INTRODUCTION

School of Pharmacy, Devi Ahilya University, (NAAC “A” Grade University) Indore was established on October 15, 2001 as a self financing University Teaching Department. The Institute has dedicated, experienced and well qualified faculty and is supported by distinguished visiting and guest faculty from industry and profession. It has developed strong linkage with industry which has continuously provided it unstinted support and cooperation. It has a peaceful and congenial environment in a campus, impressive infrastructure, well-equipped laboratories and excellent library facilities.

This institute offers a wide array of educational and professional service programmes. The School imparts high quality education to the B. Pharm., M.Pharm. (Pharmaceutical Chemistry) and Ph.D. students. School is a recognized center for Ph. D programme in various subjects of Pharmacy. The School of Pharmacy is running different research projects funded by University Grants Commission, New Delhi, AICTE, New Delhi and Madhya Pradesh Council of Science and Technology, Bhopal. The academic programmes, in this School have been developed to provide educational and personality development facilities for preparing young pharmacists for highly professional and top positions in drug and pharmaceutical industries. School of Pharmacy was ranked 19th in the top 25 Pharmacy Colleges of India by Careers 360 Magazine (July 2011 and August 2013).

VISION

To create a functional, globally competitive & research-focused department, but responsive to the needs of the society, while delivering world-class education and knowledge.

MISSION

To place it in the forefront of research and development, innovation, knowledge transfer and human resource development in the global academic field and industry.

AIMS & OBJECTIVES

- To offer high quality education, training and development of technical skills to enhance productivity and efficiency.
- To provide students with the knowledge, skills, judgment, professional attitudes, and creativity.
- To develop and enhance students' skills in problem solving, critical thinking, individual and group communication.
- To facilitate and encourage the development of mature, independent, and life-long learners in a diverse student body with different learning styles.
- To contribute to the advancement of the clinical and basic medical and pharmaceutical sciences through independent and collaborative research, presentation and publication.
- To encourage students, faculty, and preceptors to grow as professionals and to optimize their skills and capabilities.
- To support continuing professional development of alumni thereby fostering a positive and continuing relationship with graduates.
- To cultivate an educational environment of inter-professional teamwork and collaboration among students, faculty, staff and administration.

COURSES OFFERED

- Doctor of Philosophy [Ph.D.]
- Master of Pharmacy (M.Pharm.) in Pharmaceutical Chemistry (2 Yrs)
- Bachelor of Pharmacy [B. Pharm.] 4 Yrs. programme

FUTURE ACTION PLAN

- Starting new PG courses in Pharmaceutics and Herbal Drug Technology.
- To strengthen industry-institute partnership.
- Enhancing Campus placement activities.
- Strengthening of ICT facility.
- Development of Virtual Class Room.
- To procure further research grants from central and state funding agencies.
- To develop further sophisticated instrumentation facility for research.
- To develop student activity room for indoor games.

INFRASTRUCTURE

School of Pharmacy has a huge building (G+2) with construction area of 5250 sq. m. situated on 5 acres of land. The School has administrative section, academic section, faculty rooms, five class rooms, fourteen laboratories, a central store, a seminar hall, a drug museum, and a departmental library.

All the class rooms are equipped with OHP and Multimedia projectors with internet facilities. There is a well developed air conditioned library having approximate 3838 text-books and reference books (about 800 titles) for nurturing knowledge of the students and more than 1000 e-journals access facilities provided by UGC-InfoNET (University).

Air conditioned-seminar hall to hold seminars and manage placement activities of the institute. This hall accommodates around 60 students to conduct pre-placement talks, group discussion, personal interviews and seminars.

Separate Girls' and Boys' Common Room are also available in the department.

There are 14 different laboratories for carrying out routine practical and research works. It includes

- ✓ Pharmaceutical Analysis Laboratory
- ✓ Pharmaceutical Chemistry Laboratory
- ✓ Pharmacognosy Laboratory
- ✓ Pharmacology Laboratory
- ✓ Anatomy, Physiology and Health Education Laboratory
- ✓ Pharmaceutical Microbiology Laboratory
- ✓ Pharmaceutics Laboratory
- ✓ Bio-Pharmaceutics Laboratory
- ✓ Pharmaceutical Technology Laboratory
- ✓ Computer Aided Drug Design Laboratory
- ✓ Computer Laboratory (with 30 terminals supported with uninterrupted internet facility)
- ✓ Major Instruments Room
- ✓ Minor Instruments Room
- ✓ Machine Room
- ✓ Research Lab

There is a well maintained “Medicinal garden” with more than 64 varieties of medicinal plants for practical and research work.

Major Equipments:

- ✓ HPLC with Photo diode array detector
- ✓ FTIR with DRS system
- ✓ U.V. Spectrophotometer
- ✓ Microprocessor based dissolution apparatus
- ✓ Microprocessor based Friability test apparatus
- ✓ Auto-analyzer
- ✓ Automated 12 station Tablet Compression Machine

Molecular Modeling facilities:

- ✓ Sybyl X 2.1.1

PEDAGOGY

A blend of conventional and modern techniques is implemented at School of Pharmacy to groom the students with the required knowledge and understanding of the subjects. The learning methods include class room learning, case studies, presentation, counseling, guest lectures, seminars, project work and summer training. Seminars for career counseling, personality development, stress relieving, art of living, spiritual aspects are conducted for students on a routine basis. Experts from Industries like Mr. Sanjay Tiwari, Director, Ranbaxy lab., Ponta Sahib and Mr. Atul Verma, QA Manager, Novartis, Mumbai also delivered their talks on key issues related to pharma industry.

Glimpses of activities throughout the year

HIGHLIGHTS OF SYLLABUS

- ✓ **Communication Skills & Personality Development:** Introduced in B.Pharm. from I Sem. to VII Sem. as compulsory subject for enrichment of communication and soft skills of students.
- ✓ **Elective subjects (B.Pharm. VIII Semester):**
 1. Drug Design
 2. Pharmaceutical Sales and Marketing
 3. Food Science Technology
- ✓ **Introduction of new subjects:** Packaging technology in B.Pharm. and Advances in Pharmaceutical Sciences and Biostatistics in M.Pharm.
- ✓ **Four** subjects are kept in the syllabus of B.Pharm. VII and VIII Sem. so that the students get time for preparation of competitive exams
- ✓ **Professional training** can be done after the examination of the V semester but before commencement of VIII semester for a period of at least **four** weeks.

RESEARCH ACTIVITIES

School of Pharmacy is a renowned research centre for Pharmacy. The School is actively involved in following field of research.

1. Drug design and development research for the diseases such as malaria, tuberculosis, cancer, inflammation, diabetes, asthma and hypertension
2. Analytical method development for various pharmaceutical formulations
3. Novel drug delivery system and formulation development
4. Development and standardization of herbal formulation

RESEARCH PROJECTS

The School had fetched twelve sponsored research projects from various national research funding agencies.

1. Molecular Modeling, Synthesis and Evaluation of some substituted Benzimidazoles as Angiotensin II receptor antagonists and partial PPAR- γ agonists: Dual active agents funded by M.P. Council of Science and Technology, Bhopal.

(Principal Investigator: **Dr. Anupama Parate**, Grant amount: Rs.3,00,000, 2014-16).

2. Formulation through computer aided optimization of new extended release antidiabetic drugs combination containing two complementary therapies and their evaluation funded by M.P. Council of Science and Technology, Bhopal.
(Principal Investigator: **Dr. M. A. Khan**, Grant amount: Rs.1,44,000, 2013-14).
3. Formulation of a novel sustained release oral antidiabetic drugs combination through computer aided optimization and their evaluation, Major Research Project, UGC, New Delhi.
(Principal Investigator: **Dr. M. A. Khan**, Grant amount: Rs.7, 08,000, 2012-15).
4. Computer Aided Drug Design, Synthesis and Evaluation of some Anti- Malarial agents funded by M.P. Council of Science and Technology, Bhopal.
(Principal Investigator: **Dr. Rajesh Sharma**, Grant amount: Rs. 3,72,000/-, 2011-14).
5. Exploration of tamarind seed polysaccharide as gelling agent for the sustained ocular delivery of moxifloxacin funded by M.P. Council of Science and Technology, Bhopal.
(Principal Investigator: **Dr. Rashmi Dahima**, Grant amount: Rs. 4, 20,000/-, 2011-14).
6. Computer Aided Drug Design, Synthesis and Biological Evaluation of DPP-IV inhibitors as Anti-Diabetic Agents, Major research project funded by UGC, New Delhi.
(Principal Investigator: **Dr. Rajesh Sharma**, Grant amount: Rs. 10,09,800/- 2010-13).
7. Computer Aided Drug Design, Synthesis and Biological Evaluation of novel anti-diabetic agents from naturally occurring lead compounds, Research Promotion Scheme, AICTE, New Delhi.
(Principal Investigator: **Dr. Rajesh Sharma**, Grant amount: Rs. 13,50,000/-, 2010-12).
8. Evaluation of some indigenous anti-asthmatic drugs” funded by AICTE, New Delhi through CAYT Award.
(Principal Investigator: **Dr. G.P.Choudhary**, Grant amount: Rs. (Rs.10,50,000/-, 2009-12).
9. Anti-tussive and mast cell stabilizing activity of some Indian medicinal plants, M.P. Council of Science and Technology, Bhopal.
(Principal Investigator: **Dr. G.P.Choudhary**, Grant amount: Rs. 1, 80,000/-, 2010-13).
10. Antihistaminic and mast cell stabilizing activity of some Indian medicinal plants, Major Research Project, UGC, New Delhi.
(Principal Investigator: **Dr. G.P.Choudhary**, Grant amount: Rs.6, 08,800, 2009-12).

11. Computer Aided Drug Design and evaluation of new anti-tubercular agents-major research Project Funded by UGC, New Delhi.

(Principal Investigator: **Dr. Love Kumar Soni**, Grant amount: Rs.10,36,000/-, 2009-12).

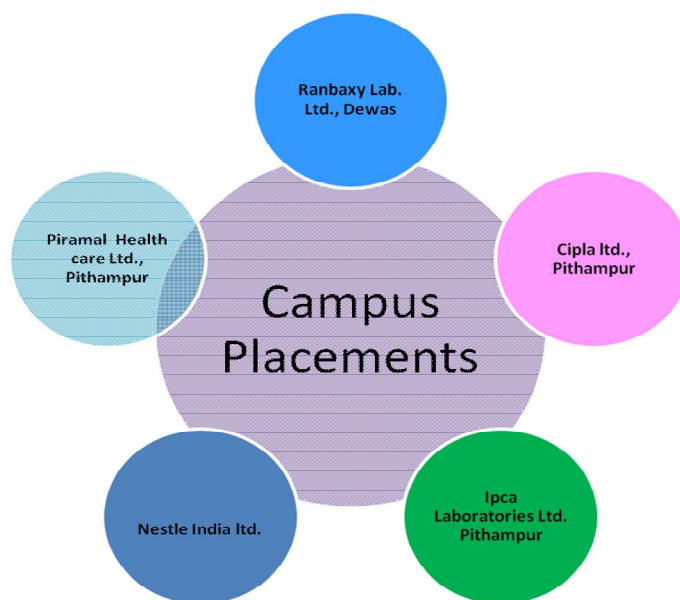

12. Design and synthesis of Anti-cancer agents targeting Breast and Prostrate Cancer, AICTE, New Delhi through CAYT Award.

(Principal Investigator: **Dr. E. Manivannan**, Grant amount: Rs.10,50,000/-, 2009-12).

Under the University Research Policy, four faculty members viz. Ms. Apeksha Saraf, Mr. Gajanand Engla, Mr. Devashish Rathore and Mr. Mayank Sharma were awarded with seed money for carrying out research activities.

TRAINING AND PLACEMENT ASSISTANCE

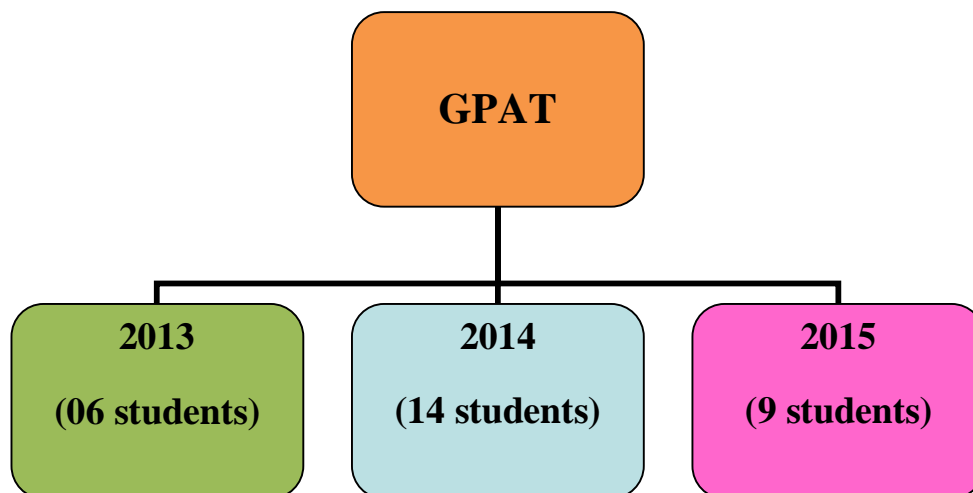

Placement officer in-charge of the institute keeps in touch with corporate of pharmaceutical industry. The institute also helps students in obtaining jobs at companies, job training and summer training. The institute provides necessary facilities to organizations conducting campus interviews for the final placement. Our students are placed in Ranbaxy Laboratories Ltd. Dewas, Piramal Health Care Ltd. Pithampur, Ipca Laboratories Ltd. Pithampur, Cipla Ltd. Pithampur etc.

ACHIEVEMENTS

Academic

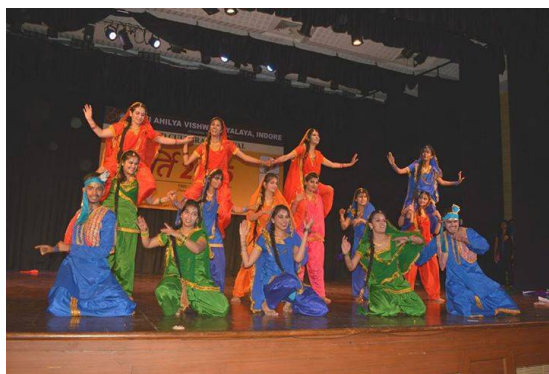

The School has maintained a constant profile of GPAT qualifying students with highest national level ranking in ever year.

The graduated students of School of Pharmacy are also pursuing their higher degree MBA, M.Pharm, M.S., and integrated Ph. D. in various highly reputed national and international universities through CAT, GMAT, GRE, TOEFL and IELTS.

Extra-curricular

In Sphoorti 2015 and 2014, our students were awarded with 2nd prize and 3rd prize in Inter departmental group dance competition respectively.
