| WEEK 2: | BE A LEARNER - Assembly Celebrate our school success |

Thoughts from the Principal

I would like to thank the Figtree community for the warm welcome I received when I started as Principal in Term 3 this year. Figtree HS is a great school with fantastic facilities for learning.

At the end of the 2018 school year it is worthwhile to reflect on some of the highlights for the year, as I did at the Celebration of Student Excellence evening last week.

For me these highlights included;

- Started the year celebrating great **2017 HSC** results, including Andrew Watson gaining the highest ATAR of 93.05.
- Formulation of new School Plan, with 3 focus areas: collaborative teaching practice; improving systems and practices and innovative learning. All our staff are working across these areas to ensure we deliver quality programs for students.
- International Student Visit with 18 Vietnamese students, staying with Figtree HS families. This exchange was a wonderful opportunity for our students to connect and learn about life and culture.
- Figtree HS further strengthened ties with The University of Wollongong, with 40 Year 12 students being selected for the University Preparation Program (UPP). Run over 2 terms this program supported students with their HSC study skills and allowed them to experience a taste of university life.
- Information from NAPLAN was used to develop GROW, a writing portfolio, introduced to improve writing with our Year 7 students.

- HSC success interviews gave students the opportunity to meet with teachers and reflect on their approach towards the HSC.
- A number of programs were run to support student wellbeing, including: Top Blokes, Shine and Young Women's Forum. All of these programs were positively evaluated by our students.
- Aboriginal Sport House Murals were designed and painted by our Aboriginal students in consultation with the local Aboriginal Education Consultation Group.
- Shakespeare Festival showcased the creative and performing arts talent we have at the school with singing, dancing, acting, art displays and music. The performances were brilliantly supported by our VET Entertainment students.
- A landcare grant enabled the design and build of a small kitchen garden. Vegetables grown in this space are used in weekly food practicals. The TAS faculty have plans to expand this area.
- Members from the local community have visited our classes. A local technology company came in to work with our students as did representatives of Figtree Grove who teamed up with our students through a project based learning initiative aimed at reducing the use of plastics.
- After many years of coming second, Figtree HS were crowned 2018 Zone Athletics Champions.
- Celebrating NAIDOC week was a real highlight - activities during the week included boomerang throwing, face painting, art making, Aboriginal dance and storytelling, and a smoking ceremony. Other memorable highlights included teachers getting involved in an Emu dance at the assembly and the National Anthem wonderfully sung in Dharawal by our neighbouring Figtree Primary School students.
- Students and staff dressing up in a character costume to celebrate Book Week to put the focus on the importance of reading.
- 36 Figtree HS students were involved in the production of Southern Stars; truly one of the best variety entertainment shows I have seen.
- Figtree HS hosted the Victor Chang and Zone Sporting Blues Awards, recognising the top performing Science and sporting students.
- Next Year, Figtree HS will celebrate 50 years – not only do we want to honour this milestone, but also reinvigorate our relationship with our Community of Schools. As a result, we have

appointed a teacher to act as community liaison for 3 days week to ensure this happens.

I would like to take this opportunity to **thank the P&C** for their ongoing support, both financially as well as in representation on **merit selection** panels to appoint staff.

The P&C, led by **Jackie Brown**, has committed much funding to school programs and projects this year including: furniture to support innovative learning in our school, greatly enhancing the Senior Study and Learning Central; new sporting teams uniforms and financial support for students making representative levels. The P&C also raised in excess of \$2000 by running BBQ's at Bunnings across 2 weekends in Term 2 and Term 3.

I would also like to thank the **staff at FHS** – I have said many times that I believe they are among the best staff I have worked with in 20 years of teaching – keen to “go the extra mile” to assist their students and undertake considerable **Professional Learning** in their own time to increase their knowledge skills.

My perception of staff is reinforced when I talk to students, when asked “tell me one good thing about Figtree?”; 4 out of 5 respond “the teachers are nice/helpful/friendly”.

I would like to take this opportunity to farewell two teachers – Mr Michael Scanlan and Mr David Verdejo, who are taking up new opportunities in other schools. I would also like to recognise Ms Denise Jenkins and Ms Teresa Solera who are both moving to retirement. All of these people have been great ambassadors for Figtree HS and for public education. On behalf of the Figtree HS Community, I would like to thank them for their wonderful service.

Return Dates for 2019

The return to school for the 2019 year is staggered as follows;

- Staff return Tuesday 29 January – Staff Development Day
- Years 7, 11 and 12 return Wednesday 30 January
Year 7 will move to the Auditorium and Years 11 and 12 will have an Assembly at 8:38am.
- Years 8, 9 and 10 return Thursday 31 January
(8.38am Assembly; Yrs 11 and 12 have roll call at 8.38am and then Period 1 as per their timetables)

New School Uniform

In 2019, we are introducing a new school uniform to increase school pride and give us a fresh look.

At Figtree High School we have high expectations of our students in the areas of safety, respect and learning. The introduction of a new school uniform from the start of 2019 will instil in students a greater sense of pride in our school and continue to improve the image of our school in the local and broader community.

The introduction of the new school uniform adheres to the Department of Education guidelines, with a transition phase which will occur over a three year period. In 2019 all Year 7 and Year 11 students will be expected to wear the new school uniform.

Students currently in Years 7, 8, 9 and 10 received a note about school uniform for 2019 with their Semester 2 report last week. The three year transition period means that students currently in Years 7, 8 and 9 can continue wearing their current school uniform in 2019, as well as students in Year 12. The new school uniforms are available for students in Years 8, 9, 10 and 12 in 2019 to wear if they have outgrown their current uniform, but parents are not required to purchase the new uniform for the start of 2019 if their child's current uniform still fits them.

LOWES at Figtree Grove (our uniform provider) stopped the production of the current uniform during 2018. This means that any new school uniform items that need to be purchased from 2019, will be the new school uniform. LOWES has commenced selling the new school uniform and has been working closely with the school to ensure that the new uniform is available for purchase prior to the start of the 2019 academic year.

To assist families in the initial purchase of the uniform, LOWES has a three day sale from January 10 – 12 2019 and are offering a 15% discount on all items. The details for the new school uniform and the LOWES price list are attached at the end of this newsletter. The sport uniform is still being sold through Figtree High School.

The following photographs show the **major changes** for the new school uniform in 2019.

Senior Girls and Boys

Junior Girls

Junior Boys

Note: Girls are still able to wear navy shorts with the blouse or polo shirt as part of our school uniform.

**I WISH THE ENTIRE FIGTREE HIGH
SCHOOL COMMUNITY A HAPPY
AND SAFE HOLIDAY
OVER THE FESTIVE SEASON.**

**Mr Daniel Ovens
Principal**

CAPA REPORT

Thank you to the Entertainment Industry students in Year 11 who operated the lighting and sound for the Mt St Thomas Public School end of year production, the presentation assembly for Figtree Public and Figtree High School and our merit assemblies over the past few weeks. These students always work with professionalism and communicate in a mature and knowledgeable manner. They are always willing to work on these events and their understanding and use of the equipment is developing quickly.

Outstanding Performances All-Round

We have been both delighted and spoilt with our music entertainment pieces in the past two weeks. We are very proud to have had a musical performance for every year group in each merit assembly. The singing was of an outstanding quality and the bands were incredible. It is so wonderful to see our students collaborate at such a professional level on stage for our school and wider community.

It is not only the work of the students but endless hours of their Music teachers supporting the students, teaching them the music and performance skills required for such events. A huge thank you to Mr Malouf and Ms Murphy. Their time spent on these extra-curricular events and dedication to our school is not only important to the smooth running of our whole-school events, but they also support students in creating long-lasting memories to cherish.

Congratulations Rachel Shipp

Rachel had two artworks on display at the Spring into Corrimal's Ability Artists exhibition earlier this year. As a result of the high quality of Rachel's works, Ability Artists have initiated a new Sculpture Prize. Rachel received her prize for the Most Outstanding work during Week 9 of this term. Rachel's sculpture artworks were inspired by her love of Sharpay from A High School Musical, and Rachel's favourite colours.

We are so very proud of Rachel's achievement in Visual Arts this year Rachel. She has worked hard all year collecting pieces for her artworks, learning new skills and trying new techniques. Well done to Rachel!

Active Art

This term Active Art has worked collaboratively to create a series of murals. In small groups, students painted the spines and covers of popular books including Harry Potter and the Order of the Phoenix, The Great Gatsby and Where the Wild Things are. Students are now in the stages of refinement. Keep an eye out for the murals in 2019 when they are installed in the Figtree High School Library!

In addition to the murals, this term Active Art has participated in photography treasure hunts around the school. While rain halted a few of our excursions, we were able to enjoy a fun afternoon at the Botanic Gardens in Wollongong. Active Art will run again in 2019. Fingers crossed for lots of sunshine.

Year 12 Visual Arts

Our HSC Visual Arts students are already working busily on their Body of Work. Their first assessment task will be assessing their progress on this so far. This assessment is an interview where students will have to discuss their artmaking practice. I wish the students the very best of luck as they start this exciting journey!

Mrs Szoboszlay

We wish our Languages, Music and Visual students and their families a very Merry Christmas and Happy New Year. Enjoy your holidays and time with family and friends.

The Languages and Creative and Performing Arts faculty.

HSC GEOGRAPHY EXCURSION

On Friday, 7 December the HSC Geography class partnered with the Illawarra Environmental Education Centre to conduct an investigation into an ecosystem at risk. The students travelled to Minnamurra and paddled across the river to participate in a hands-on investigation of the Littoral Rainforest on the Minnamurra Spit. Whilst on the Spit, the students employed the skills and concepts developed in the classroom into a real world application.

Figure 1: Enjoying a lunch break on the Minnamurra River

Figure 2: Working with the IEEC to develop our knowledge and understanding

The students examined a range of factors that place ecosystems at risk including invasive species and human activity. They also investigated strategies used to protect and sustain the Littoral Rainforest and finally attempted to evaluate the responses to the threats in terms of their sustainability.

With more than favourable weather on our side, all students and teachers had a most enjoyable day and strengthened our knowledge and understanding of the fragile nature of the world around us and what we can do to effectively protect it.

Figure 3: Working with the IEEC to develop our knowledge and understanding

Figure 4: Working with the IEEC to develop our knowledge and understanding

Next year the class will travel to Sydney to examine a myriad of changes taking place in an urban environment!

Mr Austin Brooks
HSIE

WELLBEING NEWS

I would like to welcome Ms Kate Brewer back to the wellbeing team after being on maternity leave. She will commence 2019 as Year 10 Year Adviser with Ms Melissa Cook.

The last few weeks have been actioned pack for the wellbeing team.

Year 7 2019 – Orientation Day and Information Evening

I would like to thank the two Year Advisers, Mr Blake Thomas and Ms Jill Murphy for their organisation of these two important events. On Tuesday 4 December we welcomed our Year 6 students to their first visit to our high school on Orientation Day. It was a very full day for staff, students and Year 9 Peer Support Leaders. Students followed a timetable and also had a tour of the school.

I would also like to thank the Year 9 Peer Support Leaders who assisted Year 6 on Orientation Day, and into next year, and their Year Coordinator Ms Melissa Cook for her leadership. The Figtree Lions club attended the orientation and cooked a delicious BBQ for the Year 6 students and their peer support leaders.

Student Recognition Assemblies

On Thursday 6 December, Friday 7 December and Friday 14 December, assemblies were held for each year group to recognise students achievements. Principal, Year Advisers and Gold/Silver/Bronze awards were distributed during these assemblies. A special thank you to the students who performed musical items and the SRC members who ran each assembly. I would like to personally thank Jeyda Iseri and Dina Salem who both assisted with every merit assembly by organising the morning teas at the conclusions of the assemblies. Congratulations to all the award recipients.

Merit Excursion

On Monday 17 December, 105 Figtree High students attended Jamberoo Action Park for the merit excursion. These students had achieved a bronze, silver or gold certificate. It was a fantastic day and the students behaviour was exemplary. I would like to say a big thank you to Mr Herbert for organising the excursion and Ms Young, Ms McCarthy, Ms Lloyd, Mr Smith, Mr Joseph

and Mr Brooks who all supervised the students while at Jamberoo.

Reports

Reports were distributed on Friday 14 December for all Year 7-10 students. If your child was absent from school on this day, their report will be posted home.

Medical Updates

This is just a reminder that students who have anaphylaxis, epilepsy, diabetes or a severe medical condition that it is vital that student's plans are up to date. In particular, medication and ASCIA action plans (for anaphylaxis students). Over the Christmas holidays if plans can be updated and returned by 1 February, that will ensure that we start the new school year with the information necessary.

Congratulations to Dylan Coyle (Year 8) for winning 2 circus tickets for writing the best letter as to why he should receive the tickets to attend. I hope Dylan enjoys the circus – I believe he is taking his sister.

I would like to take this opportunity to thank Ms Jill Murphy for undertaking the Head Teacher Wellbeing role on a part time basis over the past 2 years. Her leadership has allowed the wellbeing team to continue to thrive this year. In 2019 I will be resuming to school on a fulltime basis and Ms Murphy will become the Year 7 Adviser.

Wishing everyone a very Merry Christmas and safe new year. Please remember that if you are struggling over the Christmas break the following organisations can assist you:

Kids Helpline 1800 55 1800
Beyond Blue 1300 22 4636
Lifeline 13 11 14

Looking forward to seeing you in 2019.

Mrs Jemma Lawson
Head Teacher Wellbeing

STAGE 4 MATHEMATICS ENRICHMENT COMPETITION RESULTS

The 2018 enrichment class competed in this competition over a period of 16 weeks, during Terms 2 and 3. Each student worked independently on exercises to then attempt the associated problem that would be submitted for marking. There were between 8 and 12 problems to solve.

Year 7 students entered the Newton Stage.

Newton includes polyominoes, fast arithmetic, polyhedra, pre-algebra concepts, patterns, divisibility and specific problem-solving techniques.

Congratulations go to the following students on their results:

Distinction: Keegan Whitton

Credit: Jack Hadfield, Samuel Newton, Kye Sawyer

Participation: Ashley Forrest, Karina Hunt, Adam Kendall, Mia Lazova, Zoe Newton

Year 8 students entered the Dirichlet Stage.

Dirichlet includes mathematics concerned with tessellations, arithmetic in other bases, time/distance/speed, patterns, recurring decimals and specific problem-solving techniques.

Congratulations go to the following students on their results:

High Distinction: Kassandra Persinidis, William Sunderland, Mackenzie Thew

Distinction: Clay Baldock, Ebony Edmonds, Biniam Seyoum

Credit: Anastasia Sekuloska

Participation: Zachary Hockey

Mrs Sharon Kachovich
Relieving Head Teacher Mathematics

P&C REPORT TERM 4 2018

Thank you to the school community for your support throughout the year.

This year we have been able to contribute to school improvements such as new furniture for the Learning Hub, new sports uniforms for our representative teams, sponsorship of students representing the school at state and national sporting events and academic scholarships for a student from each of our feeder schools commencing Year 7 in 2019. We have also provided representatives on a number of recruitment panels for school positions and provided input into the new school uniform.

We were able to support the school from the results of a number of fundraisers during the year, including the sale of Entertainment books, the Year 7 book packs and two Bunnings fundraiser BBQs.

Thank you to our canteen coordinators Mrs Reczek and Mrs Cutajar who provide low cost healthy options for our students with the support of our canteen volunteers.

Our first meeting for 2019 will be held on Wednesday 20 February at 6.30pm. This is a great opportunity to hear what is happening at the school. Hope you can join us.

Need to know for the beginning of 2019:

- There are some Year 7 book packs still available for purchase in the canteen, \$95 with a calculator and \$65 without a calculator
- The first meeting of the Figtree High School 50th Anniversary Committee will be held on 31 January 2019 at 6.30pm in the Bistro. This meeting is supported by the P&C. All are welcome to attend. You can contact Ms Harlor, event coordinator, via the school email on figtree-h.school@det.nsw.edu.au (with the subject of "School Anniversary") or turn up on the night
- In 2019, all P&C committee volunteer positions will be up for renewal at the AGM on Wednesday 20th March at 6.00pm. In particular we are looking for a Treasurer. If you have

questions about the role, you can email us on Figtreehspandc@gmail.com

- We are looking for canteen volunteers for 2019. If you are able to help in the canteen, please email Mrs Reczek and Mrs Cutajar on fhscanteen@gmail.com
- If you would like to be on our mailing list to be notified of meetings and events, send an email to Figtreehspandc@gmail.com

Ms Jacquie Brown
P & C President

LINKS TO LEARNING GRADUATION 2018

Congratulations to our Year 9 Links To Learning graduates for 2018. A wonderful celebration was held at Panorama House on the 28th of November, where family and friends could celebrate the effort, commitment and achievements of our students, along with the students from five other secondary schools in the Illawarra. Juliet Mushaba also deserves a special mention for the confidence and ability she displayed as one of the MCs for the evening.

The Links To Learning program aims to provide students from non-English speaking backgrounds with additional assistance and support to offset any learning barriers due to language or cultural difficulties, which they may face.

The program, which is delivered two days per week (Tuesday and Wednesday) during school hours, focuses on communication skills, developing positive self-esteem, language and living skills, career and educational pathways along with a 'next step' towards career goals.

Encouragement, support and information are provided to students to assist them to remain in school, move into training, apprenticeships or secure employment. This program funded by the Department of Education.

The Links to Learning LOTE (Language Other Than English) program operates out of the Lake Illawarra Police Citizens Youth Club (PCYC). It caters for 60 students from six local high schools: Lake Illawarra High, Oak Flats High, Wollongong High, Warrawong High, Illawarra Sports High and Figtree High Schools.

Ms Salma Alhindi
EAL/D Teacher

The School Uniform

Our current uniform is changing and a new uniform will be introduced for year 7 and year 11 in 2019.

The school has one supplier of our school uniform:

- Lowes at Figtree Grove

The sports uniform is purchased from the school.

The school colours are **NAVY and WHITE** and the current uniform comprises of:

JUNIOR UNIFORM GIRLS

- FHS tartan box pleat tunic
- Navy FHS embroidered shorts
- Navy FHS embroidered pants
- White junior blouse with crest
- White polo with FHS crest
- Black leather school shoes and black or white socks

SENIOR GIRLS UNIFORM

- FHS tartan box pleat skirt
- Navy FHS embroidered shorts
- Navy FHS embroidered pants
- White senior blouse with crest
- White polo with FHS crest
- Black leather school shoes and black or white socks

JUNIOR BOYS UNIFORM

- Navy FHS embroidered shorts
- Navy FHS embroidered trousers
- White shirt with FHS crest
- White polo with FHS crest
- Black leather school shoes and black or white socks

SENIOR BOYS UNIFORM

- Grey FHS embroidered shorts
- Grey FHS embroidered trousers
- White shirt with FHS crest
- White polo with FHS crest
- Black leather school shoes and black or white socks

JUNIOR BOYS AND GIRLS

- Navy sloppy joe with FHS crest
- Navy soft shell jacket with FHS crest
- Black leather school shoes and black or white socks
- School Blazer
- Navy Tie

SENIOR BOYS AND GIRLS

- Navy sloppy joe with FHS crest
- Navy soft shell jacket with FHS crest
- Black leather school shoes and black or white socks
- School Blazer
- Navy Tie

BOYS AND GIRLS SPORTS UNIFORM

- FHS tracksuit with crest
- FHS polo with crest
- Navy FHS embroidered sports shorts

Optional School Uniform items

- Blazer
- Tie

Jewellery: A watch, a plain ring and sleeper or stud earrings, plain sleeper or studs are permissible. All earrings, studs, sleepers must be removed when playing sport/Physical Education if they endanger the student's or other student's wellbeing according to Health and Safety regulations.

Make-up: Excessive make-up should not be worn.

All students are expected to wear the full school uniform. If, for a special reason, a student is unable to wear part of their uniform, then a parental note must be presented to the Roll Call teacher at Roll Call. Parents of students who do not comply with the School Uniform Policy will be notified in writing. Students who are repeatedly (3 times per term) out of uniform without a note are issued with an after-school detention.
