Sometimes, an email you want to receive will accidentally be flagged as spam. To make sure these messages are delivered Tip 6 in the future, place a check-mark next to the message in the Spam folder, then click the Not Spam button.

You can also add the sender to your Safe Senders List and all their messages will be delivered. Click Settings, Email Settings, Blocking and finally Safe Senders. Type the email address of the sender you would like to exempt from filtering or select it from your Contacts.

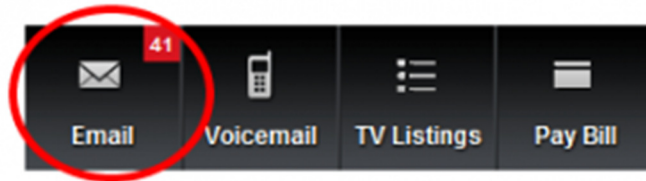

Comcast

Support.clickdimensions.com

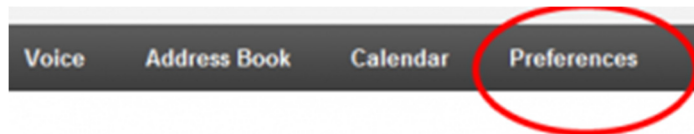

<https://www.xfinity.com/support/articles/spam-filters-and-email-blocking>

To ensure that you continue to get your emails from *EZSE*, please add our email addresses to your Comcast filter.

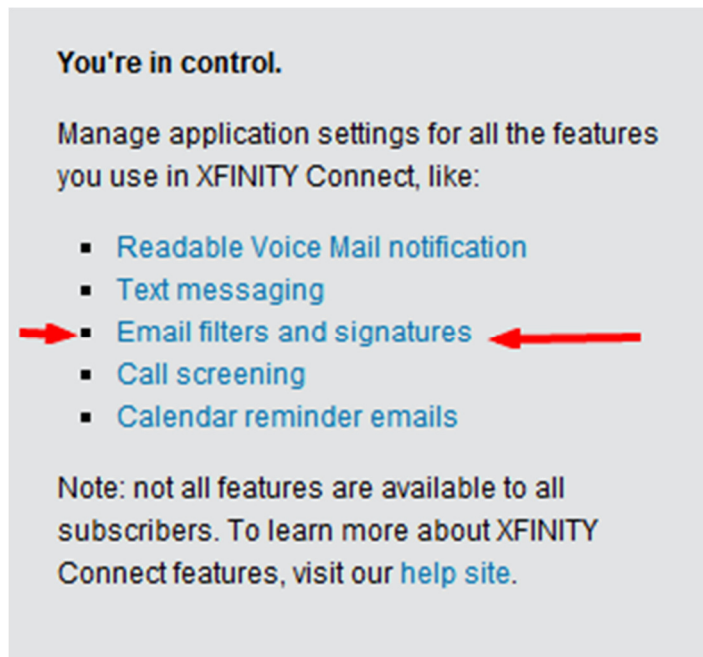

Once you login into Comcast, click on the email icon on the right-hand side of the page.

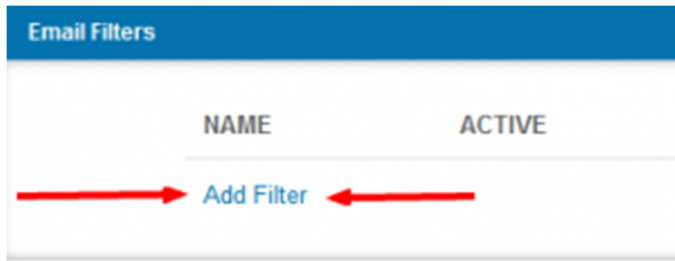

Then click on **“Preferences”**.

Click on **“Email filters and signatures,”** located on the right side.

Click on **“Add Filter”**.

Add a filter name, like *Public School*

Enter the email address noreply@ezschoolenroll.com

Perform the following actions:

[Add](#)

Click "save" and you're all done! Repeat for media-x.com.

Live

To ensure that you continue to get your emails from EZSE, please add our email addresses to your Safe Senders List.

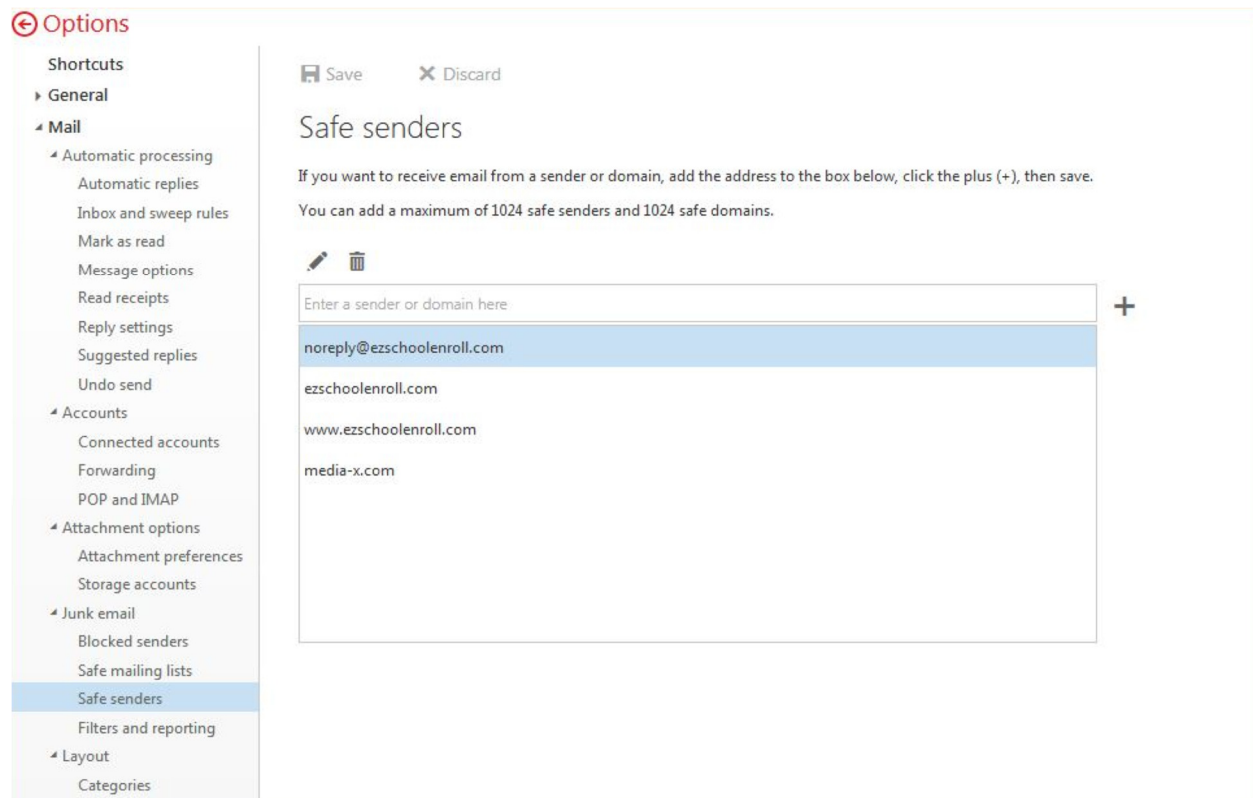

You can follow these instructions to do so:

1. Sign in to your account in Live Mail.
2. Click on **File** and Select **Options**.
3. Choose **Safety Options** then click on the **Safe Senders** tab.
4. Click on **Add** button.
5. Enter our email address noreply@ezschoolenroll.com and media-x.com
6. Click **Apply**
7. Click **OK**.

Hotmail

Emails from EZSchoolEnroll may be blocked or considered spam because of a setting on your email account. You need to add our email addresses (noreply@ezschoolenroll.com and media-x.com) to your Hotmail account to ensure that it is always approved and not sent to the spam folder.

Open your Hotmail account, Click "Options". This is located at the top right part of your screen (below your email address). Then Junk email>Safe Senders. Add noreply@ezschoolenroll.com and media-x.com as shown below

The screenshot shows the 'Options' page in Hotmail. On the left is a navigation menu with categories: Shortcuts, General, Mail, Accounts, Attachment options, Junk email, Filters and reporting, Layout, and Categories. The 'Mail' category is expanded, and 'Safe senders' is selected. The main content area is titled 'Safe senders' and includes 'Save' and 'Discard' buttons. Below the title is a text box for adding senders, with a list of existing entries: noreply@ezschoolenroll.com (highlighted), ezschoolenroll.com, www.ezschoolenroll.com, and media-x.com. A plus sign (+) is visible to the right of the text box.

Click Save.

Msn

To add a sender to your safe list:

Click the Help & Settings menu, and then click Settings.

In the left pane, click E-mail.

Click Junk E-Mail Guard.

Click Safe list.

In the text box above the E-mail addresses box, type the e-mail address of the sender (for example, "someone@example.com").

Click Add.

Click Save Changes.

Yahoo

1. Click the Spam folder.
 - If you don't see the "Spam" folder, click More below the "Sent" folder.
2. Select email from noreply@ezschoolenroll.com and media-x.com.
3. Click Not Spam at the top of the page.
4. The email will return to your Inbox.

<https://www.wikihow.com/Add-Approved-Senders-to-Yahoo!-Mail>

noreply@ezschoolenroll.com and media-x.com should add to your Email Filters.

Open your Yahoo! email account.

Click "Settings". This is located at the top right part of your screen.

Select "More Settings".

Click "Filters" in the left panel.

Select "Add new filters".

Enter email address (noreply@ezschoolenroll.com) in Filter Name.

Under Set rules, choose From. In the pull-down menu for From, choose "contains"

Type (noreply@ezschoolenroll.com) in filter value.

In the pull-down menu for "Move the message to," choose "Inbox" then save.

Repeat for media-x.com email address.

Outlook

<https://www.lifewire.com/add-address-domain-safe-senders-outlook-1173760>
