

Specifications

Transform your PC into a high-end stereo system with the Dell™ AX210 USB Stereo Speakers. With these speakers Dell offers a true upgrade in audio quality, speaker aesthetics and functionality. Whether you're enjoying the latest DVD movie, playing an action-packed game, or participating in a video-conference, you will be at the center of excellent sound. This product has been tested and validated on Dell systems. It is supported by Dell Technical Support when used with a Dell system.
