PUBLICATION OF THE GREATER MONDAWMIN COORDINATING COUNCIL

JUNE 2017

There is much going on in this world – strife, deception, envy, anger and division. Now as in times before we must come together, encourage one another, our communities and our nation. Senseless killings of unarmed black men – blatant disrespect for authority – lack of unity among all people – we must stand together for what is right. We are called to be light in this dark world. The Greater Mondawmin Coordinating Council strives to be a beacon of light with our collaborations and positive progression for the communities, institutions, churches, and non-profits that we partner with. Baltimore City is a wonderful place to live, love, learn and shine – shine your light beautifully and bright!

Jacqueline I. Caldwell  
President, GMCC

Greetings!

Spring has finally sprung – what a beautiful time of the year. GMCC Neighborhood Affiliates are planning block clean ups and beautification projects to enrich our beautiful neighborhoods.

**UPDATE** – The porch project is in full swing on Gwynns Falls Parkway which is the gateway to our community. Be on the lookout for beautification and transformation on Gwynns Falls Parkway.

**UPDATE** – Greater Mondawmin has been asked to participate in the production of an exciting play this summer called *Promenade: Baltimore* where audiences will board a bus travel around the city, stopping to watch plays unfold outside on the streets. This play is being produced for the Single Carrot Theatre in the Remington neighborhood of Baltimore on 26th and Howard Streets. The play that the audience will see will be based on the true stories of Baltimore residents – Greater Mondawmin residents have been asked to tell their stories. This is going to be FABULOUS! The production runs from June 2 – June 25 and will stop in the Greater Mondawmin community. For more information contact Single Carrot Theatre.

**UPDATE** – President Caldwell is a recipient of an Elevation Award. President Caldwell collaborates with Baltimore Corps to support its outreach and engagement efforts in the neighborhoods in which Baltimore Corps is headquartered. Baltimore Corps is proud to support the Greater Mondawmin Coordinating Council and its efforts to building a stronger Mondawmin neighborhood. The Elevation Awards Showcase and Celebration will be held on June 28, 2017.

Happy Father’s Day to all fathers, uncle, mentors, role models – I had the best father in the world James E. Caldwell, Sr. – I appreciate all the wisdom he gave – I can’t tell you how many times I say “Daddy was right again.” Celebrate Father’s Day and Mother’s Day - EVERYDAY where we would be without their love and encouragement. Rest in peace Daddy.

Keep the faith,

A handwritten signature in cursive script that reads "Jackie".

# RWCCO –JUNE COMMUNITY NOTES

Welcome to the RWCCO June Community Notes. We hope that you will consider visiting with us over the summer. We are planning an upcoming Community, “Being Healthy Block” party and would love for you to visit, Saturday, July 29<sup>th</sup>, 2100 Blk. Walbrook Ave. Not only will this be an opportunity for you to take part in a fun day but, also, learn flower planting skills, environmental information, healthy updates and how to prepare a personal Will. Activities for the kids will include a Moon Bounce, water sprinkler and art. Come prepared to spend the day from 10 A.M. – 6 P.M.

## NEIGHBORHOOD BEAUTY/ SAFETY

There are a large number of workshops coming up for us to take advantage of to learn steps of neighborhood beautification. Funding is becoming available for the West Baltimore area. Agencies are reaching out to ask, “What do you want your community to look like?” We will be passing this information on to you. If you cannot attend ask one of your neighbors in the block, in order to support improvement within the area. Vacant houses and sanitation has become one of our major issues. If we all work together changes can be made. Also, *If You See Something Say Something.*

Guest for the May RWC meeting shared valuable information regarding:

- Baltimore City Fire House visits. The BCFD is open for visits of kids by calling (443) 835-8966
- Home Repairs. Funding is available through the Healthy Neighborhood Initiative. Ms. Brockington, the GMCC Coordinator, informed the residents in attendance that one can also qualify for matching grants to support your home repairs. Should you have an interest in this please contact her: 410 .523.4556; jbrockington@greatermondawmin.org

RWCCO will be offering Student Service Learning Hours for all community projects throughout the summer. If you know of a youth in grades 5 - 12, please provide their name and contact information at our next meeting, informal gathering Sat. June 3<sup>rd</sup>. The RWCCO will not be conducting any former meetings until September. Also, due to the increase in our organizational dues by GMCC to \$100. We are forced to increase our affiliate dues to help meet this request. As of September the new RWCCO membership dues will be \$15.00 per household.

Condolences go out to Mrs. Ford, in the loss of her grandson, Damon. Please keep the family in your prayers.

HAPPY BIRTHDAY TO ALL CELEBRATING IN JUNE, JULY AND AUGUST, looking forward to seeing you in September for our formal meeting.

According to the Health Dept. reading is a Health Issue. Youths who do not read well enter the criminal justice system at a higher rate.  
**Problem:** It is estimated that 40% of our young people are not reading on grade level by fourth grade.  
**Solution:** The Summer Reading Challenge. It helps prevent summer slide. Do your part and bring your children to the nearest branch.
