BUYING A USED CAR

A. Reading

Jeff is trying to buy a used car. He is at a dealership and is negotiating with a car salesman. He can afford to put \$1,200 down on a car and pay up to \$275 per month. The car salesman said Jeff needs to put more money down on the car if he wants the payments under \$300. The asking price for the car is \$8,500. This includes a ninety-day warranty. Jeff told the salesman that he can't afford to put more money down and he can't afford higher payments. He needs to keep some money to cover the cost of car insurance. A friend at work is selling a similar car, but it doesn't come with a warranty.

B. True or False

2. _____ Dealerships sell cars.
3. _____ Jeff can afford \$275 per month in car payments.
4. _____ Ninety days is about three months.
5. _____ Jeff will also need to pay for car insurance.

C. Yes or No – Share Your Opinion

1. _____ It's better to buy a new car than a used car.
2. _____ Jeff should tell the car salesman he doesn't want the car.

D. Writing – Describe your car. If you don't have one, describe a friend's car.

COMMUNITY COLLEGE

A. Reading

Anita saved \$975 for community college tuition and other expenses, but now she is confused. Her older sister is going to Hawaii next month, and she wants Anita to go with her. They can get a discount on a hotel room and share the costs of renting a car. Anita knows college is important, but she wants to visit Hawaii. The problem is she can't afford both. If she goes Hawaii, she won't have enough money for college. It will take her a year to save enough money for tuition. Anita wants to be a nurse someday and work in a hospital. She doesn't know what to do. She has to make a difficult decision.

B. True or False

1. _____ Anita saved money for college.
2. _____ Her sister is going to Hawaii next year.
