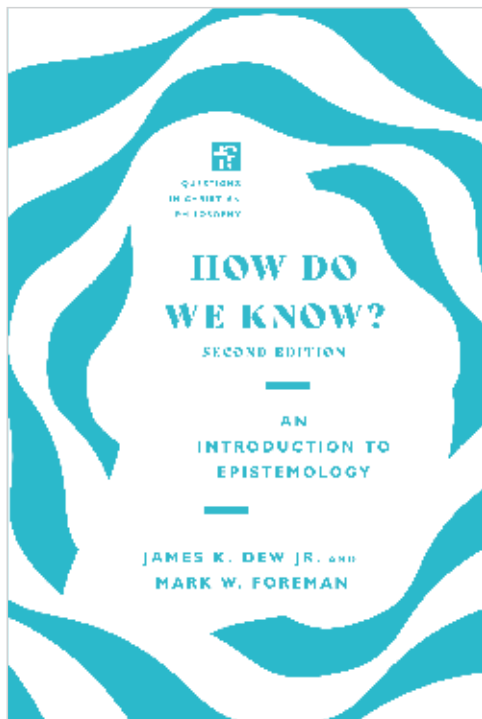

MICHAEL WARD, coeditor of *C. S. Lewis at Poets' Corner*

JERRY ROOT is professor of evangelism and director of the Evangelism Initiative at Wheaton College. He is the author of *C. S. Questions in Christian Philosophy

HOW DO WE KNOW?

AN INTRODUCTION TO EPISTEMOLOGY

What does it mean to know something? Can we have confidence in our knowledge? Epistemology, the study of knowledge, can often seem like a daunting subject. And yet few topics are more basic to human life.

In this primer on epistemology, James Dew and Mark Foreman guide readers through this discipline in philosophy. This second edition has been expanded with new material and now serves as the first volume in IVP's Questions in Christian Philosophy series.

JAMES K. DEW JR. is president and professor of Christian philosophy at New Orleans Baptist Theological Seminary. He is the coauthor of *Philosophy: A Christian Introduction and Understanding Postmodernism* and the coeditor of *God and Evil* and *God and the Problem of Evil: Five Views*.

REFUGE REIMAGINED

BIBLICAL KINSHIP IN GLOBAL POLITICS

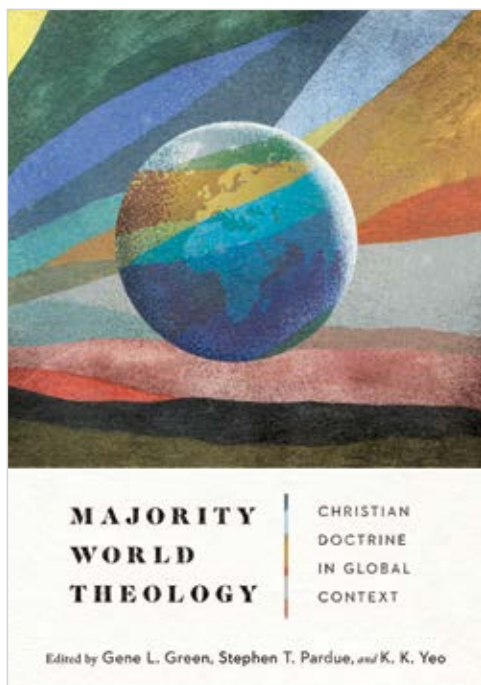

The global crisis of forced displacement is growing every year. We urgently need a perspective that understands both Scripture and current political realities and that can be applied at the levels of the church, the nation, and the globe.

Mark R. Glanville and Luke Glanville offer a new approach to compassion for displaced people: a biblical ethic of kinship. Challenging the fear-based ethic that often motivates Christian approaches, they demonstrate how this ethic is consistently conveyed throughout the Bible and can be practically embodied today.

MARK R. GLANVILLE is associate professor of pastoral theology at Regent College, Vancouver, and an Old Testament scholar. He is the author of *Adopting the Stranger as Kindred in Deuteronomy* and *Reading Exodus*.

LUKE GLANVILLE is associate professor in the department of international relations at Australian National University. He is the author of *Sovereignty and the Responsibility to Protect*.

CONSPICUOUS IN HIS ABSENCE

STUDIES IN THE SONG OF SONGS AND ESTHER

In the biblical canon, two books lack any explicit reference to the name of God: Song of Songs and Esther. What is the nature of God as revealed in texts that don't use his name? How do we think of God when he is perceived to be absent? What should we do when God is silent or hidden?

Exploring the often overlooked theological connections between these two Old Testament books, Chloe T. Sun takes on the challenges of God's absence and explores how we think of God when he is perceived to be silent.

CHLOE T. SUN is professor of Old Testament and academic dean at Logos Evangelical Seminary and has published books in Chinese and English, including *Love Already but Not Yet: A Commentary on the Song of Songs* and *Attempt Great Things for God: Theological Education in Diaspora*.

CHARITABLE WRITING

CULTIVATING VIRTUE THROUGH OUR WORDS

Our written words carry weight. Unfortunately, in today's cultural climate, our writing is too often laced with harsh judgments and vitriol rather than careful consideration and generosity. But might the Christian faith transform how we approach the task of writing? How might we love God and our neighbors through our writing?

This book is not a style guide that teaches you where to place the comma and how to cite your sources (as important as those things are). Rather, it offers a vision for expressing one's faith through writing and for understanding writing itself as a spiritual practice that cultivates virtue.

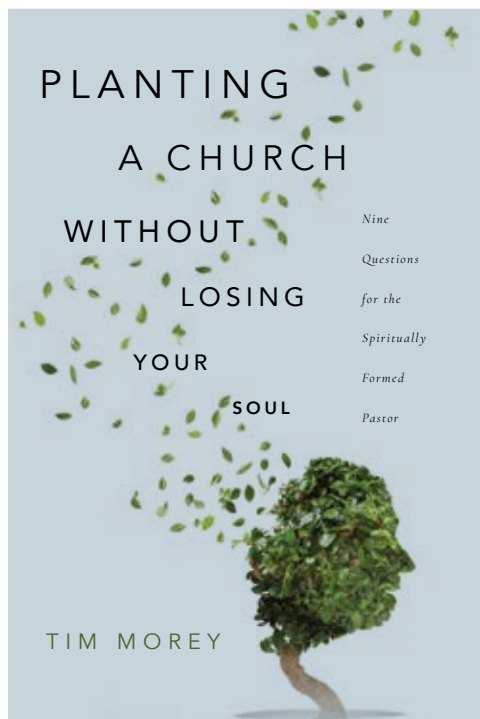

Under the guidance of two experienced Christian writers who draw on authors and artists throughout the church's history, we learn how we might embrace writing as an act of discipleship for today—and how we might faithfully bear the weight of our written words.

"Richard Hughes Gibson and James E. Beitler III offer a refreshing alternative to agonistic argumentation, inviting us—readers and writers, teachers and students—to reimagine writing with humility as its cornerstone. . . . Their nuanced and generous book led me to rethink the habits informing my own reading, writing, and teaching; may it do the same for you."

PLANTING A CHURCH WITHOUT LOSING YOUR SOUL

NINE QUESTIONS FOR THE SPIRITUALLY FORMED PASTOR

What does it take to be a church planter or ministry entrepreneur? According to veteran church planter Tim Morey, you need more than just vocational capacities—you need spiritual competencies.

Morey provides here a practical guide to spiritual formation geared to the unique needs of church planters. Featuring real-life stories from leaders, suggested practices, and discussion questions in each chapter, this book will equip individuals and teams (and those who coach them) to commit to an intentional plan for spiritual formation—for the good of their churches, their relationships, and their own lives as disciples of Jesus.

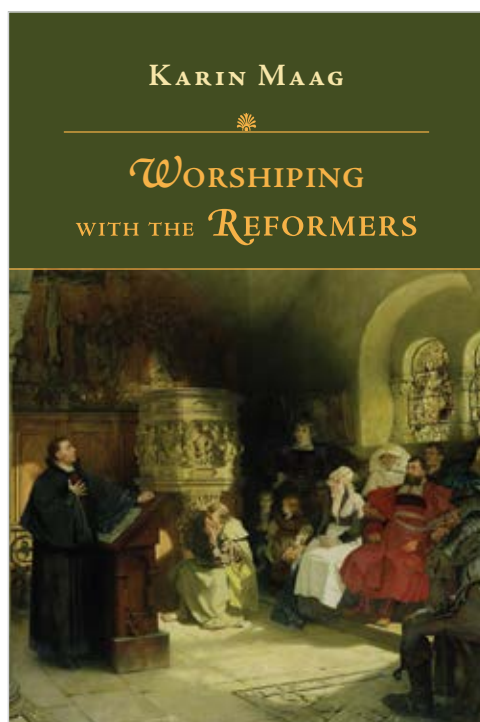

TIM MOREY is founding and lead pastor at Life Covenant Church in Torrance, California. He serves as a church-planting coach for the Evangelical Covenant Church and as an adjunct professor at Fuller Theological Seminary.

WORSHIPING WITH THE REFORMERS

Worship of the triune God has always stood at the center of the Christian life. That was certainly the case during the sixteenth-century Reformation as well. Yet in the midst of tremendous social and theological upheaval, the church had to renew its understanding of what it means to worship God.

In this RCS companion volume, Reformation scholar Karin Maag takes readers inside the worshiping life of the church during this era. Drawing from sources across theological traditions, she explores several aspects of the church's worship, including what it was like to attend church, reforms in preaching, the function of prayer, how Christians experienced the sacraments, and the roles of both visual art and music in worship.

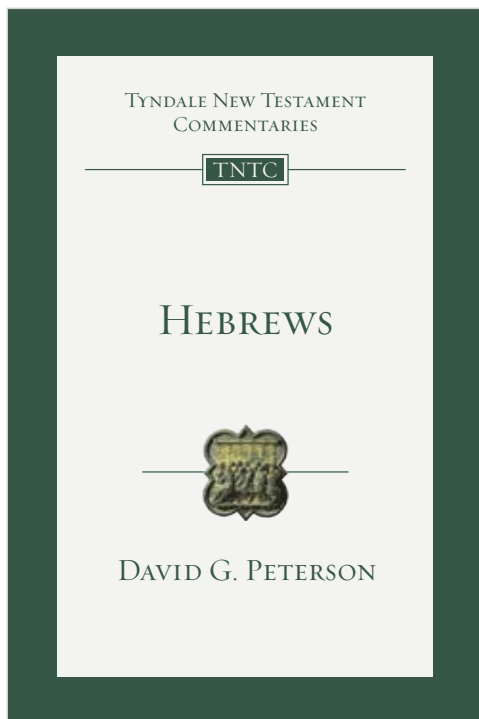

KARIN MAAG is professor and director of the H. Henry Meeter Center for Calvin Studies at Calvin University. She is the author of *Does the Reformation Still Matter?*, *Lifting Hearts to the Lord: Worship with John Calvin in Sixteenth-Century Geneva*, and *Seminary or University: The Genevan Academy and Reformed Higher Education, 1560-1620*.

The letter to the Hebrews provides an amazing combination of warnings and assurances to encourage Christians to persevere in faith, hope, and love. The basis for this is a profound reflection on the person and work of Christ, viewed as the fulfilment of Old Testament Scripture.

In this Tyndale commentary, David G. Peterson shows how the author expounds the implications of the gospel with pastoral insight and sensitivity, producing a "word of exhortation" that reaches across the centuries to speak to our lives today.

THE THEOLOGY OF JEREMIAH

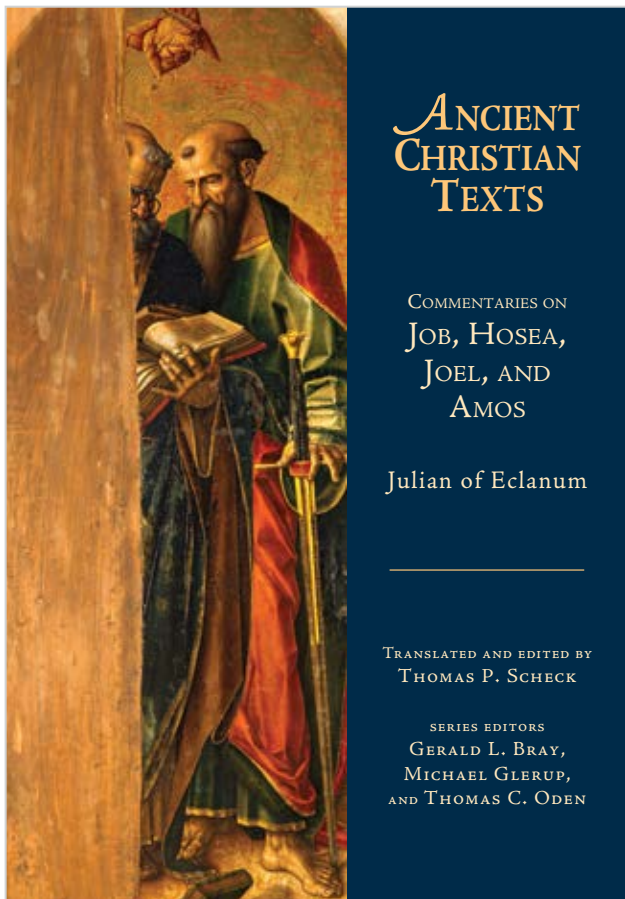

THE BOOK, THE MAN, THE MESSAGE

How do we think about the theology of the book of Jeremiah? Do we consider themes section by section, or do we step back and look at the whole? John Goldingay says "both."

In *The Theology of Jeremiah*, Goldingay considers the prophet Jeremiah himself, his individual circumstances and those of Judah, and his message. Though Jeremiah's message varies throughout the book, we gain insights into Jeremiah's theology by viewing the book in its entirety. In doing so, we learn about God, Israel as the people of God, the nature of wrongdoing and prophecy, and what we know about the future.

Ancient Christian Texts

Provides new translations of patristic commentary on the biblical books of Job, Hosea, Joel, and Amos

Offers insight into the biblical exegesis and theology of Julian of Eclanum

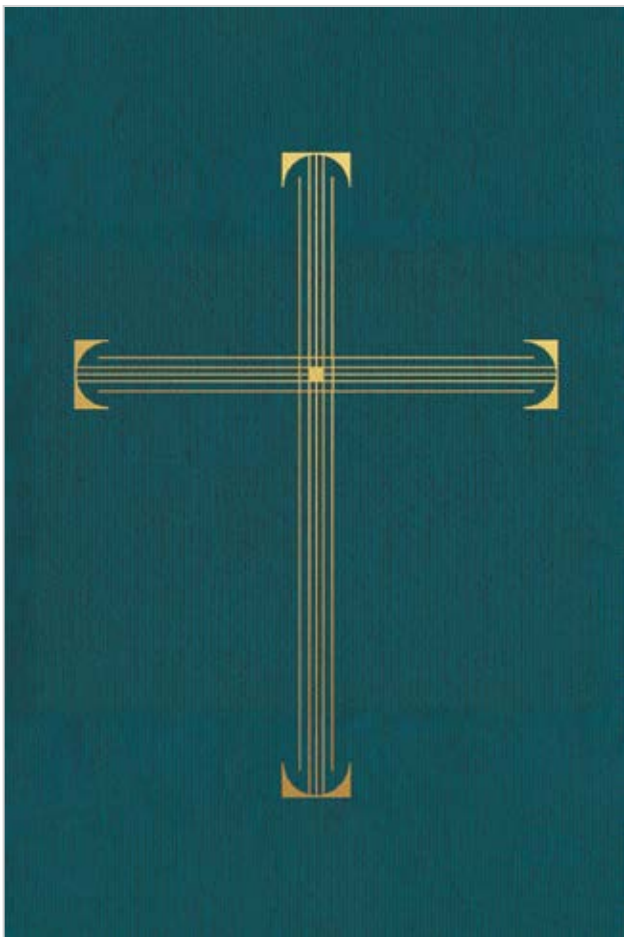

COMMENTARIES ON JOB, HOSEA, JOEL, AND AMOS

“Then the Lord answered Job out of the whirlwind . . .”

Julian of Eclanum (c. 386–455) was the bishop of Eclanum, located in modern-day Italy. In this volume in IVP’s Ancient Christian Texts series, Thomas Scheck provides a new translation of Julian’s commentaries on the biblical books of Job and those of three Minor Prophets: Hosea, Joel, and Amos. Here, readers will gain insight into how early Christians read texts such as God’s speech to Job, Hosea’s symbolic representation of God’s unending love for a faithless Israel, Joel’s anticipation of the outpouring of the Holy Spirit, and Amos’s call for social justice.

While Julian was a well-known leader among the Pelagians, whose theology was famously opposed by Augustine of Hippo and ultimately determined to be outside the bounds of the church’s orthodoxy, the Pelagian movement was a significant element within the early church. And although Julian’s Pelagianism does not fundamentally affect the commentaries presented in this volume, Christians can gain insight into the truths of Scripture by reading the text alongside others, even when—or perhaps especially when—we might disagree with other aspects of their beliefs.

THOMAS P. SCHECK is associate professor of theology at Ave Maria University in Ave Maria, Florida. He is the author of *Origen and the History of Justification* and *Erasmus’s Life of Origen*. He is also the editor of two volumes of Jerome’s *Commentaries on the Twelve Prophets* and the translator for Origen’s *Homilies on Numbers* in IVP’s Ancient Christian Texts series as well as the translator of *Origen: Commentary on the Epistle to the Romans* and *St. Jerome: Commentary on Matthew* in the Fathers of the Church series and Jerome’s commentaries on Isaiah and Ezekiel in the Ancient Christian Writers series.

THE 1662 BOOK OF COMMON PRAYER

INTERNATIONAL EDITION

The Book of Common Prayer (1662) is one of the most beloved liturgical texts in the Christian church and remains a definitive expression of Anglican identity today. It is still widely used around the world, in public worship and private devotion, and is revered for both its linguistic and theological virtues.

But the classic text of the 1662 prayer book presents several difficulties for contemporary users, especially those outside the Church of England. *The 1662 Book of Common Prayer: International Edition* gently updates the text for contemporary use. State prayers of England have been replaced with prayers that can be used regardless of nation or polity. Obscure words and phrases have been modestly revised—but always with a view toward preserving the prayer book’s own cadence. Finally, a selection of treasured prayers from later Anglican tradition has been appended.

The 1662 prayer book remains a vital resource today, both in the Anglican Communion and for Christians everywhere. Here it is presented for continued use for today’s Christians throughout the world.

TREATMENT OF CHILDHOOD DISORDERS

EVIDENCE-BASED PRACTICE IN CHRISTIAN PERSPECTIVE

Caring for the mental health of children and their families is complex and challenging—and meaningful. For Christian clinicians who work with childhood disorders, however, few resources exist to address such treatment from a research-based, Christian integration perspective.

This unique textbook fills this gap by combining biblical and theological understanding with current psychological literature on empirically supported treatments for children. Sarah E. Hall and Kelly S. Flanagan present an integrated approach based in developmental psychopathology, which offers a dynamic, multifaceted framework from which to understand the processes that affect children's development.
