## ***ABOUT THE AUTHOR***

יהוה בן יהוה (YAHWEH BEN YAHWEH) was born October 27, 1935, in Kingsfisher, Oklahoma.

He earned a Bachelor's Degree from Phillips University, Enid, Oklahoma; a Master's Degree in Economics from Atlanta University, Atlanta, Georgia; and studied Law at Oklahoma University.

While serving in the United States of America Air Force, יהוה בן יהוה (YAHWEH BEN YAHWEH) earned the rank of captain and served as a tactical instructor. His tours of duty were done in California and Texas. He is an honorably discharged veteran.

יהוה בן יהוה (YAHWEH BEN YAHWEH) came to Miami, Florida, alone in 1979 to become the Spiritual Leader and Founder of the Nation of יהוה (YAHWEH). Although He took a vow of poverty that same year, within 12 years He guided the Nation and those who followed His teachings and principles to amass an economic empire in Miami and throughout the United States worth over \$250 million.

Under His direction, the Nation of יהוה (YAHWEH) has grown to encompass

disciples, followers, and supporters in over 1,300 cities within the United States and 16 foreign countries: such as, the Caribbean, Great Britain, Canada, Nigeria, and Ghana. The University of יהוה (YAHWEH), for which He established the curriculum, and for which He has received great acclaim in educational excellence, is currently located in both Miami, Florida and Atlanta, Georgia.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is bringing about changes in the lives of individuals by causing them to take a different approach to life. This approach is based on the Scripture which reads, "It is more blessed to give than to receive."

יהוה בן יהוה (YAHWEH BEN YAHWEH) is here giving. That which He is giving cannot be measured in terms of monetary wealth. יהוה בן יהוה (YAHWEH BEN YAHWEH) is giving the world the keys to success in life -- politically, economically, educationally, socially, and spiritually.

## Dedication

This book is dedicated to the spiritual resurrection of the righteous people of the Earth and to the establishment of the Kingdom of Shalom -- the Kingdom of God, יהוה (YAHWEH).

## ***ACKNOWLEDGEMENTS***

I will forever thank My Father יהוה (YAHWEH) for the dedicated people whose tireless efforts contributed greatly to the completion of this book.

## ***INTRODUCTION***

Since November 7, 1990, wicked people within the U.S. government have begun a campaign of overt persecution against יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers. It began with an illegal raid against all Yahweh properties nationwide in which doors were forcefully broken down, innocent men, women, and children were handcuffed and paraded around like cattle, and members were arrested wholesale -- all without presenting a single search warrant or arrest warrant.

The persecution continued in prison where יהוה בן יהוה (YAHWEH BEN YAHWEH) and seventeen of his followers remain on trumped up charges. The abuses range from being placed in solitary confinement for several weeks to outright denial of emergency medical treatment. Their persecution has even found its way to the courtroom where bail has been categorically denied because of their common belief, and a fair trial will probably never take place.

This publication is meant to illuminate the righteous people of the Earth to the daily atrocities that continue even as you read these pages. You must be properly informed about this struggle of good and evil. The future of the world depends upon it. ■

***U.S. GOVERNMENT PERSECUTES***  
יהוה בן יהוה  
***IN JAIL***

In an effort to persecute יהוה בן יהוה (YAHWEH BEN YAHWEH) and 13 of his followers, the U.S. Government has placed them in inhumane living conditions. יהוה בן יהוה (YAHWEH BEN YAHWEH's) religious rights and human rights have been violated and totally ignored. All of the members of the Nation of יהוה (YAHWEH) have been separated and placed in different cells. Several members, including יהוה בן יהוה (YAHWEH BEN YAHWEH), have been placed in solitary confinement for no reason. No one has ever been placed in solitary confinement upon his arrival without provocation. יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers have their meals shoved under a door. These meals, barely fit for animal consumption, let alone human consumption, are entirely different from the "vegetarian meals" stated by the Government officials in the media.

No facilities or materials have been provided for יהוה בן יהוה (YAHWEH BEN YAHWEH) to bathe daily or even for him to brush his teeth. The lack of basic

living necessities is not due to the inability of the Government to provide these items. If that were the case, then why won't the Government allow יהוה בן יהוה (YAHWEH BEN YAHWEH's) followers to supply him with these items? In addition, יהוה בן יהוה (YAHWEH BEN YAHWEH) is only allowed to go outside in the fresh air for one hour a day, while other *convicted* prisoners roam outside on the prison grounds all day long.

During transit from the jail to the courthouse and back, יהוה בן יהוה (YAHWEH BEN YAHWEH) was treated roughly by the guards which bruised his wrists. Other members were treated in similar a manner.

His cultural attire, dictated by the Holy Bible, has been taken from him and replaced with worn, ragged uniforms. Though ousted Panamanian President Manuel Noriega has been allowed to wear his military uniform, יהוה בן יהוה (YAHWEH BEN YAHWEH) has not been granted a similar privilege. Even former member Robert Rozier has been allowed to wear his white cultural attire, both in prison and in court, *even after he claimed he was no longer affiliated with the Nation of יהוה (YAHWEH)*. Yet, יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers are being denied the right of freedom of religious expression.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is being denied his freedom of the press. Freedom of the press, while giving the media the right to report the news in a responsible manner, also gives citizens the right to hear these reports. The U.S. government has, in effect, instituted a total censorship of all news going to יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers, including news pertaining to their trial. יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers have not been allowed to read newspapers, hear the news on the radio, or see the news on TV, since being arrested November 7, 1990.

Several of the members of the Nation of יהוה (YAHWEH) have already been denied bond, and the prosecution plans to ask for the same for all. The U.S. government is not considering the fact that all of the members of the Nation of יהוה (YAHWEH) are responsible citizens with jobs and families. Though the Government claims that they are “threats to society,” this is pure speculation pending the outcome of this trial. The indictments, which are all based on the testimony of a few questionable sources, should not serve as a reason for denial of bond.

Why is it that William Lozano was able to be out on bond during his hearing even though it was an established fact that he killed two innocent people? Why is it that William Lozano is still out on bond as he appeals **his conviction** of second degree manslaughter? Just as he has a family and children, and has had a respectable job

in the community for years, members of the Nation of יהוה (YAHWEH) fall in these same categories. The very fact that the most recent allegation is over four years old, proves that these members do not pose any threat to the community.

There is absolutely no reason for this inhumane treatment of one of the most respected national leaders of our people. When the U. S. government terrorized יהוה בן יהוה (YAHWEH BEN YAHWEH) and other members of the Nation of יהוה (YAHWEH) on November 7, 1990, with an extraordinary display of force and firepower, יהוה בן יהוה (YAHWEH BEN YAHWEH) and all his followers gave the authorities full cooperation. During the entire time that יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers have been detained in jail, they have been role models in the display of their conduct. Not one incident of disorderly conduct in the slightest has emerged as a result of these unjust arrests. Yet, the Government has not given יהוה בן יהוה (YAHWEH BEN YAHWEH) proper treatment afforded someone of his prominence. They have not even treated יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers as they would treat ordinary citizens who have been arrested. Instead, they have elected to deal with יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers in the worst way possible, even disregarding their own constitutional rights whenever inconvenienced.

The Government has not been provoked to act in such a manner. The Government

has not even offered any justification for such harsh treatment. The Government cannot even claim that they are treating יהוה בן יהוה (YAHWEH BEN YAHWEH) in the regular manner. What the U.S. government is doing is tantamount to persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers because of their religious beliefs or their nationality or both. ■

***FBI TERRORIZES  
INNOCENT FOLLOWERS OF יהוה בן יהוה  
NATIONWIDE***

On November 7, 1990, the FBI conducted a pre-dawn terroristic attack against innocent followers of יהוה בן יהוה (YAHWEH) nationwide. FBI agents, SWAT team members, DEA agents, and local police joined forces in a heavily armed illegal invasion, seeking to provoke members of the Nation of יהוה בן יהוה (YAHWEH) and looking for an excuse to do them harm. The FBI was sorely disappointed as they found no weapons, and were met with full cooperation.

In New Orleans, יהוה בן יהוה בן יהוה בן יהוה (YAHWEH BEN YAHWEH), the Spiritual Leader of the Nation of יהוה בן יהוה (YAHWEH), was forcefully apprehended by dozens of FBI agents. Contrary to their press release, FBI agents stormed into his quarters at 3:30 in the morning. Although no resistance was offered, and no weapons of any kind were found on the premises, pump shotguns, M-16s, and a variety of handguns were pointed at his head, neck, heart, and other vital organs. Because it was in the early

morning, יהוה בן יהוה (YAHWEH BEN YAHWEH) was not dressed. The FBI threatened to take him into custody without any clothes on before finally giving him just a bathrobe to put on. After taking יהוה בן יהוה (YAHWEH BEN YAHWEH) into custody, the FBI proceeded to strip-search him.

In Miami, over 300 FBI agents, SWAT team members, DEA agents, and local police participated in an illegal guerrilla invasion of the holy Temple and other properties. At the Temple, doors were battered down and windows were broken unnecessarily as FBI agents forced their way in, **without a search warrant or arrest warrants**. All the men on the premises were arrested without a warrant or probable cause.

Defenseless women and children were taken into the streets with guns pointed to their heads, made to lie down in the street with their faces to the ground, and their hands cuffed behind their backs. The women and female children were searched thoroughly by agents out in the open. Their holy headdresses were then removed out in the public. All of the agents participating in this terrorist attack carried automatic weapons and hand grenades; yet not a single weapon was found in the sanctuary or on any Yahweh members.

The FBI proceeded to break down office doors (many of them were unlocked) all over the building. Offices were ransacked and left in total disarray while the FBI carted off materials. At no time did the FBI ask that any of the offices be opened.

At no time did the FBI present a warrant for any materials, or even ask for these materials. What they did was commit strong arm robbery inside the temple, and felt justified because they wore a badge.

As Yahweh buses were coming to daily morning prayer service, the drivers were asked to pull over, and all males aboard the bus were arrested and taken into custody, again **without a warrant or probable cause.**

At Yahweh apartment buildings, which house both members and non-members, FBI agents encircled the buildings and busted into apartments. Again the agents were heavily armed, **BUT FOUND NO WEAPONS OR RESISTANCE.** The tenants were forced out of their apartments in the middle of the night in their underwear. Children were threatened at gunpoint, and were threatened with arrest. The FBI even threatened to shoot tear-gas into apartments with innocent infants and toddlers inside. Again, this took place **without a search warrant or an arrest warrant.**

Outside of New Orleans, a bus load of members were traveling to a speaking engagement. The bus was pulled off to the side of the road, and FBI agents approached the windows with heavy artillery. All aboard were made to crawl along side the bus and along the highway as oncoming traffic passed by. All of the men were arrested **without a warrant or probable cause.** The women and children were made to lie face down on the highway with their hands cuffed behind their backs, and

then their headdresses were removed in the open in a most humiliating fashion. Then women and female teenagers were thoroughly hand searched by male agents in the open. Again, **NO WEAPONS OF ANY KIND WERE FOUND**. The men who were arrested outside of New Orleans were strip searched and separated.

After this nationwide terrorist attack on the Nation of יהוה (YAHWEH), the media, who in collusion with the FBI, proceeded to harass Yahweh members, tenants at their apartments, children in their school, patrons in their stores, and guests in their hotels. They were asked questions in such a way as to demoralized members. Though the media interviewed people in the community and found overwhelming support for the Nation of יהוה (YAHWEH), their positive responses wound up on the floor of the editing room.

This terroristic raid was the culmination of a federal investigation that spanned several months. During this investigation, יהוה בן יהוה (YAHWEH BEN YAHWEH) and other members were asked to appear before the Grand Jury several times. Each time, the Nation of יהוה (YAHWEH) cooperated without hesitation. יהוה בן יהוה (YAHWEH BEN YAHWEH) even notified officials that if they were to issue a warrant for his arrest or the arrest of other members, he and his followers would voluntarily and peacefully surrender. A spokesperson for the Nation of יהוה (YAHWEH) stated, "The reason we have willfully cooperated in the past and agreed

to do so in the future is that we know we are innocent of all charges. יהוה בן יהוה (YAHWEH BEN YAHWEH) is totally innocent of these allegations, which are nothing more than trumped up charges.”

יהוה בן יהוה (YAHWEH BEN YAHWEH) has taught people for over 10 years that they do not have to carry weapons to defend themselves. No weapons have ever been found on Temple grounds or on any of the Yahweh properties. In fact, they do not even allow visitors to “defile the Temple” by bringing in weapons. יהוה בן יהוה (YAHWEH BEN YAHWEH) teaches and demands the practice of moral behavior which means to be a law-abiding citizen by choice. The Nation of יהוה (YAHWEH) has an unblemished record of cooperation with law enforcement officials whenever called upon.

There is no justification for terrorizing women and children. There is no justification for raiding defenseless properties with enough firepower to devastate a small country. There is no justification for suspending constitutional rights with this forceful invasion without a warrant. There is no justification for vandalizing the Yahwehs' holy temple and stealing their items.

The FBI, by conducting this nationwide terrorist attack, has revealed its diabolical plans. The purpose of this raid was not to arrest יהוה בן יהוה (YAHWEH BEN

YAHWEH) and other members of the Nation of יהוה (YAHWEH) and bring them to trial concerning various allegations, but, rather, the purpose was to try to destroy the Nation of יהוה (YAHWEH) because it stands as a role model of economic empowerment and independence for our people. The evil plans of the FBI are to try to destroy the good works that יהוה בן יהוה (YAHWEH BEN YAHWEH) has done for our people. The wicked plans of the FBI are to try to separate the Nation of יהוה (YAHWEH) from the rest of our people.

But try as they may, they cannot separate us, because we are family: though members of the Nation of יהוה (YAHWEH) may have different beliefs from others in our community, we are still one family -- we are all brothers and sisters. The works of יהוה בן יהוה (YAHWEH BEN YAHWEH) prove this. All of their grocery stores offer "First Rate Goods" and "First Rate Services" at "First Rate Prices," to all members of the community regardless of belief or nationality. All of the Yahweh apartments offer a clean, safe, affordable, drug-free, crime-free, family environment to all, regardless of belief or nationality. All of their hotels and motels offer luxurious accommodations with the spirit of hospitality shown to all, regardless of belief or nationality.

According to his disciples, "יהוה בן יהוה (YAHWEH BEN YAHWEH) has instilled in us an undying love for our people, and this love is manifested in all of

our businesses -- this is what our enemies are trying to destroy. They do not want us to show love to our people because they know it might just catch on. Once this love catches on among our people, our enemies know that their days of manipulating and exploiting our community are over.”

The plans that the FBI are executing on יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH) are signs of what they plan to do to every man in our community that stands for good. This is just step two and phase one of their wicked plans. The FBI plans to shut down all Black men that are doing good. What they are doing to יהוה בן יהוה (YAHWEH BEN YAHWEH) is a perfect example of what they plan to do to all of our leaders.

“Greater love hath no man than this, that a man lay down his life for his friends.” יהוה בן יהוה (YAHWEH BEN YAHWEH) has laid down his life by dedicating his entire existence to our happiness. יהוה בן יהוה (YAHWEH BEN YAHWEH) is the true public servant, because in all that he has done for our people, he has never taken a salary. His reward is in making this world a better place for all the good people of the Earth. This is the price you sometimes have to pay for doing good. It is because of this undying love for our people that the Government has chosen to attack יהוה בן יהוה (YAHWEH BEN YAHWEH). It is because of this love which he instilled in the Nation of יהוה (YAHWEH) that the Government is attacking

them. But this love shall triumph in the end because love conquereth all. Love overcomes all things and love shall endure all things. Though the U.S. government is trying to stop the love that יהוה בן יהוה (YAHWEH BEN YAHWEH) has for our people, this love is already being manifested in his works.

***U.S. GOVERNMENT CONTINUES  
PRE-TRIAL PERSECUTION OF***

יהוה בן יהוה

The U.S. Government continues to persecute יהוה בן יהוה (YAHWEH BEN YAHWEH) and several of his followers by imposing starvation upon them. All this is being done while the U.S. Government continues to ignore its own laws.

The First Amendment guarantees the right to freedom of religion. Thus, all American citizens are free to worship God as they please. This includes the right to a Kosher diet as prescribed by the God of the Bible in Leviticus, Chapter 11 and Deuteronomy, Chapter 14. According to the Second Edition of Florida Jurisprudence § 37, "The lack of reasonable opportunities to exercise religious freedom constitutes a violation of the First Amendment including the disallowance of any special diet for persons whose religion imposes dietary restrictions." This law references Miller v. Carson which stated that "Restrictions in religious freedom that existed in a county jail deprived pre-trial detainees of their rights under the First and Fourteenth Amendments to the U.S. Constitution, and an injunction would be issued where persons whose religion imposed dietary restrictions were not allowed any

special diet where pork was served as a main dish or used in seasoning other dishes in virtually all meals.”

On July 18, 1986, U.S. District Court Judge Sidney Aronovitz ordered the Florida Department of Corrections to allow members of the Nation of יהוה (YAHWEH) to have a pork-free diet. Judge Aronovitz stated that members of the Nation of יהוה (YAHWEH) must “be afforded the same opportunities to worship as other prisoners.”

The U.S. Government has already established in the Code of Federal Regulations (CFR) rules and regulations which dictate how inmates, both convicts and pre-trial detainees, are to be treated during their stay at any Federal Prison. According to 28 CFR Ch. V (7-1-90 Edition) § 548.13(a), “An inmate who wishes to observe religious dietary laws will be provided a diet which meets or exceeds recommended daily allowances . . . and which complies with religious dietary laws . . .” After a public request for Kosher meals was made, Charles Davis, Assistant Warden of the Metropolitan Correctional Center, gave an interview to WCIX, Channel 6 of Miami on Tuesday, November 20, 1990. Davis stated that the request for Kosher meals had been granted. However, sources reveal that יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers are still not being served Kosher meals. In fact, out of the 63 meals that were supposed to have been given to יהוה בן יהוה (YAHWEH

**BEN YAHWEH**) during his first three weeks in the prison, only 21 meals have been delivered, and most of these 21 meals were not Kosher.

According to a statement by יהוה בן יהוה (**YAHWEH BEN YAHWEH**), “Officials admit that they have Kosher meals for all white Jews; yet, I am absolutely denied the same privilege. I have gone through due process by completing the necessary COPOUT form. I was then promised Kosher meals and officials said My request had been approved. Yet, I was denied these kosher meals. Prison officials have attempted to deceive Me by putting ‘K’ on my take-out plate, but when compared to the ‘unkosher’ meals of the other inmates, My meals are identical to theirs. I have been given plates after pork has been taken off of them. If it were not for some inmates occasionally giving Me an apple, lettuce and tomato salad, and oranges, I would soon be hospitalized for malnutrition and starvation. Only My evening meals are classified as Kosher, and even those are served with meat. **I am a Kosher Vegetarian!**”

Other examples of this cruel treatment include:

- Since being detained, יהוה בן יהוה (**YAHWEH BEN YAHWEH**) has been forced to drink water from the same line as the toilet.
- On Sunday, November 18, 1990, יהוה בן יהוה (**YAHWEH BEN YAHWEH**) was denied Kosher meals and forced to eat only two grapefruits.

- On Sunday, November 24, 1990, יהוה בן יהוה (YAHWEH BEN YAHWEH) was denied fresh air, recreation time, two Kosher meals, and showers, while other inmates were permitted to take showers.

Thus, the U.S. Government is imposing **starvation** upon יהוה בן יהוה (YAHWEH BEN YAHWEH).

In addition to the illegal withholding of Kosher meals, the U.S. Government has also chosen to ignore and violate its own established rules and regulations: 28 CFR Ch. V § 540.42(a) states that ~ ~ “At a minimum, the Warden shall establish visiting hours at the institution on Saturdays, Sundays, and holidays.” It further states in § 540.50(c) that “Staff may not suspend an inmate’s visiting privileges because of violation of Bureau regulations other than for those specifically concerned with the visiting guidelines or having a reasonable relationship to the orderliness or security of the visiting room.” Yet, in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH), a pre-trial detainee who has not violated **any** Bureau regulations whatsoever, he has been limited to two visits a month. This is clearly in violation of Federal regulations, and this violation has not been imposed on anyone else but יהוה בן יהוה (YAHWEH BEN YAHWEH) and some of his followers.

In 28 CFR Ch V § 540.51(g)(3), “The Warden may allow a visitor to leave money with a designated staff member for deposit in the inmate’s commissary account.”

However, when יהוה בן יהוה (YAHWEH BEN YAHWEH's) attorney attempted to leave money for him in his commissary account, his attorney was told that the money order had to be mailed in. Again, this is totally inconsistent with federal regulations.

In 28 CFR 540.71(a), it states that "An inmate may receive other soft-cover material (for example, paperback books, newspaper clippings, or magazines) from any source." Yet, Bibles (King James Version) and other paperback books sent to יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers were rejected and returned. Even Judge Aronovitz in his 1986 ruling stated that religious books published by the Temple of Love, Inc. were to be allowed into all state penal institutions, and to deny their admission was a violation of the First Amendment. Paragraph (b) further states that "The Warden may not reject a publication solely because its content is religious . . ." So again, we have a clear violation of federal regulations. The only inmates who are being denied access to the Holy Bible are members of the Nation of יהוה בן יהוה (YAHWEH).

According to 28 CFR Ch. V § 541.11, "[The Bureau of Prison] Staff shall advise each inmate in writing promptly after arrival at an institution of the inmate's rights and responsibilities." To this date, this has not been done in the case of יהוה בן יהוה

יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers. Other rights which have been violated include:

- The right to be treated respectfully, impartially, and fairly by all personnel.
- The right to be informed of the rules, procedures, and schedules concerning the operation of the institution.
- The right to freedom of religious affiliation, and voluntary religious worship.
- The right to health care, which includes nutritional meals, proper bedding and clothing, . . . an opportunity to shower regularly.
- The right to participate in the use of the law library reference materials.

Judge Aronovitz also ruled “to allow all requesting inmate members of the class the opportunity to wear religious headdresses during formal worship services.” It also states in 28 CFR Ch. V § 548.12(f) that “An inmate ordinarily shall be allowed to wear or use personal religious items during devotional services. Upon request of the inmate, the Warden may allow an inmate to wear or use personal religious items within the institution.” However, יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers have not been afforded the opportunity to wear their religious attire. Regulation § 551.118(c) goes on to state that an inmate may supply his own clothing during court appearances. Page 23 of the Metropolitan Correction Center Manual allows for the use of civilian clothes while involved in court proceedings for pre-trial

detainees. Again, however, יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers have not been allowed to wear their cultural attire in the courtroom.

As stated in 28 CFR Ch. V. § 540.21(b), "Writing paper and envelopes are provided at no cost to the inmate." Paragraph (i) further states, "Holdovers and pre-trial commitments will be provided a reasonable number of stamps for the mailing of letters at the Government's expense." However, יהוה בן יהוה (YAHWEH BEN YAHWEH) has been denied envelopes, writing paper, stamps, and pencils.

יהוה בן יהוה (YAHWEH BEN YAHWEH) has been denied toothpaste, toiletries, and deodorant. He has also been denied emery boards and nail clippers to repair two badly torn fingernails. Yet, 28 CFR Ch. V. § 551.103(a)(7)(i) requires, "Provision of personal hygiene to include -- issue of personal hygiene items."

On Saturday, November 17, 1990, Officer Croon denied יהוה בן יהוה (YAHWEH BEN YAHWEH) phone accessibility to call his lawyer. In fact, calls to his lawyer are routinely denied. When יהוה בן יהוה (YAHWEH BEN YAHWEH) is allowed to talk to his legal counsel, the phone is constantly taken away in the midst of their conversation. Nevertheless, 28 CFR Ch. V. § 551.117(c) states, "[Prison Bureau] Staff shall allow the pre-trial inmate, upon his request, to telephone his attorney."

And § 540.102 further states, “The Warden may not apply frequency limitations on inmate telephone calls to attorneys . . .”

יהוה בן יהוה (YAHWEH BEN YAHWEH) is handcuffed behind his back whenever he has to go 10 feet to the shower in a cage, 20 feet to a 12 x 12 cage to get air for one hour, or to the visitation room. When יהוה בן יהוה (YAHWEH BEN YAHWEH) goes to the visitation room, he is strip-searched, which involves looking at every intimate inch of his body. This happens prior to every visit with his lawyer. **“Convicted” felons do not have to go through this process and are allowed to move freely over the entire compound.** However, in the case of *United States v. Lilly*, it was ruled that “Visual inspections of the anal and genital cavities were humiliating and of little utility, and are therefore unreasonable on this record under the Fourth Amendment. Detainees, as well as convicted inmates, retain the Fourth Amendment protection requiring that searches of person or property be reasonable under the circumstances of imprisonment.”

No form has been given to יהוה בן יהוה (YAHWEH BEN YAHWEH) to designate his selected visitors. However, 28 CFR Ch. V. § 540.51(b)(1) states, “[Prison Bureau] Staff shall ask each inmate to submit during the admission orientation process a list of proposed visitors.”

יהוה בן יהוה (YAHWEH BEN YAHWEH) has been kept in a **LOCK-DOWN HOLE** (the public has been told he was in Segregation) reserved for problem inmates. יהוה בן יהוה (YAHWEH BEN YAHWEH) has not committed nor been convicted of a crime, neither is there a record of him causing any problems since being detained. Prison officials have stated that יהוה בן יהוה (YAHWEH BEN YAHWEH) is being held in "Administrative Detention." Administrative Detention is defined in 28 CFR Ch. V. §541.22 as "the status of confinement of an inmate in a special housing unit either by self or with other inmates which serves to remove the inmate from the general population."

Paragraph (b) further states that "The Warden shall prepare a memorandum detailing the reasons for placing an inmate in administrative detention, with a copy given to the inmate . . . Staff shall deliver this memorandum to the inmate within 24 hours of the inmate's placement in administrative detention." Paragraph (c) adds, "The Segregation Review Official (SRO) shall conduct a record review within three work days of the inmate's placement in administrative detention and shall hold a hearing and formally review the status of each inmate who spends seven continuous days in administrative detention . . . The inmate appears before the SRO at the hearing." On November 11, 1990, יהוה בן יהוה (YAHWEH BEN YAHWEH) was transferred to the Metropolitan Correctional Center and immediately placed in Administrative Detention. He was not notified by memorandum of this

status until November 26, 1990. As of this date, he has not received a hearing.

Paragraph (d) goes on to state that, “. . . the Warden shall give an inmate housed in administrative detention the same general privileges given to inmates in the general population. This includes, but is not limited to, providing any inmate with the opportunity for participation in education programs, library services, social services, counseling, religious guidance, and recreation.” Yet, יהוה בן יהוה (YAHWEH BEN YAHWEH) has not been afforded these opportunities. In fact, יהוה בן יהוה (YAHWEH BEN YAHWEH) has been denied visits with the chaplain, rabbi, his assigned counselor, and unit management.

יהוה בן יהוה (YAHWEH BEN YAHWEH) has been denied the freedom of the press which includes the right to be informed of the news through newspapers. Based on 28 CFR Ch. V. § 540.70(a), “The Bureau of Prison permits an inmate to subscribe to or to receive publications without prior approval . . . The term publication in this rule means a book, or a single issue of a magazine or newspaper.” And § 540.71(a) further states that this material may be received “from any source.” Regulation § 544.101(b) adds, “The inmate library shall offer an inmate a variety of reading materials, including, but not limited to periodicals, newspapers . . . and reference books.”

The continued persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) is not merely limited to the deprivation of his rights, but also extends to physical abuse as well. Since being detained, יהוה בן יהוה (YAHWEH BEN YAHWEH) has contracted a serious cold because the facilities he is being housed in are set at freezing temperatures, and the blankets are too short. His condition has developed to the point where he is coughing blood.

On Thursday, November 15, 1990, יהוה בן יהוה (YAHWEH BEN YAHWEH) was required to go to the hospital without his request or permission. He was given two shots without his request or permission. He was later told that the two shots were a tetanus shot and a TB vaccine. Also, two vials of blood were taken, and he was also given chest X-rays without his permission.

On Friday, November 16, 1990, יהוה בן יהוה (YAHWEH BEN YAHWEH) was taken back to the hospital for a "SMAC TEST," again without his permission. During his detention, an officer bruised יהוה בן יהוה (YAHWEH BEN YAHWEH's) wrists by placing his handcuffs on too tightly and handling him too roughly, causing a major vein to have a bubble swelling, which could cause a dangerous hemorrhage. There is no excuse or reason for this inhumane treatment!

All of these actions lead to the inevitable conclusion that יהוה בן יהוה

(YAHWEH BEN YAHWEH) is a political prisoner. (Even the Geneva Convention requires decent treatment.) Not only is יהוה בן יהוה (YAHWEH BEN YAHWEH's) mistreatment political, it is racist to the core. If a white American were treated this way by another nation, the United States would immediately initiate war, as her past records prove.

The actions of this prison facility display open, blatant discrimination by the U. S. Government and media. This is absolutely wrong and destructive. This is religious persecution at its highest. These events are reminiscent of the trials and tribulations faced by the Hebrews in ancient Rome, the Spanish Inquisition during the Renaissance, and the witch hunts during the era of the early pilgrims. This persecution cannot be allowed to continue.

יהוה בן יהוה (YAHWEH BEN YAHWEH) issued a final statement in regard to these events: "All of this persecution and more, I suffer for your salvation, redemption, resurrection, and true freedom."

The U.S. Government continues to persecute יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers while they await trial. The basis of this persecution is clearly religious discrimination and racial hatred.

On Thursday, November 29, 1990, one of the counselors at the Metropolitan Correctional Center (MCC) informed יהוה בן יהוה (YAHWEH BEN YAHWEH) of the following: “We noticed about 20 or more of you walking together as a group to breakfast, and you were grouped together after breakfast around the lake. We are asking you not to group together, unless you want to go back to the ‘HOLE’ (dungeon, segregation). We must protect our Institution.” First, there are only 12 of the Yahweh brothers at this institution. Second, several sets of 25-30 Christians group together every morning around the same lake, holding hands, singing, praying out loud, and inviting people to join them without opposition.

Also on Thursday, November 29, 1990, Mr. Gilmartin of NBC News wanted to interview יהוה בן יהוה (YAHWEH BEN YAHWEH) at the MCC. But יהוה בן יהוה (YAHWEH BEN YAHWEH) was forced to decline the interview because officials of the MCC said יהוה בן יהוה (YAHWEH BEN YAHWEH) could not wear his holy culture before the world. Yet, Panamanian President, Manuel Noriega, is allowed to wear his military uniform. Though יהוה בן יהוה (YAHWEH BEN YAHWEH) and the other members of the Nation of יהוה (YAHWEH) are being held as pre-trial detainees, which mean that they retain all their rights of citizenship, they should not be treated as criminals or convicts. While Noriega is allowed to properly project and protect his image, as to not look like a criminal or convict in the

minds of the public, יהוה בן יהוה (YAHWEH BEN YAHWEH) and members of the Nation of יהוה (YAHWEH) are not granted this same right.

Volume 28 of the Code of Federal Regulations (28 CFR), Ch. V. (7-1-1990 Edition) § 548.12(f) states that “An inmate ordinarily shall be allowed to wear or use personal religious items during devotional services. Upon request of the inmate, the Warden may allow an inmate to wear or use personal religious items within the institution.” Therefore, this unjust decision by the counselors to deny יהוה בן יהוה (YAHWEH BEN YAHWEH) the right to appear before the world in his holy garment represents a clear case of religious persecution and racism.

On Friday, November 30, 1990, יהוה בן יהוה (YAHWEH BEN YAHWEH) was called to the Chief Lieutenant’s office and told, “I don’t know anything about your religion, but we cannot allow your entourage or group to carry each other’s trays in the dining area. You must be ‘INDIVIDUALISTS’ like everybody else.” יהוה בן יהוה (YAHWEH BEN YAHWEH) replied, “We will obey your rules, but for your information, we are courteous and caring toward each other. We naturally show love one to the other.” The Lieutenant’s final words were, “We have to protect ‘THE INSTITUTION.’ ” Nothing in the rules demands that the inmates be INDIVIDUALISTS. This is merely a matter of religious harassment designed to destroy the unity between יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers.

Also on Thursday, November 29, 1990, one of the counselors at the MCC advised יהוה בן יהוה (YAHWEH BEN YAHWEH) that he would not be receiving his mail that is addressed in the name of “יהוה בן יהוה (YAHWEH BEN YAHWEH).” In addition to this being his world renown name, it is also his legal name. The legal papers validating this have already been submitted to the officials at the MCC by יהוה בן יהוה (YAHWEH BEN YAHWEH’s) attorney, Alcee Hastings. Thus, this threat is totally illegal and represents an infringement of יהוה בן יהוה (YAHWEH BEN YAHWEH’s) First Amendment rights.

On Saturday, December 1, 1990, Hebrew brothers were told that if they were caught inside any other dorm than their own, they would be put in the **HOLE** (dungeon, segregation). They had not been told this rule, neither is it being enforced upon anyone else. Also, on the same day, Hebrews were told that they were not allowed to **carry a Holy Bible** in their hands from one point to another. This rule does not apply to any of the other 1,200 inmates. All of the Hebrew brothers constitutional rights are being violated. They are citizens in **Pre-Trial** detention, and have not been “convicted” of anything.

On Sunday, December 2, 1990, a female guard ran several Hebrew brothers out of the showers at 5:30 a.m. The posted signs clearly indicate that the cut-off time is

7:30 a.m. This action upset a large number of other inmates of all nationalities. They stated that this had never happened before.

Also that day, no newspapers were allowed at the MCC. It was stated by many of the inmates that the reason was that a front page article in the Miami Herald blasted the Government's **Star Witness** against the Yahwehs (Rozier) as a possible **nightmare** for the Government and they didn't want the inmates of the MCC to see anything in favor of יהוה (YAHWEH). Many of the inmates wives called and read the article to them over the telephone and they were threatened with the **HOLE** (dungeon, segregation). This is a clear case of illegal censorship of the news based solely on religious persecution and racial hatred. The masses of Latin and Hispanic inmates at the MCC are 100 percent in support of יהוה (YAHWEH).

On Monday, December 3, 1990, four Hebrew brothers were standing on the sidewalk in front of their dormitory when an officer said, "Get off the sidewalk. You can't stand out here." At the same time, there were several inmates all around. Of course, the Hebrews always obey orders, even when they are indisputable recipients of **HATRED** and **DISCRIMINATION**. "**One Law for All**" does not exist at the MCC.

This persecution must come to an end. The U. S. Government cannot be allowed to continue to ignore its own laws because of religious intolerance. To abandon the constitutional rights afforded every citizen would be to reduce America to a

totalitarian police state. We, the People, demand that the U.S. Constitution and the  
**Bill of Rights be properly and fairly enforced! ■**

## ***U.S. GOVERNMENT CONSPIRES TO DENY***

### **יהוה בן יהוה *BOND***

A careful analysis of the proceedings at each of the bond hearings reveals a carefully coordinated plot among the Government officials to illegally detain יהוה בן יהוה (YAHWEH BEN YAHWEH) and other members of the Nation of יהוה (YAHWEH).

In each of these cases, the laws governing bonds are ignored as justice is totally denied. There is absolutely no doubt that had the defendants in these bond hearings been of another nationality or religion, the outcome would have been different.

Consider the case of יהוה בן יהוה (YAHWEH BEN YAHWEH). At his bond hearing, several prominent, respectable businessmen appeared as character witnesses for יהוה בן יהוה (YAHWEH BEN YAHWEH). Their testimony was totally ignored. Magistrate Lynn Johnson committed such a gross abuse of discretion that collusion with the prosecution becomes very obvious. Her judgment at the hearing

was, "Anyone who has directed the incredible series of horrors delineated by the government represents a threat to this community." Thus, she effectively convicted יהוה בן יהוה (YAHWEH BEN YAHWEH) without a trial.

The prosecution read depositions from a convicted serial killer with a notorious background. Aside from this testimony, no evidence was presented that would indicate that יהוה בן יהוה (YAHWEH BEN YAHWEH) is a threat to the community. Although the laws of America clearly state that the burden is on the prosecution to present clear and convincing evidence, this was not the case. In fact, considering the good works that יהוה בן יהוה (YAHWEH BEN YAHWEH) has done in the community, his very absence is a threat to the community.

יהוה בן יהוה (YAHWEH BEN YAHWEH) has been invited on several occasions to numerous social events and received various awards for his outstanding work in the community. In fact, יהוה בן יהוה (YAHWEH BEN YAHWEH) is the current recipient of the Businessman of the Year Award by the National Business League. He was awarded this honor because he has established several economically viable businesses in economically impoverished areas, thus setting an example for the world. The fact that since the severing of ties between the Nation of יהוה (YAHWEH) and former member Robert Rozier, no further accusations have been made; and the fact that the accolades have continued and even increased should prove to the world that

יהוה בן יהוה (YAHWEH BEN YAHWEH) is not a threat to our community. The fact of the matter is that in light of יהוה בן יהוה (YAHWEH BEN YAHWEH's) numerous accomplishments in our community, particularly in the area of economic empowerment, it is clear that יהוה בן יהוה (YAHWEH BEN YAHWEH) is being held, not because he represents a physical threat to our community, **but because he is an economic threat to other communities.**

As we consider the cases of יהוה בן יהוה (YAHWEH BEN YAHWEH'S) followers, the collusion between the prosecution and the magistrates becomes even more apparent. Consider the case of Judith Israel: Though she has not been charged with actually participating in any violent crime, she, too, is being held without bond until the trial. In fact, the worst charge on the indictment charges her with "buying and maintaining properties." The fact that the Miami Herald lists Judith Israel as the "Financial Wizard" of the Nation of יהוה (YAHWEH) shows that the Government is trying to destroy the economic empire of the Nation of יהוה (YAHWEH) by continuing to hold her. Again, it is clear that it is not because she represents a physical threat to our community, **but because she represents an economic threat to other communities.**

Consider the case of Hezion Israel: He was attacked and suffered severe wounds as he defended himself. When the event occurred, the State decided not to charge

Hezion. Yet, the U.S. Government charges him four years later on the words of a confessed serial killer. First, there were no evidence to the charges. Second, the only testimony involved is hearsay. Third, Hezion has an impeccable background. Several people in the community attested to his good character. Magistrate Johnson, in another clear case of abuse of discretion, decided to hold Hezion without bond, though there was no "clear and convincing evidence" that he is a threat to the community.

Consider the case of Aher Israel: The Government could not locate Aher to arrest him. Yet, upon learning that he was wanted, knowing his innocence, and believing in the fairness of the judicial system, he turned himself over to the authorities. However, Magistrate Ted Banstra ordered Aher to be held without bond because he believed Aher would not show up for the trial. This ruling is totally inconsistent with the facts presented and, thus, points to an obvious conspiracy within the Government. These are just a few examples of obvious miscarriages of justice.

Altogether, 17 people are being held without bond. The latest charges are over four years old, and some of the earliest are almost ten years old. This proves that for the last four years, the community has been safe with these people walking around in society. None of these 17 people have any evidence linking them to the charges, nor any witnesses linking them to the charges. The fact that although the Government claims many witnesses, it also admitted that all except one of the

witnesses refused to participate in the witness protection program. This action alone proves that there is no **REAL** fear of intimidation or safety of the witnesses. The one star witness of the Government is an **admitted serial killer with a notorious background.**

It is a sad day in America when you can be accused without facts or evidence, and held without bond, regardless of your good background and accomplishments in the community. This indicates that the U.S. Constitution and the Bill of Rights are dead, of none effect, and can be ignored by the Government whenever it pleases. It also proves that in our Free Enterprise System, one is free to succeed **as long as his success does not overshadow the success of the "powers that be."**

These injustices can only continue if we, the people, allow them. However, we must know the facts first. Therefore, The People For Truth is dedicated to informing the people as to what is really going on behind the scenes. ■

## ***PRE-TRIAL PERSECUTION OF YAHWEH BEN YAHWEH CONTINUES***

The U.S. government continues to persecute יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers while they await trial. The basis of this persecution is clearly religious discrimination and racial hatred.

On Thursday, November 29, 1990, one of the counselors at the Metropolitan Correctional Center (MCC) informed יהוה בן יהוה (YAHWEH BEN YAHWEH) of the following: "We noticed about 20 or more of you walking together as a group to breakfast and you were grouped together after breakfast around the lake. We are asking you not to group together, unless you want to go back to the 'HOLE' (dungeon, segregation). We must protect our Institution." First, there are only 12 of the Yahweh brothers at this institution. Second, several sets of 25-30 Christians group together every morning around the same lake, holding hands, singing, praying out loud, and inviting people to join them without opposition. This is absolute religious discrimination and racial hatred.

Also on Thursday, November 29, 1990, Mr. Gilmartin of NBC News wanted an in-

interview with יהוה בן יהוה (YAHWEH BEN YAHWEH) at the MCC. But יהוה בן יהוה (YAHWEH BEN YAHWEH) was forced to decline the interview because officials of the MCC said יהוה בן יהוה (YAHWEH BEN YAHWEH) could not wear his holy culture before the world. Yet, Panamanian President Manuel Noriega is allowed to wear his military uniform. Though יהוה בן יהוה (YAHWEH BEN YAHWEH) and the other members of the Nation of יהוה (YAHWEH) are being held as pre-trial detainees, which mean that they retain all their rights of citizenship, they are being treated as criminals or convicts. Yet, Noriega is allowed to properly project and protect his image as to not look like a criminal or convict in the minds of the public, while יהוה בן יהוה (YAHWEH BEN YAHWEH) and the other members of the Nation of יהוה (YAHWEH) are not granted this same right.

Volume 28 of the Code of Federal Regulations (28 CFR), Ch. V (7-1-1990 Edition) § 548.12(f) states that "An inmate ordinarily shall be allowed to wear or use personal religious items during devotional services. Upon request of the inmate, the Warden may allow an inmate to wear or use personal religious items within the institution." Therefore, this unjust decision by the counselors to deny יהוה בן יהוה (YAHWEH BEN YAHWEH) the right to appear before the world in his holy garment represents a clear case of religious persecution and racism.

On Friday, November 30, 1990, Yahweh Ben Yahweh was called to the Chief

Lieutenant's office and told, "I don't know anything about your religion but we cannot allow your entourage or group to carry each other's trays in the dining area. You must be '**INDIVIDUALISTS**' like everybody else." יהוה בן יהוה (YAHWEH BEN YAHWEH) replied, "We will obey your rules, but for your information, we are courteous and caring toward each other. We naturally show love one to the other." The Lieutenant's final words were, "We have to protect '**THE INSTITUTION.**'" Nothing in the rules demands that the inmates be **INDIVIDUALISTS**. This is merely a matter of religious harassment designed to destroy the unity between יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers.

Also, on Thursday, November 29, 1990, one of the counselors at the MCC threatened יהוה בן יהוה (YAHWEH BEN YAHWEH) that he would not be receiving his mail that is addressed in the name of "Yahweh Ben Yahweh." In addition to this being his world renown name, it is also his legal name, and the legal papers validating this have already been submitted to the officials at the MCC by יהוה בן יהוה (YAHWEH BEN YAHWEH's) attorney, Alcee Hastings. Thus, this threat is totally illegal and represents an infringement of יהוה בן יהוה (YAHWEH BEN YAHWEH) first amendment rights.

On Saturday, December 1, 1990, Hebrew brothers are told that if they are caught inside any other dorm than their own, they would be put in the **HOLE** (dungeon,

segregation). This rule has not been told to them, nor is it being enforced upon anyone else. Also, on the same day, Hebrews were told that they were not allowed to **carry a Holy Bible** in their hands from one point to another. This rule does not apply to any of the other 1,200 inmates. All of the Hebrew brothers constitutional rights are being violated. They are citizens in **Pre-Trial** detention, and have not been convicted of anything.

## ***STRANGE EXPLOSION KILLS YAHWEH CHILD***

On November 7, 1990, the FBI terrorized tenants at apartment buildings owned by the Nation of יהוה בן יהוה (YAHWEH). At 5 a.m. tenants were rudely awakened with threats of tear gas, and semi-automatic weapons pointed in the faces of innocent men, women, and children. Men, women, children, and babies were thrown down to the ground and terrorized in a manner only likened to slavery during the early history of America. The FBI illegally stormed onto the properties without presenting any search warrants or arrest warrants. Now, nearly three months later, terrorism strikes again at the Nation of יהוה בן יהוה (YAHWEH), and this time it claimed the life of an innocent 16-year old boy. A strange explosion occurred in the boiler room of a Yahweh building killing the Yahweh youth who was inside.

We must ask some questions concerning this incident. Since we are “aware” that the U.S. Government and the FBI are working day and night to destroy the Nation of יהוה בן יהוה (YAHWEH), **was this an act of God? Was this an accident? Or, was this an ACT OF TERRORISM BY THE U.S. GOVERNMENT?** Since we are also aware that the U.S. Government and the CIA work dirty tricks and murder people all over the

**Earth, was this evil, murderous plot designed to frighten the citizens of the Nation of יהוה (YAHWEH) away from יהוה בן יהוה (YAHWEH BEN YAHWEH)?**

**Is this innocent 16-year old boy the first MARTYR of the Nation of יהוה (YAHWEH) at the murderous hands of the U.S. Government? The Holy Bible says, "They shall deliver you up to be afflicted, and they shall kill you: and you shall be hated of all nations for my name's sake." -- Matthew 24:9.**

We have evidence that יהוה בן יהוה (YAHWEH BEN YAHWEH) is the True Shepherd and is totally unafraid to stand up and be persecuted for the sake of all good people. We, The People For Truth, demand some righteous answers from the U.S. Government. It is criminal the way the U.S. Government is condemning and trying to convict a whole nation of people, the so-called Black people of America, the Nation of יהוה (YAHWEH).

America accuses other countries of being terroristic, but we must all admit that America is the most diabolical, terroristic country in the world. America can no longer hide her evil doings under the carpet. The world is now beginning to look at America for her worldwide evils and for her open religious persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH). ■

יהוה בן יהוה  
***DENIED BOND***

Over 15,000 families signed petitions of support for יהוה בן יהוה (YAHWEH BEN YAHWEH's) release. All of the members of the Nation of יהוה (YAHWEH) who are being illegally held have family members in the Middle East War. יהוה בן יהוה (YAHWEH BEN YAHWEH) has nephews, cousins, and a son-in-law in the Middle East, and is himself a veteran.

We have open proof that the community (Jews, Hispanics, Whites, and Blacks) overwhelmingly supports one of America's most respected religious leader's release. יהוה בן יהוה (YAHWEH BEN YAHWEH's) book, "*From Poverty to Riches*," is in the hands of the world leadership, and shows his miraculous works.

There is no excuse for denying יהוה בן יהוה (YAHWEH BEN YAHWEH) bond. Remember, יהוה בן יהוה (YAHWEH BEN YAHWEH) is only "accused" by a "Judas" serial killer who made up lies to escape the death penalty. We have many examples in the Miami community of open and "convicted" killers who are out on

bond. יהוה בן יהוה (YAHWEH BEN YAHWEH) is not accused of killing anyone. He has been indicted under the **gray area of conspiracy**, which is a criminal misuse of power by **racists** individuals within the U.S. Government. Miami has had more than its share of **racial problems**. The U. S. Government now has the golden opportunity to avoid a potentially explosive situation at home while fighting a war 10,000 miles away in a foreign land. How can a volunteer army composed of 65 percent Blacks be effective soldiers while their relatives are being persecuted and brutalized at home?

We are making a plea for sanity within the U.S. Government for **FAIRNESS** and **JUSTICE** for יהוה בן יהוה (YAHWEH BEN YAHWEH) by giving him **Liberty**. Denying יהוה בן יהוה (YAHWEH BEN YAHWEH) bond in **Pre-Trial Detention** destroys a **PRINCIPLE** that the majority of Americans still believe, "A **person is innocent until proven guilty.**"

יהוה בן יהוה (YAHWEH BEN YAHWEH) is being held as a convicted criminal and told, "**He is guilty and must prove his innocence before he can go free.**" This is against what most Americans believe is **RIGHT**.

Miami also has a Mr. Borsch who was convicted of being a **terrorist** by blowing up

an airplane with 73 people and other acts, and was to be deported. Yet, this man is under partial house arrest.

יהוה בן יהוה (YAHWEH BEN YAHWEH) has lived on this earth 55 years without a criminal record. יהוה בן יהוה (YAHWEH BEN YAHWEH) has set a **PERFECT MORAL EXAMPLE OF EXCELLENCE** through his microcosmic Nation of יהוה (YAHWEH), which can bring **peace** to the entire world. The masses of the Earth are tired of war and false promises of peace.

The moral people of the world are saying, “**RELEASE יהוה בן יהוה (YAHWEH BEN YAHWEH) NOW!**” This innocent man has now spent **four months in prison**. יהוה בן יהוה (YAHWEH BEN YAHWEH) is the **Self-Proclaimed Son of יהוה (YAHWEH)**.

Remember that 2,000 years ago, **Christ** was also arrested and accused falsely. Our question is this, “What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Son of God יהוה (YAHWEH)?” ■

***THE WICKED WITHIN THE U.S.  
GOVERNMENT SABOTAGE THE  
YAHWEHS' OVERTOWN SUPERMARKET***

On Saturday night, January 26, 1991, wicked agents within the U.S. Government sabotaged First Rate Foods, the only supermarket in the predominantly Black neighborhood of Overtown, which is owned and operated by members of the Nation of יהוה (YAHWEH).

Air conditioning pipes leading to all of the freezers in the store were systematically cut and removed. Several professional repairmen who arrived on the scene Sunday, January 27, 1991, concluded that the degree of sophistication displayed was the result of experts and not a mere case of vandalism. The damage resulted in repairs totaling thousands of dollars, and in a loss of all the perishable items in the supermarket, also costing tens of thousands of dollars. All of the meats, frozen foods, dairy products, and produce were spoiled beyond consumption. Considering the fact that First Rate Foods is the only supermarket in Overtown, this vicious act not only created a huge financial loss to the YAHWEHS, but was also the source of a major inconvenience to all of the Black community.

In addition to this is the fact that First Rate Foods is located within 100 feet of a police substation. It is incomprehensible that this kind of action could take place in the face of the police substation located in the adjacent complex. Though Black businessmen pay taxes, and the Black community supports businesses from all other nationalities, which also pay taxes that support and sustain the police department, we still do not receive our fair share of protection from them; nor do we receive cooperation from them in the investigation of our problems. This is a very callous act, not only against the Nation of יהוה (YAHWEH), but also against the people of Overtown and all Black people in general.

It is a fact that wicked forces within the U.S. Government have attacked יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers, arrested them on trumped up charges, and have been holding them unconstitutionally for several months -- because the Nation of יהוה (YAHWEH) was making too much progress economically. The illegal detention and subsequent persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) are calculated efforts to try to destroy the economic gains made by the Nation of יהוה (YAHWEH) and thus the role model of the Black community. Now these same evil forces have gone a step further to actually try to destroy his works through sabotage.

The members of the Nation of יהוה (YAHWEH) have proven that they are a peace-

ful people although they have had their holy temple raided and their women, children and babies terrorized by members of the Government and the FBI. Though the U.S. Government continuously comes against the Nation of יהוה (YAHWEH) through both covert and overt operations, the Nation of יהוה (YAHWEH) remains an amicable people.

יהוה בן יהוה (YAHWEH BEN YAHWEH) teaches and demonstrates peace and love, but to the contrary, members of the U.S. Government teach and promote violence by sabotaging the most successful Black-owned business in our community in an attempt to try to force the Yahwehs out of business.

It is becoming clear that the U.S. Government wants our people to have no hope for the future. Whereas, יהוה בן יהוה (YAHWEH BEN YAHWEH) has done nothing but build the Black community, evil men within the Government are determined to tear the Black community down. ■

unprecedented and unfounded move, North Shore is demanding a **cash deposit before they will admit Judith!** Never before has North Shore implemented such an inhumane policy of denying medical attention to someone in an emergency situation such as this. This is open discrimination and religious persecution. However, because the primary concern was for the health of one of their members, regardless of the economics involved, the Nation of יהוה (YAHWEH) submitted to the extortion and blackmail policy imposed by North Shore by depositing over \$9,000 cash in advance.

At this point, Gertrude Novicki, the federal prosecutor handling the case, stepped in personally to insure that Judith was **not allowed** to be hospitalized. She was not even allowed to go to Jackson Memorial Hospital, which has a unit specifically designed to handle inmates. At this time, Judith is currently experiencing extreme pain on a continuous basis in certain parts of her body, while other parts exhibit no feelings whatsoever.

This is cruel, inhumane treatment against a person who is legally presumed to be innocent until proven guilty, as the U.S. Constitution guarantees. These atrocities are in addition to the fact that Judith has been denied bail although she has not been accused of any violent crime, but has been accused only of being a “financial wizard” in a growing economic empire. Therefore, under the thinly veiled guise of “protecting the community,” wicked members within the Government are carrying out cruel and unusual punishment against an innocent, defenseless woman.

Not only is Judith Israel, the victim of this savage treatment, a law-abiding citizen without a criminal record, she also has several relatives in the Middle East who are proving their loyalty to this country daily. It is sadly ironic that while her relatives are putting their lives on the line, all in the name of preserving human rights internationally, Judith's human rights are being maliciously withheld as she is denied medical treatment.

This extreme case of abuse of authority presents clear and convincing evidence that Judith Israel is being persecuted because of her religious belief and faith in יהוה בן יהוה (YAHWEH BEN YAHWEH) as the Messiah. Almost 2,000 years ago, the disciples of Christ were also persecuted for their faith.

Christ prophesied in Matthew 25:44-46 that some would come to him saying: "Lord, when saw we thee an hungred, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee? Then shall he answer them, saying, Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me. And these shall go away into everlasting punishment: but the righteous into life eternal."

We have יהוה בן יהוה (YAHWEH BEN YAHWEH) in our midst today, and we

must all ask ourselves this question: What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Son of God? ■

## ***15,000 SIGN PETITION FOR יהוה בן יהוה RELEASE***

Over 15,000 people in the community showered their love upon יהוה בן יהוה (YAHWEH BEN YAHWEH) by openly standing up and showing their support for his release.

The community petition consisted of Whites, Jews, Hispanics, and African-Americans. The petition stated that יהוה בן יהוה (YAHWEH) is “A solid community leader and a great asset and . . . not a threat to the community.” יהוה בן יהוה (YAHWEH BEN YAHWEH) is an international figure, known for his miraculous works in the spiritual, social, educational, political, and economical realms. The United States Government should be **ashamed** for allowing a few misguided individuals in its ranks to take the side of a few jealous, miscreant, profane, and “**unenlightened**” so-called ex-followers to destroy the spiritual works of this great man. The petition is a great sign that the Miami community is ready to come together and work for Miami to become the greatest city on Earth because יהוה בן יהוה (YAHWEH) has chosen to place his **name** in Miami.

We all can bear witness how **CHRIST** was arrested, falsely accused, abused, and killed for teaching the truth.

We all **must** ask ourselves this question: “What if יהוה בן יהוה (**YAHWEH BEN YAHWEH**) is really the Son of Man prophesied to come?” ■

## ***STOP THE DOUBLE STANDARDS IN THE YAHWEHS' TRIAL***

President Bush condemned the beating of a motorist in Los Angeles, California, but praised the Los Angeles police chief. President Bush said, "Do not pre-judge Chief Gates. The man is entitled to a credible hearing." President Bush then met with Attorney General Dick Thornburg and FBI Chief William Sessions. Then Bush said in many ways that Chief Gates has been an exemplary police chief. He then called the Los Angeles chief one of the all-American heroes for winning the war on drugs and gang violence. This is great until you study this comparative analysis:

We, the people, want to know why President Bush does not praise יהוה בן יהוה (YAHWEH BEN YAHWEH) for his good works. Why President Bush does not hold Chief Gates responsible for the brutal acts of his officers, but allows יהוה בן יהוה (YAHWEH BEN YAHWEH) to be held responsible and to be indicted for "alleged" acts of his followers? Why does President Bush call Police Chief Gates an all-American hero for winning the war on drugs and ignore the fact that יהוה בן יהוה (YAHWEH BEN YAHWEH) has totally eliminated drugs from all of the

many properties that the Nation of יהוה (YAHWEH) owns. Why ignore the fact that יהוה בן יהוה (YAHWEH BEN YAHWEH) is noted for having zero drugs at יהוה (YAHWEH) University: Not only do the students not take drugs or use drugs, but they don't even deal in drugs, nor do they smoke. They're not alcoholics. They're not juvenile delinquents. Why is it that this is ignored? Why does President Bush say, "Do not pre-judge Chief Gates," but President Bush, the Attorney General, and the FBI Chief all allow the media to try and convict יהוה בן יהוה (YAHWEH BEN YAHWEH) -- without making a comment.

Why does Bush say Chief Gates is entitled to a credible hearing while ignoring the fact that there is no hearing for יהוה בן יהוה (YAHWEH BEN YAHWEH) for bond nor for indigent status. We, as voters, are not asking for favors, but equal justice. Why do Attorney General Dick Thornburg and FBI Chief William Sessions allow the religious persecution of the Yahwehs? Why are they allowing their freedom of religion to be crushed and their freedom of speech to be suppressed? Why are they allowing their due process under the laws of this land to be ignored? They have been incarcerated for approximately six months. Why are they allowing their constitutional rights to be violated? We must bring out the fact that this is pure racism. This is an anti-Black attitude. This is open religious persecution. This means that יהוה בן יהוה (YAHWEH BEN YAHWEH) is a political hostage. The U.S. Government is demonstrating double standards. Under יהוה (YAHWEH),

under the theocratic government of יהוה (YAHWEH), under the government de jure of יהוה (YAHWEH), there is one law for all (Exodus 12:49).

A police officer in Miami, Florida, as of March 1991, was arrested for killing his wife after officials found direct evidence that supported his guilt. He was brought to the Metropolitan Correctional Center where יהוה בן יהוה (YAHWEH BEN YAHWEH) is being held, and he is now out on bond for \$250,000. יהוה בן יהוה (YAHWEH BEN YAHWEH) has only been “accused” by detractors, but has been denied bond. Where is the justice? This is obviously an open case of racism before the whole world. This is an anti-Black attitude on the part of the U.S. Government. Again, this is religious persecution. The U.S. Government has arrested a whole religion. They have charged everybody that believes in יהוה (YAHWEH) with being criminals. They charged the Nation of יהוה (YAHWEH), the Yahwehs, the Children of God יהוה (YAHWEH), and the Temple of Love. This is unprecedented in this civilization. This is yet another example of the double standards. But, again, under יהוה (YAHWEH), there is one law for all.

On March 1991, a school teacher in Miami, Florida, shot into a car on I-95, a public highway, killing an occupant unknown to him. Yet, he is not considered a threat to society and is out on a \$50,000 bond. יהוה בן יהוה (YAHWEH BEN YAHWEH)

has only been **“accused”** of conspiracy -- not personally accused of killing anyone but, yet, denied bond.

March 26, 1991, on the front page of the Miami Herald, the suspended Mayor of Hialeah was convicted on six racketeering and extortion counts, which is RICO (Racketeering Influenced Corrupt Organizations). Yet, he remains free on \$100,000 bond. יהוה בן יהוה (YAHWEH BEN YAHWEH) has only been **“accused”** under this same RICO act, and has “not been convicted,” but has been denied bond and a hearing by the 11th Circuit Court of Appeals. Not only did the 11th Circuit Court of Appeals refuse to look at the appeal, but they did not even open it or review it. In one sentence -- they simply denied it. Where is the justice in this? Why is it that President Bush, Attorney General Dick Thornburg, and FBI Chief William Sessions are all silent about the religious persecution of the Yahwehs? Why are they silent about יהוה בן יהוה (YAHWEH BEN YAHWEH) being in pre-trial detention for six months? Thus, due process under the law has been totally ignored at all appeal levels. Why is this being ignored by the U.S. Government and most especially the Executive Branch?

Through the crucifixion of יהוה בן יהוה (YAHWEH BEN YAHWEH), are 60 million Blacks in America to conclude that there is no hope for them in America? Are they to conclude that there is no hope for justice in America? This is a flagrant,

open case of racism and an anti-Black attitude on the part of the United States Government toward 60 million Blacks who look to the United States Government for justice. יהוה בן יהוה (YAHWEH BEN YAHWEH) is being held as a political hostage. This is an open case of religious persecution and another example of double standards in regard to the law. But, again, under the Government of יהוה (YAHWEH), there is one law for all. America claims to be a country under the rule of law, but how can this country stand with double standards?

According to headlines in the local section of the Miami Herald, March 27, 1991, "יהוה בן יהוה (YAHWEH BEN YAHWEH) asks for help to pay his lawyer." It states that the court rejects the poverty plea from יהוה בן יהוה (YAHWEH BEN YAHWEH). This rejection is all without reason. Absolutely no reason is given whatsoever.

A month before the indictment, יהוה בן יהוה (YAHWEH BEN YAHWEH) lectured at the Miami Arena and stated that he does not receive a salary, nor any money for his services as Founder of the Nation of יהוה (YAHWEH), and that he owns no bank accounts any place on the entire planet Earth, and all the properties of the Nation of יהוה (YAHWEH) are in the names of his followers and belong to them. On the other hand, America produces and promotes individualism. Moreover, every single person buys into the greed game where an individual can become a

millionaire. An individual seeks unlimited, envious riches and accomplishments as an individual. יהוה בן יהוה (YAHWEH BEN YAHWEH) is the only one who rejects that contention, and all that יהוה בן יהוה (YAHWEH BEN YAHWEH) builds is for you, his people -- his spiritual sons and daughters. We are all the same blood, the same bone, the same family, and have the same God. יהוה בן יהוה (YAHWEH BEN YAHWEH) is doing this as a sacrifice to show how it should be done.

יהוה בן יהוה (YAHWEH BEN YAHWEH) and Judith Israel have been denied a hearing to prove that they're indigent. יהוה בן יהוה (YAHWEH BEN YAHWEH) and Judith have committed their lives to יהוה (YAHWEH), the Supreme Being, and in so doing have given up all worldly goods. The Pope of Rome, the priests, and the nuns would never be denied indigent status. Everybody on the Earth knows that the Pope, the priests, and the nuns have all taken oaths of poverty. יהוה בן יהוה (YAHWEH BEN YAHWEH), too, has taken an oath of poverty. Neither his children nor grand-children have any estate at law in the United States from יהוה בן יהוה (YAHWEH BEN YAHWEH).

What in the world could possibly be the motive for denying him indigent status? The court's rejection of יהוה בן יהוה (YAHWEH BEN YAHWEH's) poverty plea shows open racism, double standards and religious persecution, which make יהוה בן יהוה

יהוה בן יהוה (YAHWEH BEN YAHWEH) a political hostage. This is showing open proof to the world that there is no hope for 60 million Blacks in the United States of America. Thus, 60 million Blacks have no choice but to run, hurry, and fly to יהוה (YAHWEH): יהוה (YAHWEH) equals one law for all people on the planet Earth. There is absolutely no hope for Blacks otherwise.

**What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Self-Proclaimed Son of God יהוה (YAHWEH) promised to return? ■**

## ***PREJUDICED JUDGE IN THE YAHWEHS' TRIAL ASKED TO STEP DOWN***

Monday, April 8, 1991, was to be the final status conference before the actual trial of the Yahwehs. However, a last minute motion requesting that Judge Roettger “recuse” himself or step down from the trial interrupted all proceedings. The defense filed a motion asking for Roettger’s dismissal based upon a statement made by the Judge at a February 6, 1991, status conference. At that hearing, Roettger clearly stated, “I am not terribly concerned about getting an impartial jury.” However, two months later, Roettger reversed his position entirely. In doing so, Roettger clearly showed signs of displeasure at the defense for raising the motion.

Roettger, who had decided on motions presented over the last two months, refused to release his decision. He cited he prefers to wait until determination of the motion for recuse. Although his preference was to hand the matter over to Magistrate Snow, he agreed, at the behest of lead defense counsel, Alcee Hastings, to refer the motion to Chief Judge King for resolution. Magistrate Snow has previously rendered decisions relative to this case which appear to be part of a collusion in the U.S. Justice Department to persecute the Yahwehs. Thus far, all of the Yahwehs have

been denied bond by several U.S. Magistrates although legal requirements for “clear and convincing evidence” have not been met by the prosecution.

At the April status conference, Roettger issued additional remarks which indicated an unfavorable disposition toward the defendants. Roettger stated for the record that a number of persons in attendance were wearing white robes and turbans and felt that this might present a problem during the actual trial; he stated that this might intimidate jurors. Alcee Hastings issued a strong objection clarifying that the white attire is part of the religious cultural attire prescribed by the Nation of יהוה בן יהוה (YAHWEH's) faith. He further added that it would not be an issue if they were Catholic. It is a well-known fact that the Yahwehs wear white robes. In several of their publications, this practice is supported by several scriptures in the King James Version of the Bible. However, Roettger showed total disregard for this practice by referring to the ceremonial attire as “uniforms.” Roettger also denied a motion earlier this year requesting that the defendants be allowed to wear their religious attire during court proceedings. This is a clear case of religious discrimination and a total disregard for the U.S. Constitution which maintains freedom of religion in the First Amendment.

In addition, four of the defense lawyers stated that the presently scheduled trial date of May 20, 1991, presents a conflict with another previously scheduled trial. It would

be impossible for them to adequately represent their clients with both trials going on at once. However, the conflicting schedule was totally disregarded.

All of these facts lead to the inescapable conclusion that the prosecution along with the Judicial Branch are involved in a conspiracy to railroad the Yahwehs to prison without allowing a fair trial to take place. Although Judge Roettger said that he was the only one concerned about holding a fair trial, several facts indicate otherwise.

Among them:

- No bond for any defendants, although no evidence and no witnesses have been presented by the prosecution.
- The prosecution, which has the legal obligation to report all evidence and witnesses, has been given permission to withhold this vital information.
- The Judge is limiting the defense to 30 days to prepare for trial, although the prosecution has prepared for four and a half years.
- The Judge is not concerned about an impartial jury.
- The Judge refuses to acknowledge the defendants by their religiously adopted names, although some have had their names legally changed as such.
- The Judge refuses to allocate adequate funds for the investigation requirements of the defendants, although millions of dollars have been spent by the prosecution.
- The Judge shows a disregard for the religious beliefs of the defendants.
- The Judge schedules a trial at a time when four of the defense lawyers cannot fully participate.

- The Judge allows the prosecution to have a free hand in all affairs.
- The Judge schedules the trial to occur in the midst of one of the three most sacred holy festivals of the defendants.
- The Judge urges the defendants to plead guilty at any time saying, "I prefer to get it out of the way in a hurry." He followed this statement by expounding on his sentencing guidelines -- never once giving consideration to the fact that the defendants may be innocent.

This government is declared to be "by the people, of the people, and for the people." We, The People For Truth, demand that these words be honored. יהוה בן יהוה (YAHWEH BEN YAHWEH) and the other defendants are entitled to the same rights granted to all other persons in this country. יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers are entitled to the First Amendment right guarantees them freedom of religion, which includes their religious attire as prescribed by the Bible. יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers are entitled to the Eighth Amendment right which guarantees them a reasonable bail. בן יהוה יהוה (YAHWEH BEN YAHWEH) and his followers are entitled to the Sixth Amendment right which guarantees them due process of law, which includes a fair trial before an impartial judge and 12 impartial jurors.

The fact that the prosecution has to go through such measures indicates that there is more than meets the eye. Obviously the prosecution has ulterior motives against יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers. Otherwise, why this

obvious disregard for all of the fundamental principles that this country was built upon? Could all of this prosecution/persecution be because יהוה בן יהוה (YAHWEH BEN YAHWEH) is who he says he is? Two thousand years ago, the laws of a country were totally disregarded in order to crucify one man -- Christ.

Is it possible that יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Christ that is promised to return? ■

## ***YAHWEHS HUMAN RIGHTS VIOLATED ACCORDING TO UNITED NATIONS***

The United Nations adopted the *Universal Declaration of Human Rights* “as a common standard of achievement for all peoples and nations.” Yet, in the continuing persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers, their human rights, as defined by the *Universal Declaration of Human Rights*, have been severely and repeatedly violated.

Article 5 of this Declaration states, “No one shall be subjected to torture or to cruel, inhuman or degrading treatment or punishment.” Yet the Yahwehs have been placed in a “hole” for days without meals, baths, or fresh air. Members have been denied emergency medical treatment. This is totally inhumane, cruel, and degrading. Article 7 states, “All are equal before the law and are entitled without any discrimination to equal protection of the law.” Whereas other persons have been **convicted** of crimes that are worse than those that the Yahwehs are **only accused of**, these other persons have been granted bond while the Yahwehs have been categorically denied bond.

Equality means that if a person is **convicted** of racketeering (such as Hialeah Mayor Martinez) can be granted bond, then certainly a person (such as יהוה בן יהוה [YAHWEH BEN YAHWEH]) who is **only accused** can be given bond as well. Equal before the law means that if Manuel Noriega, who has tens of thousands of loyal followers in Panama and millions of dollars in bank accounts across the world can have his legal fees paid by the U.S. Government, then certainly יהוה בן יהוה (YAHWEH BEN YAHWEH), who has **no bank accounts anywhere**, can be granted the same. Equal before the law means that if Manuel Noriega can wear the attire of his choice in court, namely his military uniform, then certainly יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers should be allowed to wear the attire of their choice, namely their religious cultural garments. This is total discrimination and a complete violation of this UN adoption.

Article 9 states, "No one shall be subjected to arbitrary arrest, detention or exile." Yet, on November 7, 1990, all male members of the Nation of יהוה (YAHWEH) were arbitrarily arrested, most without warrants, simply because they were Yahwehs. Until this day, יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 of his followers are in pre-trial detention, simply because they are Yahwehs. All guidelines for pre-trial detention have been totally ignored in this case with the Yahwehs.

Article 10 states, "Everyone is entitled to a fair and public hearing by an independent

and impartial tribunal.” Yet, Federal Judge Norman C. Roettger stated for the record, “I am not terribly concerned about getting an impartial jury.”

In addition, Roettger showed clear contempt for the religion of the defendants, labeling their religious attire as “uniforms.” Then Roettger attempted blackmail of one of the defendant’s lawyer (a public defender) by reducing his pay because his client did not plea bargain.

Article 11 states, “Everyone charged with a penal offence has the right to be presumed innocent until proven guilty according to law in a public trial at which he has had all the guarantees necessary to his defense.” Yet, the Yahwehs are being detained as though they are guilty. Roettger continues to address the defendants as though they are guilty, urging them to plea bargain at any time or else face stiffer sentences. One of the legal guarantees for a fair trial is the release of the evidence and witnesses against the defendants. Yet, the prosecution refuses to comply with the United States laws in this matter. Never in the history of America has this information been withheld in a non-capital case. Since the Yahwehs are supposed to be presumed innocent, why have they been imprisoned for six months without a trial?

Article 12 states, “No one shall be subjected . . . to attacks upon his honor and reputation.” Yet, the prosecution in cooperation with the media has continually

attacked the character of יהוה בן יהוה (YAHWEH BEN YAHWEH). In a recent article, U.S. Attorney Dexter Lehtinen admitted to this collusion saying that one reporter had all of the information contained in a **sealed indictment** the day before it was served.

Article 17 states, “Everyone has the right to own property alone as well as in association with others.” Yet, one of the charges in the indictment against the Yahwehs charges them with “buying and maintaining property.” Since when is it against the law to own property? But the Yahwehs have been arrested and are currently imprisoned for “buying and maintaining property.” In America, millions of people own property and buy property every day. Yet the Yahwehs are being singled out in depriving them of this fundamental human right.

Article 18 states, “Everyone has the right to freedom of thought, conscience and religion; this right includes freedom to change his religion or belief, and freedom, either alone or in community with others and in public or private, to manifest his religion or belief in teaching, practice, worship, and observance.” Yet, the Yahwehs are being harassed and persecuted because of the “practice, worship and observance” of יהוה (YAHWEH’s) laws, statutes, judgments, and commandments as found in the Holy Bible.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is being incarcerated and implicated

because of his religious teachings, which come straight from the Holy Bible. One member, currently imprisoned in New York, was told by his parole board that until he stopped believing in יהוה (YAHWEH) as God, he would not be granted parole. This is totally unethical, illegal, and immoral. Although יהוה בן יהוה (YAHWEH BEN YAHWEH) has the right to manifest his teachings in the Nation of יהוה (YAHWEH), wicked members of the U.S. Government are trying to deny him this right. They are trying to put an end to these teachings because יהוה בן יהוה (YAHWEH BEN YAHWEH's) teachings are serving as a model of excellence for the Black community.

Article 19 states, "Everyone has the right to freedom of opinion and expression; this right includes freedom to hold opinions without interference and to seek, receive, and impart information and ideas through any media." Yet, the only evidence presented against יהוה בן יהוה (YAHWEH BEN YAHWEH) was a printed pamphlet. This pamphlet was not written by יהוה בן יהוה (YAHWEH BEN YAHWEH). This pamphlet was not printed by יהוה בן יהוה (YAHWEH BEN YAHWEH). This pamphlet was written about יהוה בן יהוה (YAHWEH BEN YAHWEH). Yet, because some of the views in that pamphlet do not agree with the views of some people in the Government, יהוה בן יהוה (YAHWEH BEN YAHWEH) is labeled a "danger to the community" and is being held in prison without bail.

Article 2 states, "Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as race, color, sex, language, religion or other opinion, national or social origin, property, birth or other status." Yet, the fact remains that the Yahwehs have had their human rights violated because they are Black. The Yahwehs are also being discriminated against because of their religion and have been denied their human rights because of their common belief in יהוה (YAHWEH) as the Creator and Supreme Being. The Yahwehs are being denied their human rights because they, along with 60 million Blacks in America, are Hebrew Israelites by national origin and by birth. Therefore, 60 million Blacks in America must come to the painful reality that if the Government is allowed to take away the Yahwehs' rights, then they have no human rights in America.

This *Universal Declaration of Human Rights* begins with the fact that, "recognition of the inherent dignity and of the equal and inalienable rights of all members of the human family is the foundation of freedom, justice, and peace in the world." Therefore, until the human rights of the Yahwehs are restored to them, there cannot and will not be freedom, justice, and peace in the world. It further states that "disregard and contempt for human rights have resulted in barbarous acts which have outraged the conscience of mankind." This is happening today before your very eyes. Because wicked members of the U.S. Government have totally disregarded the human rights of the Yahwehs, thus committing barbarous acts against them, the

conscience of the moral people of the Earth are becoming outraged as these facts are brought to light.

What is the reason for this total denial of the Yahwehs' human rights? יהוה בן יהוה (YAHWEH BEN YAHWEH) claims to be the Second Coming of Christ. Two thousand years ago, when Christ declared his divinity, his rights were denied and he was held in contempt by the rulers of that era. Now, we see the same thing happening today. Is this a mere coincidence or is יהוה בן יהוה (YAHWEH BEN YAHWEH) the Son of God יהוה (YAHWEH), the Christ who is promised to return in these last days? ■

**THE**  
**TRIAL OF יהוה בן יהוה:**  
**GUARANTEED UNFAIR BEFORE IT STARTS**

The Trial of יהוה בן יהוה (YAHWEH BEN YAHWEH) has not begun. In fact, it has not been scheduled. Yet, several factors already lead to the inevitable conclusion that it will be anything but a fair trial. When former Federal Judge Alcee Hastings took over as the lead defense attorney in November 1990, he issued this short statement to the press, "My client is innocent. All that we're asking for is a fair trial before an impartial judge and 12 reasonable men and women." Though this is what we have come to expect in this country, it now appears that Mr. Hastings was asking for a bit too much.

First, there is a matter of "discovery" in which the prosecution, traditionally as required by law, releases to the defense attorney the information, witnesses, and evidence it has accumulated against the defendant. This information allows a defendant to know what he is faced with and thus, prepare an adequate defense. Yet, Judge Roettger is allowing the prosecution to withhold this vital information

until 30 days before the trial begins. He has totally ignored the pleadings of 17 defense lawyers who have stated several times they need this information to prepare an adequate defense. Whereas the prosecution has accumulated this information, analyzed it and dissected it over a period of four to ten years, by some modern miracle, the defense is supposed to be equally prepared in only one month.

The prosecution claims that it is withholding this information to protect witnesses. Yet, this flimsy excuse falls apart when examined. First of all, יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers are being held because they supposedly represent a threat to these witnesses, **whose identities they do not know!** Even more importantly, with the exception of an admitted serial killer who needs no protection, all of the witnesses for the prosecution have refused to enter the Federal Witness Protection program, although it has been repeatedly offered to them. That fact in itself proves that these witnesses obviously do not feel that יהוה בן יהוה (YAHWEH BEN YAHWEH) is a threat to their safety. In addition, the Government claims to have hundreds of witnesses. Never in South Florida's history has a witness for a Federal case been harmed by the accused.

According to יהוה בן יהוה (YAHWEH BEN YAHWEH), he has been fully aware of this investigation for the last few years; fully aware of individuals testifying to the Federal Grand Jury in reference to him. Yet, he has not, in any way or fashion, to

even the slightest degree, attempted to obstruct justice by intimidating any of these witnesses. The present safety and well-being of all the witnesses support this 100 percent.

The very fact that all of the defendants remain imprisoned pose a serious obstacle to a fair hearing. Studies by Harvard Law School indicate that pretrial detention virtually eliminates any chance for a fair trial. Pretrial detention prevents the defendants from preparing an adequate defense, and this virtually assures success for the prosecution. It has been proven that the longer you can keep the defendant imprisoned before the trial begins, the greater your chances are for prosecution. **This is the real reason for keeping יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers incarcerated. They do not represent a threat to the community, they represent a threat to the success of the prosecution!**

Since being imprisoned, none of the Yahweh members have been able to support their families, and are being represented by public defenders. As a result, monies for their defense are allocated by the federal government. Although the prosecutors have already spent millions on this investigation for the last ten years, they refuse to allocate even a small fraction of that for the defense. On the side of the prosecution, there is a team of investigators from several local, state, and federal agencies who have worked for ten years to build a case. On the other hand, the Government has allocated only enough money for each defendant to have one investigator working

for only one week to build an adequate defense. The reason given for this miserly allocation of funds is out of concern for the taxpayers' money.

Why isn't the taxpayers' money an issue when it comes to the prosecution's budget? Why isn't the taxpayers' money an issue when it comes to the pretrial detention of יהוה בן יהוה (YAHWEH BEN YAHWEH)? The money spent to keep seventeen innocent people imprisoned before trial could be better spent elsewhere. On one side, the prosecution can run up a bill unto the millions of dollars, and on the other hand a few thousand dollars for the defense of innocent people is deemed to be too much. The Yahwehs have been law-abiding, tax-paying citizens for years. Whereas other religions enjoy a tax-free status, the Yahwehs have been required to pay taxes for years. Now all of a sudden, the same money that they put into the system cannot be used for their benefit. This is nothing but religious persecution!

Next, we have Judge Norman C. Roettger, who has been assigned to this case, openly admitting, "I am not terribly concerned about getting an impartial jury." This judicial system in this country is built around being tried before an impartial jury of your peers. If the jury has already condemned the defendant before the trial begins, then what is the use of a trial? If the judge is not concerned about an impartial jury, then he is obviously not concerned with justice being served in this case.

The main reason behind the problem of getting an impartial jury is the onslaught of

negative publicity from the Miami Herald. In the first 120 days since the indictment was issued, the Miami Herald has printed over 30 negative stories on the Yahwehs, most of them on the front page of the main or local section. The Herald has not limited its coverage to just the facts, but has focused primarily on unsubstantiated allegations and hearsay. This proves that this negative campaign is far from being fair journalism. יהוה בן יהוה (YAHWEH BEN YAHWEH) has actually gotten more press coverage than deposed Panamanian General Manuel Noriega.

The Miami Herald reaches approximately 275,000 readers daily in Dade County, which represent almost half of Dade's registered voters. In addition, the Herald has a daily circulation of 100,000 in Broward County, or about one-sixth of their registered voters. Thus, it is apparent that it will be extremely difficult, if at all possible, to have an impartial jury in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH). However, the judge is not concerned about "an impartial jury."

So we have יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers locked up to prevent him from getting a fair trial. Then we have the prosecution withholding information from the defense to further prevent a fair trial; then the defense is severely limited in investigating this information to even further prevent a fair trial. The judge does not care about a fair trial, and the Miami Herald is doing everything it can to prejudice the public against the Yahwehs before the trial begins.

If the charges against יהוה בן יהוה (YAHWEH BEN YAHWEH) were actually true, then all of this foul play would not be necessary. So obviously the charges are untrue. Why would all of these people go through all of this trouble to bring up and try to sustain false charges to stop one man? They obviously do not want him to continue his good works. Immoral individuals throughout the Government and the media are trying desperately to stop יהוה בן יהוה (YAHWEH BEN YAHWEH) because of his good works.

Immoral individuals can only succeed as long as the righteous people of the world remain blind as to what is really happening. Two thousand years ago, the Scribes (reporters) and the Pharisees (immoral rulers) persuaded the people to turn against Jesus and crucify him. They said Jesus was the Son of God, and the people didn't listen back then. Today, יהוה בן יהוה (YAHWEH BEN YAHWEH) says he is the Son of God, יהוה (YAHWEH). Will we listen this time? ■

## ***SUPREME COURT JUSTICE MARSHALL CONDEMNS LAW HOLDING YAHWEH AS UNCONSTITUTIONAL***

Currently, יהוה בן יהוה (YAHWEH BEN YAHWEH) and sixteen members of the Nation of יהוה (YAHWEH) are being held under a Pre-Trial Detention Clause of the 1984 Bail Reform Act. In a recent Supreme Court decision regarding the 1984 Bail Reform Act, Justice Thurgood Marshall, the only Black Supreme Court Justice ever, condemned this Act as unconstitutional. Justice Marshall stated in his official opinion,

“This case brings before the Court for the first time a statute in which Congress declares that a person innocent of any crime may be jailed indefinitely, pending the trial of allegations which are legally presumed to be untrue . . . Such statutes, consistent with the usages of tyranny and the excesses of what bitter experience teaches us to call the police state, have long been thought incompatible with the fundamental human rights protected by our Constitution. . . . [The Bail Reform Act] disregards

basic principles of justice established centuries ago and enshrined beyond the reaction of governmental interference in the Bill of Rights.”

יהוה בן יהוה (YAHWEH BEN YAHWEH) has already been imprisoned over four months. Though a man in this country is supposed to be innocent until proven guilty, this has not been the case with יהוה בן יהוה (YAHWEH BEN YAHWEH). The charges against him, which are assumed to be untrue until proven, are the very cause for his incarceration.

Justice Marshall continues,

“Our fundamental principles of justice declare that the defendant is as innocent on the day before his trial as he is on the morning after his acquittal. Under this statute an untried indictment somehow acts to permit a detention, based on other charges, which after an acquittal would be unconstitutional. The conclusion is inescapable that the indictment has been turned into evidence. ‘If it suffices to accuse, what will become of the innocent?’”

“. . . Imprisonment to protect society from predicted but unconsummated offenses is . . . unprecedented in this country and . . . fraught with danger of excesses and injustice . . .”

“Unless the right to bail before trial is preserved, the presumption of innocence, secured only after centuries of struggle, would lose its meaning.”

Though the Eighth Amendment guarantees the right to Bail, יהוה בן יהוה (YAHWEH BEN YAHWEH) and his sixteen followers have been categorically denied bail before trial because of their common religious belief. In a series of staged hearings before four different U.S. magistrates, all the Yahwehs were ordered to pre-trial detention, although no witnesses and no evidence have been presented against any one of them. Justice Marshall concludes,

“Throughout the world today there are men, women, and children interned indefinitely, awaiting trials which may never come or which may be a mockery of the word, because their governments believe them to be ‘dangerous.’ Our Constitution, whose construction began two centuries ago, can shelter us forever from the evils of such unchecked power. . . . Today a majority of the Court [in enforcing the Bail Reform Act] applies itself to an ominous exercise in demolition.”

In addition to Supreme Court Justice Marshall’s decision, “The last two times the Second Circuit [Court of Appeals] has dealt with the dangerousness branch of the pretrial detention provisions of the Bail Reform Act of 1984, it has been held to be

unconstitutional. The first Second Circuit case to face the constitutional issue directly was *United States v. Melendez-Arrion*. The Honorable Jon O. Newman's opinion in the case details how detention for dangerousness breaks radically not merely with the history of bail in the United States, but more importantly, with the fundamental notions that define liberty in this freest of nation. . . . That a competent adult may be jailed, before conviction of any crime, because government officers consider him 'dangerous to the community' under the terms of what the Government styles a 'regulatory' provision is too close to 'a police state approach.'"

In *United States v. Gallo*, it states, "The inevitable consequences of pretrial incarceration, particularly when prolonged beyond a short period, are undeniably severe. They constitute a pattern of harms that we traditionally consider punitive."

The *Harvard Journal of Law and Public Policy* support this by stating, "The quality of the detainee's legal defense is likely to diminish dramatically as long as he or she is incarcerated. The interlude between arraignment and trial is 'perhaps the most critical period of the proceedings.'

. . . A defendant free on bail or on his own recognizance can make good use of this liberty. He is available on a twenty-four hour basis to consult and participate fully with counsel in time-consuming preparations for trial. He alone may be able to locate and persuade key defense witnesses to testify. He is often the key source of

factual details on which to base pretrial motions and negotiations. He can assist in tracking down evidential leads. Authorities recognized that prior detention hobbles adequate preparation for trial.”

United States v. Gallo further adds, “All of these factors insure that the quality of the defendant’s legal defense will be diluted at best, and possibly be rendered inadequate by extended pretrial incarceration.

All of these hardships, including deterioration of morals, demeanor, finances, resources, reputation, and quality and thoroughness of legal defense, may combine to disadvantage the defendant at the judgment and sentencing states of the proceedings. As to judgment, studies have indicated that detention is likely to increase the chances of conviction at trial.

. . . studies indicate that detention increases the chances of harsher and longer sentence.

. . . Detained defendants are stigmatized, disheartened, and made to suffer great hardships that would normally be associated with punitive sanctions.

Other democratic nations which permit pretrial detention enforce fairly strict time

limits. For example, the sixty-day or two month rule governs most cases of pretrial detention in Japan and France.”

All of these facts prove beyond a reasonable doubt that the Government is using pretrial detention against יהוה בן יהוה (YAHWEH BEN YAHWEH) to attempt to destroy his character, and any chance that he may have for a fair, just, impartial trial. Judge Roettger supports this claim by his statement at a status hearing held on February 4, 1991, when he stated, “I am not terribly concerned about getting an impartial jury.”

In addition, the fact that this method of incarcerating יהוה בן יהוה (YAHWEH BEN YAHWEH) is undeniably unconstitutional in itself, the very means in which it is being employed in this particular case is unprecedented and defies standards set throughout the country. Numerous examples exist to prove that in the Trial of יהוה בן יהוה (YAHWEH BEN YAHWEH), the Government is clearly overstepping its bounds with regard to the laws of this country. In *United States v. Knight*, it is clearly stated that “the fact that the defendant is charged with an offense . . . is not, in itself, sufficient to support a detention order.”

In *United States v. Hurtado*, adds that, “The Government may not merely come before the trial court, present its indictment, and thereby send the defendant off to

jail.” Yet, that is exactly what took place in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH).

Judge Roettger, who approved a pre-trial detention order for יהוה בן יהוה (YAHWEH BEN YAHWEH) on January 22, 1991, clearly stated at a status hearing held on February 4, 1991, that “All I have is an indictment, and that’s about as much as I know about the case.” Roettger’s decision shows a blatant disregard for the law, and is a clear case of an abuse of his judiciary authority.

In United States v. Fisher, a standard was set for offering bail because, “Government offered only hearsay testimony, and chose to rely on triple hearsay . . . moreover, conduct for which defendant was indicted occurred two years before indictment, during which time Government allowed him to remain on the streets.” Yet in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH), the only witnesses presented by the Government against יהוה בן יהוה (YAHWEH BEN YAHWEH) were three detectives who could only tell the court what a convicted killer told them that he heard from somebody else.

In addition, all of the charges in the indictment against יהוה בן יהוה (YAHWEH BEN YAHWEH) are at least four years old, during which time the Government allowed him to remain on the streets, and during which time not one single accu-

sation against יהוה בן יהוה (YAHWEH BEN YAHWEH) has arisen. It is obvious יהוה בן יהוה (YAHWEH BEN YAHWEH) has not been a threat to the community for at least the past four years, and the Government has no evidence to the contrary.

In conclusion, first we have the United States Constitution ignored as a statute is created to imprison יהוה בן יהוה (YAHWEH BEN YAHWEH). Next, we have the guidelines and standards of that statute ignored in order to continue to persecute יהוה בן יהוה (YAHWEH BEN YAHWEH).

Only once before in history, were all the laws of a country totally set aside in order to persecute one man, and that man was Jesus Christ. Are we going to let history repeat itself? ■

## ***PROSECUTION SEEKS TO RAILROAD THE YAHWEHS***

For the past six months, the prosecuting attorneys have refused to release any information or witnesses against Yahwehs. Yet, 17 Yahweh defendants, including יהוה בן יהוה (YAHWEH BEN YAHWEH), remain incarcerated on unsubstantiated allegations.

The prosecution has totally ignored federal laws, rules, regulations and guidelines in every aspect of this act. The most recent case has been its continuous refusal to provide discovery to the defense.

Discovery is when the prosecution releases the names of witnesses and all the evidence it will submit during trial. This information is given to the defense attorneys so that they may prepare a case, and to insure that the defendants get a fair trial. Discovery is required by law. Yet the prosecution has refused to release this information.

Since the indictments were handed down on November 6, 1990, the prosecution has withheld vital information: information needed to prepare a proper defense, and information needed to insure a **fair trial**. The prosecution stated that they would not release this information until 30 days prior to trial. The trial is scheduled for May 20, 1991. As of April 20, 1991, 30 days before the scheduled trial is to begin, the prosecution still has not provided this vital information. The prosecution has now decided that they will not provide this information until **two days before trial!** This is totally unethical, unjust, and illegal.

Rule 16 of the Federal Rules of Criminal Procedure clearly states, "Upon request of the defendant the Government shall permit the defendant to inspect and copy or photograph books, papers, documents, photographs, tangible objects, buildings or places, or copies or portions thereof, which are within the possession, custody or control of the Government, and **which are material to the preparation of the defendant's defense or are intended for use by the Government as evidence in chief at the trial.**"

Federal Criminal Code and Rules 1990 edition expounds on the necessity of discovery by stating, "Discovery contributes to the fair and efficient administration of criminal justice . . . by minimizing the undesirable effects of surprise at the trial; and by otherwise contributing to an accurate determination of the issue of guilt or **innocence.**"

It goes on to state, “The American Bar Association Standards **mandate the prosecutor to make the required disclosure . . .** Due process will require the prosecution, **on its own**, to disclose evidence ‘helpful’ to the defense.” “In Brady [vs. Maryland, 373 U.S. 83] the court held that ‘due process’ requires that the prosecution disclose evidence favorable to the accused.”

“Subdivision(a)(1)(E) . . . provides for discovery of the names of witnesses to be called by the Government and of the prior criminal record of these witnesses. Many states [including Florida] have statutes or rules which require that the accused be notified prior to trial of the witnesses to be called against him. . . . The American Bar Association’s Standards Relating to Discovery and Procedure Before Trial § 2.1(a)(i) require disclosure of the prior criminal record of witnesses places the defense in the same position as the Government, which normally has knowledge of the defendant’s record and the record of anticipated defense witnesses. In addition, the defendant often lacks means of procuring this information on his own.” These laws are clear. They were established to ensure that every citizen, regardless of race, religion, or ethnic origin, would get a fair trial. However, the prosecution has broken each of these laws, **only in this case with the Yahwehs.**

In addition to this unlawful conduct by the prosecution, they have also committed many more illegal acts; namely:

- Refusal to address יהוה בן יהוה (YAHWEH BEN YAHWEH) by his legal name.
- Refusal to allow the defendants to exercise their freedom of religion by wearing their religious attire in the courtroom. The defendants are required to wear prison garb; however, Noriega is allowed to wear his military attire.
- The judge is “not concerned about getting an impartial jury,” although this is one of the fundamental requirements on which this country was built.

If the prosecution, which represents the Government, is allowed to blatantly violate the very laws that they established, then no citizen is safe in this country. The prosecution is setting a very dangerous precedent where a person can be apprehended and imprisoned for months without bond, without a single piece of evidence, or a single witness against him. Now, anyone who is considered a “threat to society” by this government becomes a potential political prisoner. This is exactly what is happening in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH).

No longer do the words “innocent until proven guilty” carry any meaning within the U.S. justice system. No longer do the words “all men are created equal” continue to be relevant. As long as these evil, wicked individuals within the U.S. Government continue to run rampant, breaking every law in the book, then this country will continue to degenerate into nothing more than a police state.

How can we condemn Sadaam Hussein and other dictators around the world for violating the human rights of their citizens when the exact same thing is happening right here in the United States? To claim to be the international champion of human rights while simultaneously persecuting citizens within this country is hypocrisy on a global level.

What is the reason for this attack? Why is the prosecution violating the laws of the land in this case with the Yahwehs? If the Yahwehs are actually guilty, as the media would have us believe, then all of these devious, underhanded schemes by the prosecution would be unnecessary.

Therefore, the question arises, "Why is the Government trying to railroad the Yahwehs?" Could it be that they suspect that יהוה בן יהוה (YAHWEH BEN YAHWEH) is actually the Christ promised to return? Remember the purpose of Christ is to establish the Kingdom of Heaven. If יהוה בן יהוה (YAHWEH BEN YAHWEH) is not the Christ, then these wicked rulers have nothing to worry about. **But what if יהוה בן יהוה (YAHWEH BEN YAHWEH) is The Christ promised to return? ■**

## יהוה *NAME* *WINS PULITZER*

In 1991, the Pulitzer Prize for Spot News reporting was awarded to a series of stories centered around the name יהוה (YAHWEH), and the people who are called by that name -- the Nation of יהוה (YAHWEH), also commonly referred to as "The YAHWEHs." The stories were systematically designed by wicked persons within the media and the U.S. Government to cast יהוה (YAHWEH's) name out as evil. Yet, it has brought the following facts to the attention of the world:

- יהוה (YAHWEH) is the true name of God.
- יהוה בן יהוה (YAHWEH BEN YAHWEH) has come as the Self-Proclaimed Son of God to proclaim the name יהוה (YAHWEH) to the whole Earth.
- There is a controversy in America surrounding the YAHWEHs "because there is no truth, nor 'justice,' nor knowledge of יהוה (YAHWEH) in the land" -- Hosea 4:6.
- יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers are suffering persecution by the U.S. Government, and denial of their basic human rights as prescribed in the First, Sixth, and Eighth Amendments of the Bill of Rights.

Evil agents within the U.S. Government are in collusion with the media to attempt to discredit יהוה פתח יהוה (YAHWEH) through misinformation. Although the media has been able to get secret information from the Government such as information contained in a sealed indictment, defense lawyers have been denied access to records they are entitled to -- information they vitally need to prepare for the upcoming trial.

Worldwide media reports attempted to blot out the name יהוה פתח יהוה (YAHWEH) in stating that the Pulitzer Prize was awarded to coverage of a "local cult." Yet, headlines in the Miami Herald read, "Herald Wins Pulitzer for Articles Probing Yahweh Religious Sect." In fact, all of the stories emphasized the name יהוה פתח יהוה (YAHWEH) in the headlines. This is because the media is trying to capitalize off of the fact that the Earth is becoming full of the knowledge of יהוה פתח יהוה (YAHWEH). The media is capitalizing off of the fact that people are interested in the name יהוה פתח יהוה (YAHWEH), and the people who are called by that name. The media is using the name יהוה פתח יהוה (YAHWEH) both to sell newspapers and to secure fame for themselves. This becomes apparent in light of the fact that almost 50 stories, most of them front page, have been written in the Miami Herald in the last six months.

Although more stories have been written about יהוה פתח יהוה (YAHWEH) than any topic, other than the Gulf war, the Herald admits that it has only done "spot" reporting, rather than complete coverage. In "spot" reporting, the Herald is quick to pick up on any negative gossip, rumor, or hearsay concerning the YAHWEHs, sensationalize

it, and mix and match it together for several articles. Yet, verifiable facts are intentionally overlooked. In its “spot” coverage, the Herald has failed to report the following facts:

- No evidence has been presented against the YAHWEHs.
- No witnesses have come forth to testify against the YAHWEHs.
- No bond has been granted to the YAHWEHs, although the law calls for “clear and convincing evidence.”
- The YAHWEHs have suffered sabotage at their businesses during this ordeal.
- The YAHWEHs have suffered persecution in prison.
- Several members, including יהוה בן יהוה (YAHWEH BEN YAHWEH), himself, have been placed in solitary confinement without provocation.
- One member, Judith Israel, was denied emergency medical treatment and almost suffered a stroke.
- Before even looking at the appeal, the United States 11th Circuit Court of Appeals refused to grant יהוה בן יהוה (YAHWEH BEN YAHWEH) bond.
- Judge Roettger is not “concerned about an impartial jury.”
- Judge Roettger will not allow the defendants to wear their religious garments, and has indicated that he may not allow spectators to wear theirs.
- Convicted killers are granted bond while awaiting their appeal, while the “accused” YAHWEHs have been denied bond.

Why are these modern day “scribes” only reporting half of the story? Why are these

modern day “scribes” attempting to deceive the public? Why are these modern day “scribes” honoring each other for their deception?

Two thousand years ago, the “scribes” condemned Christ to death (Matthew 20:18). Two thousand years ago, Christ warned the “scribes” saying, “Woe unto you, scribes and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in” (Matthew 23:13).

Just as the scribes in the past were upset with Christ for preaching the Kingdom of Heaven, these modern day scribes are upset with יהוה בן יהוה (YAHWEH BEN YAHWEH) for teaching the Kingdom of Heaven today. Just as the scribes in the past plotted against Christ, so are the modern day scribes plotting against יהוה בן יהוה (YAHWEH BEN YAHWEH) today. Just as the scribes in the past deceived the people and turned them against Christ, so these modern day scribes are attempting to deceive you and turn you against יהוה בן יהוה (YAHWEH BEN YAHWEH).

Is יהוה בן יהוה (YAHWEH BEN YAHWEH) the Son of God יהוה (YAHWEH) who was promised to return? This is the one question that these modern day scribes do not want you to consider. ■

יהוה בן יהוה  
***DENIED BOND***  
***BECAUSE HE QUOTED THE BIBLE***

In a unprecedented motion which is totally contradictory to the First Amendment guarantee to freedom of free expression, Judge Roettger denied יהוה בן יהוה (YAHWEH BEN YAHWEH) bond based upon two taped classes given by יהוה בן יהוה (YAHWEH BEN YAHWEH). On the first tape, Judge Roettger condemns יהוה בן יהוה (YAHWEH BEN YAHWEH) for quoting Luke 19:27. Anyone with a red-lettered edition of the Bible can clearly see that these were the same words spoken by Jesus almost 2,000 years ago. In order for Judge Roettger to rule that יהוה בן יהוה (YAHWEH BEN YAHWEH) is a threat to the community because he quoted Jesus means that Roettger, had he been around 2,000 years ago, would have likewise ruled that Jesus was a threat to the community. Thus, Roettger's decision means that hundreds of thousands of Christian ministers who teach from the Holy Bible, as well as hundreds of millions of Christians worldwide, are a threat to the community.

On the second tape, we hear יהוה בן יהוה (YAHWEH BEN YAHWEH) quoting Leviticus 24:16. Leviticus 24:13 lets us know that these are the words which the Lord יהוה (YAHWEH) spoke unto Moses. Would Roettger have us believe that Moses, or even the Lord יהוה (YAHWEH) himself, is a threat to the community? Not only does this affect all Christians, but since Leviticus is one of the first five books of the Bible, also known as the Torah, then all Jews worldwide are likewise condemned by Roettger's decision.

Other than these two taped sermons, no other evidence was brought forth against יהוה בן יהוה (YAHWEH BEN YAHWEH). Thus, it becomes apparent that the charges against יהוה בן יהוה (YAHWEH BEN YAHWEH) are not the real issue. **THE REAL ISSUE IS HIS TEACHINGS.**

This is the type of decision we could expect if this were a communist state, or a totalitarian dictatorship, especially one where the worship of God is illegal. But this is America. The founding fathers of this country set up constitutional guarantees to insure that not only could you worship God as you please, but you could also express that belief. If nowhere else on Earth, you would expect that in America you could quote the Bible without being thrown in prison.

This is the same Bible that the President puts his hand on to be sworn into office.

This is the same Bible that each witness in court puts his hand on to swear “to tell the truth, the whole truth, and nothing but the truth, so help me God.” This is the same Bible that has been the world’s best-seller for centuries. This is the same Bible that is in virtually every home in America. This is the same Bible that is in almost every hotel and motel room in America. This is the same Bible that every Christian, Jew, and Muslim around the world believe in, either some part of it, or all of it. This is the same Bible that thousands of ministers quote over the radio or TV stations every week.

Now all of a sudden, it has become a crime to quote the Bible. It is now a crime to interpret the Bible in any manner contrary to those powers that be. Though a raving maniac can stand in front of the White House reading the *Communist Manifesto*; though millions of people can open up shops which sell pornographic books and magazines; though anti-semitic and anti-black racists can demonstrate in the middle of any city in this country espousing their hatred openly -- all in the name of the First Amendment freedom of free expression, it has now become a major crime to speak the holy words that are found in the Bible. Only an evil, wicked, corrupt, profane person would condemn the words of God יהוה (YAHWEH). Only a hypocrite of the worst kind can sit in a seat of authority saying “In God We Trust” and then turn around and imprison a man because he speaks the words of this God that we trust in. Perhaps יהוה בן יהוה (YAHWEH BEN YAHWEH) is shedding new light on these old Scriptures by introducing original interpretations. But is this any reason to

condemn him? Remember 2,000 years ago, Jesus quoted the Old Testament and introduced new, radical interpretations. If the world would have disregarded his teachings just because they were different, where would we be today? Remember that Jesus was persecuted for his teachings, even as יהוה בן יהוה (YAHWEH BEN YAHWEH) is being persecuted for his teachings today. יהוה בן יהוה (YAHWEH BEN YAHWEH) claims to be the Son of God יהוה (YAHWEH). If he is not, then we have nothing to worry about. **But what if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Son of God יהוה (YAHWEH)? ■**

## ***WHY WON'T BUSH HELP THE YAHWEHS***

President Bush is already running for re-election in 1992, and is facing a serious dilemma at home and abroad. President Bush and his administration are standing on the sidelines as the Nation of יהוה בן יהוה (YAHWEH) is suffering total violation of their constitutional rights, Sixth Amendment Rights, and Due Process.

Members of the Nation of יהוה בן יהוה (YAHWEH) are suffering religious persecution, racism, anti-black hatred, hate crimes, human rights abuses, denial of bond, seven months pretrial detention, no trial date, denial of indigent status, denial of presumption of innocence, tried and convicted by the media, treatment as criminals although they are innocent civilians, attempted blackmail of a lawyer by Federal Judge Roettger. This is the most uncivilized **scandal** in the history of the United States Government.

Where is President Bush this time? His hands off policy while a whole religion is being attacked and destroyed reflects a cold and callous attitude toward **double standards** and the rule of law in the United States Government.

In March, while the **human rights** of the Nation of יהוה (YAHWEH) were being slaughtered, President Bush went fishing. This is a **Judas Kill** before the world community. It is **moral treachery** to stand on the sidelines and watch freedom of religion be destroyed in America. It is like the police officers who stood around and watched fellow officers beat Mr. King in Los Angeles.

While President Bush is preparing for re-election in 1992, he is allowing the **public lynching** of Almighty God יהוה (YAHWEH's) people. President Bush is allowing Federal Judge Norman Roettger to commit **reversible errors** and to remain the judge after publicly demonstrating racism, religious intolerance, and using **pre-trial detention** as a **tool of imprisonment** without a conviction. The law of the land says pre-trial detention shall not be punitive.

The Assistant United States Attorney, Richard Scruggs and his assistant, have stooped to the lowest of morality by attempting blackmail of a co-defendant by threatening him that if he did not falsely plea bargain and lie for them, they would falsely charge him with drugs.

President Bush, as you seek re-election, will you allow the greatest mistrial of justice against one of the most respected religious leaders in the history of America? More than 15,000 voters in Miami (Cubans, Jews, Whites, and Blacks) have signed petitions for the release of יהוה בן יהוה (YAHWEH BEN YAHWEH). About 1 million

voters (Whites, Jews, Blacks, Latins) have signed petitions nationwide for his release. Tourists from several countries have signed petitions for the release of יהוה בן יהוה (YAHWEH BEN YAHWEH).

President Bush, we know you have the power to cure **double standards at law**, since your son was let off easy in the S & L problems. ■

***PERSECUTION  
BY U.S. GOVERNMENT  
DRIVES YAHWEH MEMBER INSANE***

For the past eight months, Ahinadab Israel, along with יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 other members of the Nation of יהוה (YAHWEH), has been incarcerated under pre-trial detention. No evidence has been presented and not witnesses have testified against them, yet they still have been detained well beyond the three months prescribed by the Speedy Trial Act. In addition, corrupt government officials have abused their authority to persecute these presumably innocent defendants during these last several months. While people who have been **convicted** are being treated like decent human beings, these members of the Nation of יהוה (YAHWEH), who **have only been accused and have not yet had a trial**, are suffering from inhumane living conditions.

Most recently, the Government has imposed starvation upon them. All of the defendants are strict kosher vegetarians whose diet is prescribed by the Bible. Thousands of inmates, both pre-trial detainees and convicts from other religions such

as Judaism or Islam, have filed lawsuits requesting pork-free vegetarian meals. In every single case, the Government has granted these petitions with decent meals. Yet, in dealing with the Yahwehs, the corrupt government officials have twisted the meaning of kosher meals. One day it may mean two pieces of rotten fruit. On another day, it may mean brown lettuce and spoiled tomato salad. On another day, it may mean a few strips of carrots and a handful of broccoli. Whereas orthodox Jews can get kosher meals three times a day, and devout Muslims can get pork-free meals three times a day, members of the Nation of יהוה בן יהוה (YAHWEH) have been reduced down to one paltry serving that is barely edible (**and sometimes isn't edible at all**).

Months of this imposed starvation have taken its toll on the Yahwehs. The Yahwehs have experienced their first casualty as a result of this persecution by corrupt government officials. Ahinadab Israel, who refused to deviate from his Bible-prescribed diet, has been starved to the point of insanity. He recently ran from the shower naked and went and put his head in a toilet. He has become totally paranoid. Ahinadab is suffering from anemia, malnutrition, starvation, disorientation, and massive hallucinations. If a team of doctors were brought in to examine him, they would probably all agree that he should be hospitalized. Yet he has been denied medical treatment. To make matters worse, instead of placing him in the hospital where he belongs, prison officials threw him in the "Hole" (solitary confinement). In fact, at the time of this publication, the prison officials have not even contacted

his relatives. The Ahinadab that was arrested on November 7, 1990, has been killed off. Aside from יהוה בן יהוה (YAHWEH BEN YAHWEH), Ahinadab no longer recognizes any of his brothers. Thanks to continued persecution by corrupt officials, he is no longer the same man that walked into the jail.

For years, יהוה בן יהוה (YAHWEH BEN YAHWEH) has prescribed a diet for his followers that consisted of beans, rice, vegetables, and a Hebrew salad which contained a wide variety of vegetables. Corrupt government officials have criticized יהוה בן יהוה (YAHWEH BEN YAHWEH) for this diet. Assistant U.S. Attorney Scruggs has even accused יהוה בן יהוה (YAHWEH BEN YAHWEH) of abusing his followers and starving them. Yet there has not been one proven case of this happening. While adhering to this diet for years, none of יהוה בן יהוה (YAHWEH BEN YAHWEH'S) followers, including Ahinadab, have ever suffered abuse or malnutrition. In fact, some of his followers who came to him with terminal cancer have been fully rehabilitated solely because of this diet.

This type of torture and abuse that Ahinadab is suffering is the type we would expect to see in places like the Soviet Union, Vietnam, Korea, Uganda, Haiti, Cuba, or any other underdeveloped or communist country -- but certainly not in America. Who would think that in America, you could be arrested, denied bond, held several months without a trial, starved and tortured to the point of insanity, without a single

piece of evidence or a single witness against you? We wonder which one of the Yahweh defendants (who have also been malnourished for over eight months) is next.

You must ask yourself if you will be the next target of corrupt government officials. Are you an enemy of the state? If the Republicans are in authority, then being a Democrat might make you an enemy. If Christians are in authority, then being a Jew or a Muslim might make you an enemy. If a Methodist is in control, then being a Baptist, Catholic, or Episcopalian might make you an enemy. Maybe this sounds far-fetched, but it probably sounded far-fetched to so-called witches in this country in the late 1600s. How many months of starvation and malnutrition could you take before you go off the edge? Today it's Ahinadab because he's a Yahweh. Tomorrow it could be you. ■

## ***FEDERAL JUDGE ROETTGER ATTEMPTS BLACKMAIL OF YAHWEH LAWYER***

~

One of the public defenders assigned to the Yahwehs' case was forced to drop out after almost six months of preparation and with a month left before the scheduled trial date begins. Our informed sources close to the case reveal that Judge Roettger stated he was not going to sign for the lawyer to get paid because the lawyer did not get the defendant to plea bargain. This is outright religious persecution and racial discrimination. This is an open violation of human rights.

The Sixth Amendment to the United States Constitution grants every individual in this great country the right to due process of law. This due process means that whenever any individual is arrested, he is told he has the right to be represented by an attorney and one will be provided to him if he is unable to afford one. On top of that, the U.S. Constitution dictates that a person is innocent until proven guilty. Yet, here is the case of a federal judge, a public servant paid to enforce the law, showing total disregard for the most fundamental laws on which this country is established.

This lawyer was also one of the lawyers who adopted a motion to recuse Judge Roettger from the case because Roettger has clearly demonstrated that he does not intend to hold a fair trial. At a status hearing held February 6, 1991, Roettger urged all defendants to plea bargain, and then followed up by going over his sentencing guidelines. Now we have this same federal judge attempting to coerce pleas by applying pressure to the legal counsel of the defendants.

When explaining the situation to the defendant, the lawyer explained that he has a wife and children to support. These actions by the Judge made it impossible for him to fulfill his obligations to his family. So in order to continue to support his family, he has no other alternative than to drop the case.

This is outright **extortion** by a federal judge. This is **Blackmail!** For a judge to force a lawyer to get his client to plead guilty or face monetary loss is **illegal**. Will this judge attempt this same extortion on the other defense lawyers? What about the jurors? Will the judge misuse his power to suppress evidence that would exonerate the defendants? Will this judge allow hearsay testimony (which is illegal) against the defendants, which has been the case in all of the bond hearings?

How can the Yahweh defendants receive a fair trial from a judge who attempts blackmail against their lawyers? How can the Yahweh defendants receive a fair trial from a judge who "is not concerned about getting an impartial jury?" How can the

Yahweh defendants receive a fair trial from a judge who shows open contempt for their religious beliefs? How can the Yahweh defendants receive a fair trial from a judge who allows the prosecution to ignore laws regarding discovery of evidence? How can the Yahweh defendants receive a fair trial from a judge who considers mere accusations as sufficient evidence to deny them bond for several months? How can the Yahweh defendants receive a fair trial from a judge who urges them to plead guilty at every available opportunity?

If the Yahwehs, who are a model of excellence for the Black community, are allowed to be railroaded, then what hope do 60 million Blacks of America have for justice? Add to this the fact that when a white man was wrongly jailed for three years, he received over \$250,000 compensation; but when two black men were wrongly jailed for 12 years, they have been repeatedly denied any compensation. Add to this the fact that police officers can outright kill innocent blacks and either be declared innocent (as in the case of Neville Johnson and Arthur McDuffie) or allowed to roam the streets without serving a day in jail after being convicted (as in the case of William Lozano). Now the one group that was making real progress in the economic empowerment of the Black community, the Nation of יהוה בן יהוה (YAHWEH), is being denied justice at all turns.

Are all men created equal as the Declaration of Independence states? Or should this read, "All white men are created equal"? Is everyone innocent until guilty? Or

should this read, “Innocent until proven Black, and thus guilty”? Is the U.S. Government sending a message to the Black community that “When you stop begging for government dollars, pool your resources, become self-sufficient and independent, and rebuild your communities, then we’re going to persecute you into submission”?

Why does the U.S. Government continue attacking and persecuting יהוה בן יהוה (YAHWEH BEN YAHWEH)? Could it be that יהוה בן יהוה (YAHWEH BEN YAHWEH) is taking a stand in behalf of Blacks of America? Could it be that יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Self-Proclaimed Son of God who is promised to return? All indications of world affairs strongly imply that these are the days when Christ would make his second coming. What if יהוה בן יהוה (YAHWEH BEN YAHWEH) is the second coming of Christ? ■

## ***ASSISTANT U.S. ATTORNEY SCRUGGS TRIES “DIVIDE AND CONQUER” TACTICS AGAINST THE YAHWEHS***

On Friday, March 15, 1991, one of the Yahweh defendants was rudely awakened at 4 a.m., and brought to a surprise hearing before U.S. District Judge Norman C. Roettger. Immediately, the Yahweh defendant was confronted by Assistant U.S. Attorney Richard Scruggs. He told the defendant that another defendant had told on him and that it would be best for him to plea bargain. The Yahweh defendant adamantly denied the charges against him, as he has done for the last four months while imprisoned before trial. Scruggs then began to badger the Yahweh defendant and to demand a confession and plea bargain. When Scruggs saw his bluff had been called, he pleaded with Judge Roettger. Roettger responded angrily declaring that he was informed he was called for a plea bargain, which was not taking place. Scruggs begged, saying he needed more time. Roettger reprimanded him saying that something stunk about the whole thing.

After four months of holding all the Yahweh defendants without bail, the prosecution has produced absolutely nothing. No witnesses. No evidence. No confessions.

Nothing! Roettger has stated at an earlier status hearing held on February 6, that it is “unusual to have a case with 17 defendants and no pleas [plea bargaining] by this stage [after three months].” Now, a month after that status hearing, Scruggs has tried to force the issue by pressuring the defendants into plea bargaining, but to no avail.

Then another bizarre twist is added to the dirty, underhanded schemes of the prosecution. Absolutely no record exists of the surprise hearing on March 15. According to U.S. District Court officials, records are made of each hearing, and are available to the public. Many hearings are transcribed and those transcripts are available for public inspection. Those that are not transcribed may be ordered to be transcribed for a fee. However, when inquiry was made into this strange hearing of March 15, request for public records were flatly denied. No explanation was given. All indications lead to the inescapable conclusion that Assistant U.S. Attorney Scruggs is trying to conceal the facts and mislead the public by hiding information that would be damaging to his case. This is nothing less than a coverup of major proportions!

Inside sources reveal that Scruggs plans to try the same “divide and conquer” tactics with each of the Yahweh defendants by isolating them and outright lying to them, saying, “So-and-so told on you so you might as well confess. If you do, we’ll make

sure you get a lighter sentence. Otherwise you'll be facing so many more years if you refuse to cooperate.”

Earlier this year, another defendant in the case, Sister Judith Israel, was denied emergency medical treatment. She later found out that if she would speak out against יהוה בן יהוה (YAHWEH BEN YAHWEH), that she would become one of the “favored” inmates and would have full access to all the medical treatment she needs.

On the one hand, you may say that these “divide and conquer” tactics are necessary to expose the truth. However, if you presume these people to be innocent, as the U.S. Constitution dictates, then it becomes easy to see how their refusal to confess to crimes they did not commit could be misconstrued as “not cooperating.” The question becomes, “How long do you continue these devices before finally giving the defendants the benefit of the doubt?” The very fact that Scruggs has to resort to such wicked devices reveals that he does not have enough information to prove that person's guilt. So if you do not know of a surety that a person is guilty, how can such tactics be justified? The end does not justify the means.

Two thousand years ago, the “divide and conquer” tactic was used successfully against Jesus Christ in order to separate him from his followers and the people, and thus, crucify him. Now the same tactic is being used against a man who claims to be

the Second Coming of Christ. What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Son of God יהוה (YAHWEH) who is promised to return? ■

***ASSISTANT U.S. ATTORNEY SCRUGGS  
SECURES FALSE WITNESSES  
AGAINST יהוה בן יהוה (YAHWEH)***

Two hypocrites, former pretenders, were indicted along with יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 followers, and were denied bond as a flight risk and a “**danger**” to the community. When these two traitors **agreed to lie for the Government, they were suddenly given bond** and freed on their “own signature” bond of \$500,000. They did not have to put up anything.

The **trick and game is: When you agree to lie for Assistant U.S. Attorney Scruggs, representing the Government, you are not a flight risk or a danger to the community.** This is an insult to all intelligent people. What a shame on Assistant U.S. Attorney Scruggs. This continued type of low-minded, **immoral** behavior is bringing disgrace upon all good, law-abiding citizens of America.

Here we have two wicked men who have confessed to wicked acts, **free on bond**, meantime יהוה בן יהוה (YAHWEH BEN YAHWEH), a holy man

and teacher of righteousness -- **only accused by admittedly wicked individuals** -- is denied bond.

This is open proof of **religious persecution: denial of due process of law under the U.S. Constitution**. President Bush should be ashamed to “allow” Assistant U.S. Attorney Scruggs to indict a “**whole religion**” and call the “true” practice of religion a “**racket**.”

The King James Version of the Bible is the religion of the Yahwehs. Only an **Anti-Christ** has the nerve to call **practicing the teachings of the Bible** an “enterprise.” This is **racist and anti-black** and is a “**hate crime**” against a **whole religion**. This “**hate crime**” against the Nation of יהוה (YAHWEH), which encompasses all 60 million Blacks of America, who are descendants of slaves, is enough to cause the U.S. Government to “**fall apart**” during the upcoming **Presidential elections**.

If any President of the United States of America allows an Assistant U.S. Attorney to disallow the First Amendment constitutional protection of a **whole religion** based **exclusively** on the **Holy Bible**, then **your religion is next**. Several nationalists and religious groups (over 5,000 people) are in prison now under the RICO law! You must **wake up now** before it is **too late!**

Remember, Assistant U.S. Attorney Scruggs is not only indicting individuals for

crimes, but he is also indicting the **whole Bible religion of the Yahwehs.**

The Holy Bible says, "Blessed is he that cometh in the name of Almighty God יהוה (YAHWEH)" (Psalm 118:26). Yet, Assistant U.S. Attorney Scruggs has indicted every person who is called or comes in the blessed, holy and righteous name of יהוה (YAHWEH).

**Warn all Americans -- Assistant U.S. Attorney Scruggs is trying to set a precedent to destroy יהוה (YAHWEH's) Bible religion today.** (The trial date has been set for September 11, 1991.) This will be worse than **Hitler's Germany** for all Americans. Because the Jews were different, Hitler's Germany allowed their destruction, which destroyed Germany. If this becomes **the law of the land, then your entire religion is next.** If President Bush allows Assistant U.S. Attorney Scruggs to set the **precedent, indicting the whole Nation of יהוה (YAHWEH) (of 60 million ex-slaves),** then **ethnic and nationals had better flee to your own lands, because you are next.**

People are saying that יהוה בן יהוה (YAHWEH BEN YAHWEH) is being **persecuted and crucified for your sins of breaking the laws of Almighty God יהוה (YAHWEH).** People are saying that these hateful acts against יהוה בן יהוה (YAHWEH BEN YAHWEH) and the **disciples of יהוה (YAHWEH)** are open **"proof"** to the world that **the Son of Man is come.** People all over the world are

saying that the **incarceration and suffering of יהוה בן יהוה (YAHWEH BEN YAHWEH)** is open proof that יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Savior the whole world has been waiting to come. We demand יהוה בן יהוה (YAHWEH BEN YAHWEH's) release now!!! America must end this persecution now!!!

What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Son of Almighty God יהוה (YAHWEH) promised to come? Will you submit to the Kingdom of Heaven? ■

## ***U.S. GOVERNMENT STEALS YAHWEH GROCERY STORE***

In a blatant act of religious persecution and racial discrimination, the United States Government has forced the closing of First Rate Foods, the only supermarket in the predominantly black Overtown neighborhood of Miami.

In 1990, followers of יהוה בן יהוה (YAHWEH BEN YAHWEH), conforming to his teachings of self-help programs, utilized their resources to establish First Rate Foods. These hard-working, tax-paying citizens pooled their hard-earned savings to purchase equipment, to repair the run-down equipment provided by the city, and to stock the shelves. Then they volunteered their leisure time to clean up the building and prepare the store for grand opening. By unifying their efforts and working together as family, members of the Nation of יהוה (YAHWEH) were able to achieve the impossible and open First Rate Foods with less than two months preparation when it usually takes six months to a year to open a supermarket.

In the Grand Opening celebration, Miami Mayor Xavier Suarez, City Commissioners

Miller Dawkins and Victor DeYurre, Greater Miami Urban League President T. Willard Fair, former City Manager and Developer Howard Gary, all gave their seal of approval and urged community support. Dignitaries, media, and the community were all astonished at the cleanliness of the store, the friendliness of the personnel, the variety of products, and the team spirit that permeated the store. Residents of Overtown, the predominantly black neighborhood that became infamous nationwide following several riots in the past few years, at long last had a supermarket in its midst that was truly "First Rate."

However, evil individuals within the U.S. Government, led by Assistant U.S. Attorney Scruggs, have continually misused and abused their power to harass and hound First Rate Foods until it finally closed its doors. First they cast a shadow over First Rate Foods by publicly claiming that the owners and management were under federal investigation and, thus, in violation of the contract with the City of Miami. In fact, none of the owners, managers, or staff of First Rate Foods are under investigation. Yet, simply because other members of the Nation of יהוה פתח יהוה (YAHWEH) have been arrested (*although not convicted*), Scruggs is persecuting the entire Nation of יהוה פתח יהוה (YAHWEH) under the pretense of "guilt by association." This is totally in violation of the U.S. Constitution's First Amendment guarantee of Freedom of Religion. This is totally against the basic fundamental right that a person is innocent until proven guilty.

Since the inception of this great country, millions of people have been arrested for various crimes. However, never in the history of this country has the mere arrest (*not the conviction*) of a person been just cause for other persons with a common belief to be subjected to harassment and persecution. Never has a group of people been denied the right to participate in the free enterprise system because of their religious belief. Yet this is exactly what is happening to members of the Nation of יהוה (YAHWEH).

If this dangerous precedent is allowed to stand, then the consequences for this country will be disastrous. Hitler, in persecuting the Jews because of their beliefs and economic successes, transformed Germany into a fascist police state. By eliminating the rights of the Jews, he successfully eliminated the rights of all citizens, particularly anyone in opposition to his plans. In addition, he caused Germany to be isolated and all the nations to turn against Germany and unite in its destruction.

By allowing the U.S. Government to force First Rate Foods to close because of the belief of its owners, managers, and staff allows it to continue in this line of attack against all religions and nationalities. It will allow them to attack businesses owned by Christians. It will allow them to attack financial institutions owned by Jews. It will allow them to attack Marriot hotel and other businesses owned by Mormons. It will allow them to attack hotels owned by Hindu Indians. It will allow them to attack various businesses owned by Japanese. If the U.S. Government is allowed to shut

down a legitimate business because the owners share the same nationality or religious belief with someone who has only been arrested, then no one is safe.

By forcing First Rate Foods to close, the U.S. Government is sending a clear message to Blacks, discouraging them from “doing for self.” At the same time, by reversing Affirmative Action, vetoing the Civil Rights Bill, and turning back the civil rights calendar with ultra-conservative Supreme Court rulings, Blacks are being discouraged from asking the Government for assistance. If the U.S. Government does not want to assist Blacks and does not want Blacks to help themselves, then what do they want Blacks to do? The U.S. Government is clearly illustrating to sixty million Blacks of America that they have no future in this country. How many times in this century have we seen a Black leader actually unite Black people towards success, only to see the Government attack the leader and his movement relentlessly?

Two thousand years ago, a group of people (Hebrews) were suffering persecution by another nation (Romans) and a Savior (Christ) came along to intercede. The oppressors attacked the Savior, his followers, and even turned some of his own people against him. Now we see that identical situation happening today. יהוה בן יהוה (YAHWEH BEN YAHWEH) claims that Blacks of America are the true Hebrews and that he is the Savior that has been promised to come. Could this be true? ■

## ***ASSISTANT U.S. ATTORNEY SCRUGGS ATTEMPTS TO DESTROY BARCLAY HOTEL IN DOWNTOWN ATLANTA***

~

We are witnessing **religious persecution** at its worst. The Grand Jury, at the request of Assistant U.S. Attorney Scruggs, has issued subpoenas to all “**known**” officers of “**independent**” corporations who “**believe**” in Almighty God יהוה (YAHWEH).

Wicked men who sit in high places (courts) are allowing the **vindictive, racists, anti-Black** and **anti-religious** prosecutor Assistant U.S. Attorney Scruggs to **persecute** and **crucify** יהוה בן יהוה (YAHWEH BEN YAHWEH) and “**all**” who believe in Almighty יהוה (YAHWEH), God of the Bible.

There is absolutely no link to these legal corporations except **the officers known have a common belief in** יהוה (YAHWEH).

This attitude allowed by **white supremacists** in positions of trust, called “**courts,**” will set the **precedent** for an attack against all **Jewish synagogues**: make rabbis responsible

for the alleged acts of a few Jews in their synagogues; “subpoena” all Jews in businesses who “believe in Judaism”; and prosecute them under “RICO conspiracy” as an “enterprise” simply because they “associate” together. **This is what is happening to יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers today. You and your religion are next.** What happened to the Jews in Germany is now happening in America: German generals are now in charge of the U.S. military. Could General Swarzkoff be a sign?

Four so-called black men got together and formed a corporation in Atlanta, Georgia (B&W Ltd.) and bought the **Barclay Hotel**, Atlanta’s most convenient address. These four brothers are from Atlanta, Los Angeles, St. Louis, and Miami. With the financial support of BOSS (Brothers of Superior Status) and WON (Women’s Opportunity Network), their “**united donations**” made this great, miraculous venture possible. These four brothers share the common characteristics of a good public reputation of honesty and morality; intellectual ability and ethical behavior.

BOSS and WON are non-sectarians groups of Christians, Muslims, Hindus, Jews, Hebrew Israelites, and Yahwists, who have decided it is time to set a “**perfect role model**” for the Black community “**first,**” and then the world. These two organizations openly support יהוה בן יהוה (YAHWEH BEN YAHWEH) because he has clearly demonstrated that he has the ability to teach Blacks in all cities *How to Move From Poverty to Riches*.

This attempt to take and destroy this **miraculous symbol of Black hope in downtown Atlanta** is not going to be tolerated by the “**moral**” and “**religious**” people of the world.

There are 60 million so-called Black people in America who are not going to tolerate this **anti-Black, racist, genocidal attack** by Assistant U.S. Attorney Scruggs, who is **misrepresenting** the U.S. Government.

African-Americans are accused daily of every evil, and are told that they should “**do for self.**” Yet, יהוה בן יהוה (YAHWEH BEN YAHWEH) (who is indigent) has successfully established a \$100 million dollar empire for those who follow his **principles**. יהוה בן יהוה (YAHWEH BEN YAHWEH) has established **the perfect role model of doing for “self,”** regardless of petty differences.

This attack against the **Barclay Hotel of Atlanta**, owned by a group of Blacks of different religions, is **proof** that Assistant U.S. Attorney Scruggs and his assistants are **anti-religious, anti-Black, and racists**. They seek to make it a “**crime**” for Blacks to “**pool**” their dollars and become **economically independent as all other nations who come to America**.

Japanese, Asians, and other nations have bought real estate in downtown areas of major cities throughout America. Blacks have suffered blood, sweat, and tears, and

have died in wars for America. **Why the double standards?** יהוה בן יהוה (YAHWEH BEN YAHWEH) is offering proof that Blacks in America are “**ready**” to **positively contribute** to America as “**moral**” citizens, and to “**do for self**” as others do. **All double standards must stop now!**

יהוה בן יהוה (YAHWEH BEN YAHWEH) has come “**first**” to the lost sheep of the house of Israel as prophesied. What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Christ promised to come?

Why is the U.S. Government attacking יהוה בן יהוה (YAHWEH BEN YAHWEH)? Why does the Government want to put an end to his good works? What if יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Christ promised to return? ■

## ***ASSISTANT U.S. ATTORNEY SCRUGGS ADMITS YAHWEH IS POOR***

The world must be made aware of the fact that יהוה בן יהוה (YAHWEH BEN YAHWEH) took an “oath of poverty” over 12 years ago as a “servant” of Almighty God יהוה (YAHWEH). The works of יהוה בן יהוה (YAHWEH BEN YAHWEH) prove that he is the most **unselfish servant of the people** to ever live on Earth. יהוה בן יהוה (YAHWEH BEN YAHWEH) has dedicated his life to help, benefit, promote, and advance the spiritual, economical, educational, political, and social interests of the people in 100 cities of America and several foreign countries.

יהוה בן יהוה (YAHWEH BEN YAHWEH) offers proof to the world that he has the wisdom, knowledge, and understanding of how to establish a system and organization that is able to educate and employ the people of the Earth. יהוה בן יהוה (YAHWEH BEN YAHWEH) has established a \$100 million empire for his **followers** and is ready to do the same for all who follow his **principles**. יהוה בן יהוה (YAHWEH BEN YAHWEH) teaches the **divine secret** of “**How to Move From Poverty to Riches.**” יהוה בן יהוה (YAHWEH BEN YAHWEH) accomplished this

great miracle in less than ten years. This **\$100 million empire** is legally in the names of the followers of יהוה (YAHWEH).

In a hearing earlier this year, יהוה (YAHWEH) told Federal District Court Judge Norman C. Roettger that he had no bank accounts, stocks or bonds anywhere on Earth; no property in his name on Earth; and is not an officer of any business or corporation. יהוה (YAHWEH) also admitted that he earns no salary as the Spiritual Advisor of the Nation of יהוה (YAHWEH). Assistant U.S. Attorney Scruggs admitted this is all true before Judge Roettger on May 30, 1991.

Federal Judge Roettger decided on Thursday, May 30, 1991, that Spiritual Advisor יהוה בן יהוה (YAHWEH BEN YAHWEH) is too poor to pay for his defense in a RICO conspiracy case -- and the U.S. Government should pay his lawyer, Alcee Hastings.

Why does **racist, anti-Black** Assistant U.S. Attorney Scruggs seek to destroy the effective Bible religion of the Nation of יהוה (YAHWEH) and **crucify** יהוה בן יהוה (YAHWEH BEN YAHWEH)? Did Assistant U.S. Attorney Scruggs perpetrate this **“hate crime”** out of a **“fear”** that **“all”** 60 million Blacks of America may get the **“idea”** of uniting with יהוה בן יהוה (YAHWEH BEN YAHWEH) and becoming **positive contributors** to America?

As President Bush seeks **re-election** in 1992, we ask: **how long must יהוה בן יהוה (YAHWEH BEN YAHWEH) suffer at the hands of wicked individuals within the U.S. Government?**

A mass movement is clearly beginning to emerge across America in support of יהוה בן יהוה (YAHWEH BEN YAHWEH'S) immediate release from prison; and the moral people of the world are beginning to take notice.

It is becoming clear to all **GOOD PEOPLE** that יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH) are suffering **religious persecution** and **double standards**. Even U.S. Judge Roettger said he doubted a **Catholic Archbishop** (who also takes an oath of poverty) would be treated like יהוה בן יהוה (YAHWEH BEN YAHWEH).

Assistant U.S. Attorney Scruggs' **evil design** to destroy יהוה בן יהוה (YAHWEH BEN YAHWEH) is to illegally hold him responsible for the "**alleged acts**" of 14 of his followers. All **preachers** and **leaders** of organizations are in **deep trouble** if RICO is allowed to be used successfully in this **wicked** manner by an enemy of God, religion, and the U.S. Constitution.

The only conspiracy in this case is between the **Judas serial killer, Rozier, Assistant U.S. Attorney Scruggs, and the media.**

Sister Judith Israel, an indigent co-defendant in the conspiracy case, has also asked the court to pay her lawyer. The 16 other indicted Yahweh followers were declared indigent after their arrests and have been given court-appointed lawyers.

RICO was designed to attack drug empires and not a **whole religion**. Since the intent, the legislature in passing the RICO statute was to destroy money laundering and to punish persons engaging in a pattern of racketeering activities. The facts in this article alone eliminate all RICO motives as a basis for a case against יהוה בן יהוה (YAHWEH BEN YAHWEH), the Nation of יהוה (YAHWEH), the Yahwehs, the Children of God, and the Temple of Love.

All property and assets of the Temple of Love, Inc., were acquired through the **tithes and offerings** of its believers and supporters -- the same as any church. **Only anti-christ, Assistant U.S. Attorney Scruggs, calls tithes and offerings a racket and a criminal enterprise.** If the court recognizes יהוה בן יהוה (YAHWEH BEN YAHWEH'S) indigent status, then why does the Government insist that יהוה בן יהוה (YAHWEH BEN YAHWEH) is a money-hungry religious racketeer. Your religion, church, temple and leader are next!

יהוה בן יהוה (YAHWEH BEN YAHWEH) is suffering this **evil persecution** for your sake. יהוה בן יהוה (YAHWEH BEN YAHWEH) is being crucified for the sins of the world. Lawbreakers caused **the death of Christ 1900 years ago**. What if יהוה בן יהוה (YAHWEH BEN YAHWEH) really is the Son of Almighty God יהוה (YAHWEH) promised to come?

Why is the U.S. Government attacking יהוה בן יהוה (YAHWEH BEN YAHWEH)? Why does the Government want to put an end to his good works? What if יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Christ promised to return? ■

## ***ONE MILLION SIGN PETITION FOR YAHWEH'S RELEASE***

One million people of all nationalities have "SEIZED THIS MOMENT" to let the world know they will not stand idly by and watch the U.S. Constitution and Bill of Rights be crushed by the immoral **YAHWEH** indictment.

The **YAHWEH** indictment sets the PRECEDENT for the INDICTMENT OF A "WHOLE RELIGION" and a "WHOLE NATION OF PEOPLE." Additionally, this indictment holds the leader of a religion responsible for the ALLEGED acts of his parishioners. It is known all over the world that priests hear confessions and are not charged with conspiracy because of what they hear. Yet, the **YAHWEH** INDICTMENT CHARGES that some members of יהוה בן יהוה (**YAHWEH BEN YAHWEH**) church ALLEGEDLY confessed to him they took part in a murder; thus, the Government has charged יהוה בן יהוה (**YAHWEH BEN YAHWEH**) with conspiracy in the act.

We are now "CONSCIOUS" of the fact that our 60 million Black population is

**“THE MAJORITY” ETHNIC GROUP IN AMERICA. AMERICA WILL NOW EXPERIENCE 30 MILLION BLACK ACTIVE REPUBLICANS AND 30 MILLION BLACK ACTIVE DEMOCRATS WHO WILL “WIN.”** The persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) is bringing about our unity, regardless of our religious, political, educational, social, and economical condition.

Our 60 million strong will determine who the next congressmen and senators will be. We will be heard **“NOW!”** The persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) lets the so-called black man know that יהוה (YAHWEH) is the God of the Bible and the God of our forefathers.

Our 60 million population in America is beginning to realize that power and justice are in our hands. We must take the power and justice that יהוה בן יהוה (YAHWEH BEN YAHWEH) has given all of us and stop this injustice against יהוה בן יהוה (YAHWEH BEN YAHWEH) and all of our leaders.

Almighty God יהוה (YAHWEH) has won this battle, and now it is time for the people to join to help fight and win this battle. Again, we must understand that יהוה (YAHWEH) has already won, so we must now go out and “stand up” against the wicked ones within the Government until they are removed.

We, the people, want the false indictment against the Nation of יהוה (YAHWEH)  
and their religion dropped and dismissed now!

Remember, this Government is by the people, for the people, and of the people, and  
60 million will settle for nothing less. ■

## ***INTERNATIONAL AFRICAN MOVEMENT DEMANDS יהוה בן יהוה RELEASE***

On February 21, 1991, the International African Movement (IAM) demanded the release of יהוה בן יהוה (YAHWEH BEN YAHWEH).

On November 7, 1990, over 300 Government agents raided all Yahweh properties nationwide, breaking down doors, handcuffing men, women, and children; seizing documents and arresting members wholesale -- all without a search warrant or an arrest warrant. Until this day, יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 of his followers remain imprisoned, awaiting trial on trumped up charges. All of the Yahwehs have been denied bail -- totally disregarding their Eighth Amendment right to a reasonable bail. During this illegal incarceration, all of the members have been persecuted in prison, ranging from being placed in solitary confinement for weeks to outright denial of emergency medical treatment.

The IAM's response to this vicious persecution of יהוה בן יהוה (YAHWEH BEN YAHWEH) because of his race and his beliefs is this:

“Let Him Go! We declare that יהוה בן יהוה (YAHWEH BEN YAHWEH) should be set free, on bond or otherwise until proven guilty of a crime under the laws of the land.

We declare, however, that if יהוה בן יהוה (YAHWEH BEN YAHWEH) declares the right of being an independent nation or of having inter-dependent status of a nation in the land, then he should be set free to himself. After being given such status, יהוה בן יהוה (YAHWEH BEN YAHWEH) has the right to uphold the moral laws of his nation and to execute justice to the fullest extent.”

“Further, that the incarceration of יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers -- along with so many others of African descent being held in the American prison systems -- is not justice but a travesty against justice. They are categorized as little more than ‘prisoners of war.’ Our people who are in these prisons are, to us, hostages who we want to be set free back to us.”

The IAM’s press release was timed to coincide with the anniversary of Malcolm X’s assassination. Their views are the views that they believe Brother Malcolm would have stated if he were alive today. This event should serve to remind us that in the

past, any African-American leader who stood up to defend our people was either assassinated or had his character assassinated by the established media. We must be mindful of the fact that when our leaders stand up to defend us, we must, in turn, defend them. When our leaders stand up to protect us, we must stand up to protect them. It is out of their love for us, as a people, that they take a stand to prevent others from manipulating our people, robbing our people, oppressing our people, and using and abusing our people. Thus, they become a target by the very groups who have a vested interest in the continued exploitation of our people.

יהוה בן יהוה (YAHWEH BEN YAHWEH) has stood up to set an example, to us and the world, that we can become self-sufficient and independent as a people. His works in the educational, political, social, economical, and spiritual realms clearly demonstrate that we, as a people, possess all the key ingredients. All we need is someone to show us how to put it all together. This is what יהוה בן יהוה (YAHWEH BEN YAHWEH) has been doing for our community, and this is why he is suffering the persecution he is going through today. Thus, we must support יהוה בן יהוה (YAHWEH BEN YAHWEH). An attack on יהוה בן יהוה (YAHWEH BEN YAHWEH), is an attack on us, as a people. Consequently, his success means our final success as a people.

Until יהוה בן יהוה (YAHWEH BEN YAHWEH) receives justice, then 60 million

Blacks in America must come to the conclusion that there is no justice for the Black man in America. Why does the U.S. Government find it necessary to persecute יהוה בן יהוה (YAHWEH BEN YAHWEH)? Could it be that יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Christ that is promised to return? ■

## ***HRS PERSECUTES*** **יהוה בן יהוה (YAHWEH) UNIVERSITY**

יהוה בן יהוה (YAHWEH) University is a **Perfect Role Model** for schools in America. **ITS STUDENTS ARE 100 PERCENT LITERATE.** The atmosphere is one where **Learning Is Fun and Fun Is Learning**. יהוה בן יהוה (YAHWEH) University is free from drugs, cigarettes, alcohol, AIDS, venereal diseases, teen pregnancies, truancy, and behavioral disruptions. Graduates of יהוה בן יהוה (YAHWEH) University are straight A students in all subjects. The students are well-adjusted and happy. יהוה בן יהוה (YAHWEH) University has a perfect record of achievement for the past ten years. Yet, HRS descended on יהוה בן יהוה (YAHWEH) University campus recently, saying they had received a report that there were **unnamed** students who were being **abused** and who were **starving**. These allegations are totally illegal, discriminatory, and amount to religious persecution.

The first act of **persecution** is the fact that there are **no boarding students**. All of the students live off-campus. The act of harassing the Yahwehs' private school and not the public schools and other private schools is **RELIGIOUS PERSECUTION** and **TOTALLY UNCONSTITUTIONAL**. This is **further proof to the world** that the U.S.

Governmental agencies are being used in an attempt to destroy יהוה בן יהוה (YAHWEH BEN YAHWEH), the Nation of יהוה (YAHWEH), and Black people in general. The citizens of the Nation of יהוה (YAHWEH) are the **relatives** of all Black Americans.

The acts of police **brutality, racism, anti-Black hatred, religious persecution, unconstitutional attacks, and double standards** must come to an end. **This is the Day of Judgment. Must 60 million Blacks in America be forced to conclude that there is no justice for Blacks in America?**

Compare the **elegant, immaculate, appearance** of יהוה (YAHWEH) University and its healthy students with all the schools in America. We challenge the U.S. Government to a picture comparison of all public and private schools.

Although the Nation of יהוה (YAHWEH) is **double taxed**, it manages to support a **first-class University** for its children. According to the laws of the United States, the Nation of יהוה (YAHWEH) has a legal right to operate private schools. Therefore, what reason exists for this unwarranted attack? **SIXTY MILLION BLACKS DEMAND AN END TO THIS PERSECUTION NOW!**

HRS has abused children at the hands of its own staff. There are millions of **homeless mothers and children** in the streets of America. Nothing is being done by

the HRS about poor mothers and children in such areas as Madison, Florida. Compare the filth of these **inhumane conditions** to יהוה (YAHWEH) University and you will see clearly the **hatred for the great works of יהוה בן יהוה (YAHWEH BEN YAHWEH)**.

The U.S. creates a safety zone for Kurd refugees in Iraq while 15 million Americans suffer hunger, unemployment, and homelessness; and while death claims poor rural Blacks in America. **WHAT HYPOCRISY!**

**How long, יהוה (YAHWEH), must the children of Almighty God יהוה (YAHWEH) suffer at the hands of the wicked?**

For which of יהוה בן יהוה (YAHWEH BEN YAHWEH's) good works do the wicked seek to crucify him? What if יהוה בן יהוה (YAHWEH BEN YAHWEH) is the One promised to come according to the Bible? ■

## ***GOING AFTER YAHWEH BEN YAHWEH: PROSECUTION OR PERSECUTION?***

*Reprinted courtesy of The Miami Times, Thursday, February 21, 1991.*

**“Anyone who knows the Bible would understand that the real Jews are Black, just as Jesus Christ was Black. Black people are the chosen people and the persecution Jesus Christ experienced for his beliefs is the same kind of harassment that these followers (Yahwehs) are dealing with.” -- Horace Stamps. In the book, “*From Poverty to Riches -- The Works of Yahweh Ben Yahweh*,” published by The Temple of Love.**

Jesus Christ, among men, is a vivid example of persecution and crucifixion in the absence of prosecution or trial. Some say the same may be true of the “Miami Messiah,” Yahweh Ben Yahweh.

In our town--“love it or leave it” -- the Black person on the street is once again faced with the dilemma that both confounds and confuses him or her.

The concern involves the religious group known as Yahwehs or Black Jews. The two questions most frequently heard are: What is the true interest of the federal government in the prosecution of the [group]? And, why is there so much reluctance

on the part of the Black community to get involved in the plight of their fellow citizens of color?

With regard to question one, there appears to be two schools of thought. One is economic, involving the old Egyptian adage of the Phoenix rising from the ashes to again rule the world. This idea relates to Yahweh Ben Yahweh's formula for the redemption of Black people, which appears to be working, as shown in the regal bearing of his followers, and the community wealth they've been able to amass in a little more than a decade. The other is religious and political, involving biblical differences on the origin of the "one God" concept and fear of a "Black takeover" if they ever found out their true beginnings.

The reluctance on the part of fellow Blacks to get involved in "Yahweh's business" is thought to stem from ignorance, media hype, and government propaganda. Ask any Black on the street about his attitude on the arrest and indictment of Yahweh Ben Yahweh and the leaders of the [group], and you will hear everything from a simple "I really don't know" to a barrage of stories they've heard or gotten strictly from "the horse's mouth" of a friend who is a member or former member. The question under these circumstances now becomes: To what extent are we, as responsible citizens of color, obligated to find out the truth about the problems of a group that are racially related (Black)?

Two aspects of this scenario bother these writers. One is: Why is Yahweh Ben Yahweh incarcerated and denied bail before his trial? And the other is: Why is the traditional “separation of church and state doctrine” conspicuously absent from these proceedings? It is also our understanding that this [group] (a bonafide religious entity) has been denied tax exempt status. Why?

According to newspaper reports, the indictments stem from tapes of speeches made by Yahweh Ben Yahweh and circumstantial or hearsay information extracted from former members, or a convicted murderer of two Opa-locka residents, who is now in prison.

A very significant factor that appears to have been overlooked by prosecutors is the attitude of practicing Yahweh members, who categorically reject the Government’s contention that their leader is an evil, merciless dictator, prone towards violence, sexual abuse, or even murder. From outward appearance, the members all seem well-adjusted, happy, and satisfied with their lives.

The Yahwehs’ simple response to what they believe is an “act to destroy their faith” has been through the distribution of leaflets and pamphlets extolling what they believe is the truth about what and who they are: a newspaper ad (showing pictures of properties they own) containing the words: “For which of these works do they

seek to persecute Yahweh Ben Yahweh?" and a 229-page book which explains in detail the philosophy, objectives, and practices of the [group].

In the book, "*From Poverty To Riches -- The Works of Yahweh Ben Yahweh*," published and edited by The Temple of Love, the following explanations of their beliefs are explored:

- Who is Yahweh? "Yahweh, in the original Hebrew, is the covenant God of Israel." "According to Jewish custom, because of reverence, the divine name was not to be spoken, so the words 'Lord' and 'God' were substituted. Because the divine name discloses God's nature, it is laden with authority, power and holiness of God himself."
- Where is the name Yahweh found? "The name is found in numerous writings and in many places, but the principal source of the name is the ancient Hebrew writings found in the Old Testament."
- Who is Yahweh Ben Yahweh? "Yahweh Ben Yahweh, the self-proclaimed 'wonderful one' -- claims he rose from the dead to be [the] Messiah ... Yahweh Ben Yahweh, whose name in Hebrew literally means 'God, the son of God' said he ... preach(es) ... only morality. 'I am the Messiah. I am the Word; I am Incarnate [Yahweh] Ben Yahweh ... said 'all who receive me shall be saved from immorality and death.'"
- Who are the followers of Yahweh Ben Yahweh? "Followers of Yahweh are human beings who actually invoke and summon their intellectual powers to think and transform thoughts into organized actions which produce miraculous, tangible effects. They take Yahweh as their guide

in doctrines, opinions and examples.”

- What is so spiritual about their holy white garments? “First, it is the culture of God, Yahweh, and the son of God, Yahweh Ben Yahweh. Daniel 7:9 describes God, the Ancient of Days, as wearing a garment as white as snow.”
- Beliefs about education: “All knowledge that is recognized by every nation is derived from the study of books written by Hebrew Israelites. ‘God’ is the sole educator and only by him and through him can a proper education be obtained.”
- Beliefs on the origin of American Blacks: “The Yahwehs believe that American Blacks are the true (Hebrews), descendants of the ancient tribes of Israel.”

These ideas and many others, including photos of good works, letters of appreciation and testimonials are found throughout this very illuminating book about people who are visible and, oddly, invisible in our community.

The questions still remain however: Why are the leaders and heads of this organization incarcerated and denied bail? Why are fellow Blacks indifferent? We have no answer to the first question: it seems incomprehensible and incredible to us. With regard to the question of Black indifference, we believe it relates to a lack of knowledge outside of religious faiths that are not Christian or Islamic. What do you think?

***1992 -- AFRICAN AMERICANS  
WILL WIN THE WHITE HOUSE  
WITH 50/50 STRATEGY***

יהוה בן יהוה (YAHWEH BEN YAHWEH) has a divine plan to win the White House in 1992. African-Americans are no longer the minority. We are the Majority ethnic group of 60 million strong. Half of us must register as Republicans and the other half must register as Democrats. This means the husband must register in one party while the wife registers in the other party. No matter which party wins, "We" Win!

We must let the officials and the Democratic and Republican Parties know that we do vote, and by registering with both parties our voice will be heard in the White House and in Congress. SIGN THE PETITION below and help us to tell the heads of both parties that we are not going to be left out anymore. Put an "R" or a "D" beside your name and we will forward it to the appropriate party. We, the people, want the false indictment of the Nation of יהוה (YAHWEH) and their religion dropped and dismissed immediately because it is unconstitutional!

Show your support for human and constitutional rights by signing the petition below and sending it to the return address. Invite your family, friends, and co-workers to sign as well.

**PETITION**

We, the people, demand the immediate release and constitutionally fair treatment of יהוה בן יהוה (YAHWEH BEN YAHWEH) and the other incarcerated members of the Nation of יהוה (YAHWEH).

**YAHWEH USES NATURE  
TO RETALIATE AGAINST AMERICA'S  
PERSECUTION OF יהוה בן יהוה**

*"If they [the Government] put their hands on me, they'll find out that יהוה (YAHWEH) controls nature."* -- יהוה בן יהוה (YAHWEH BEN YAHWEH), West 57th Street, 1989.

This statement demonstrated that יהוה בן יהוה (YAHWEH BEN YAHWEH) was fully conscious of the wicked plans of the Government to apprehend him. November 7, 1990, the FBI, in an unprecedented illegal terroristic raid against a religion, arrested יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 of his followers. NATURAL CATASTROPHES HAVE PLAGUED THE WORLD SINCE HIS ARREST. RECORD BREAKING NATURAL DISASTERS ARE PLAGUING THE PLANET EARTH AS THEY DID IN THE DAYS OF PHARAOH. THESE ARE SOME OF THE REPORTED DISASTERS SINCE יהוה בן יהוה (YAHWEH BEN YAHWEH'S) ARREST:

- 15,000 Earthquakes • 18 Typhoons • 8 Severe Storms • 14 Floods • 6 Cyclones • 5 Record-breaking Cold Waves • 2 Gale Winds • 2 Heat Waves

- 73 Tornadoes • 3 Mudslides • 3 Droughts • Volcanic eruptions • A major Cholera Epidemic • Thousands of Lightning Strikes • Lightning Storms • Ice Storms • Major river changing course • UFO sightings • Famines
- Pestilences • Locust plagues • Mosquito plagues • Frog plagues

THE WORLD IS SUFFERING THESE DISASTERS BECAUSE THE NATIONS OF THE WORLD HAVE UNITED WITH AMERICA TO PERSECUTE THE SON OF GOD, יהוה בן יהוה (YAHWEH BEN YAHWEH). REV. 18:3 -- ALL NATIONS HAVE DRUNK THE WINE OF THE WRATH OF HER FORNICATION.

THESE PLAGUES, PESTILENCES, DISEASES, CATASTROPHES, DISASTERS, HOMELESSNESS, UNEMPLOYMENT, AND ECONOMIC CHAOS SHALL CONTINUE TO GET WORSE AND WORSE UNTIL יהוה בן יהוה (YAHWEH BEN YAHWEH), THE SON OF GOD, IS RELEASED, AND THE INDICTMENT DROPPED AND DISMISSED.

SCIENTISTS ALL OVER THE WORLD ARE RECORDING NATURAL DISASTERS AT UNPRECEDENTED NUMBERS AND DEGREES.

RELIGIOUS SCHOLARS ALL AGREE THAT THESE ARE SIGNS OF THE RETURN OF CHRIST (THE MESSIAH) AND THE SIGNS OF THE END. If יהוה בן יהוה (YAHWEH BEN YAHWEH) is not the Son of God, then you have nothing to worry about. But what if he is? ■

***THE CRUCIFIXION OF CHRIST/THE  
PERSECUTION OF בן יהוה יהוה:  
COINCIDENCE OR DE-JA-VU***

בן יהוה יהוה (YAHWEH BEN YAHWEH) has stated for years that he is the Son of God יהוה (YAHWEH), the Messiah, the Second Coming of the Son of Man. These were not just unsubstantiated claims: בן יהוה יהוה (YAHWEH BEN YAHWEH) has used numerous Scriptures in the Bible, as well as world events, to support and prove his claim. In recent months, בן יהוה יהוה (YAHWEH BEN YAHWEH) has suffered many incidents of persecution that bear a striking similarity to the suffering that Christ went through during his crucifixion. We are presenting those similarities before you, so that you may decide for yourself: Is this merely a coincidence, or is this the Second Coming?

- Christ was betrayed into the hands of the authorities by Judas Iscariot, one of his own disciples. The surname, Iscariot, is derived etymologically from a word that means “assassin” (Matthew 26:15-16, 21-25).

The allegations against בן יהוה יהוה (YAHWEH BEN YAHWEH) stem from and hinge entirely upon the testimony of Robert Rozier, a former disciple, and an admitted serial killer.

- Though Christ taught openly and daily in the Temple, the authorities decided

to apprehend him in the middle of the night with a large group of heavily armed men (Matthew 26:47-55).

יהוה בן יהוה (YAHWEH BEN YAHWEH) has taught openly for years. Yet the FBI chose to apprehend him in the middle of the night, utilizing over 300 officials in four states.

- Christ offered no resistance and surrendered peacefully.

יהוה בן יהוה (YAHWEH BEN YAHWEH) offered no resistance, and surrendered peacefully.

- Christ was accused of stirring up the people through his teachings.

יהוה בן יהוה (YAHWEH BEN YAHWEH) is accused of stirring up the masses through his teachings. The main piece of evidence used to justify keeping יהוה בן יהוה (YAHWEH BEN YAHWEH) imprisoned is a class tape where יהוה בן יהוה (YAHWEH BEN YAHWEH) expounds on the words that Christ spoke in Luke 19:27.

- Christ was accused of being a “malefactor” (John 18:30).

יהוה בן יהוה (YAHWEH BEN YAHWEH) is accused of “Racketeering” which is a direct synonym of “malefactor.” (See Synonym Finder by J.I. Rodale.)

- While imprisoned, Christ was scourged (John 19:1).

While imprisoned, יהוה בן יהוה (YAHWEH BEN YAHWEH) has been horribly mistreated. He has suffered the following acts of persecution: Placed in solitary confinement upon arrival; denied some meals; denied showers at times; forced to drink water from the same line as the toilet; denied access to the Bible; given medical shots without his permission; arm bruised by guards; other inmates denied emergency medical treatment because of their association with him.

- While imprisoned, Christ's robes were taken from him and he was forced to wear other clothes in mockery of him (Luke 23:11; Mark 15:16-17; Matthew 27:27-29).

While imprisoned, יהוה בן יהוה (YAHWEH BEN YAHWEH) has been denied the right to wear his holy robes, even though prison rules allow for such, and other prisoners (such as deposed Panamanian President Manuel Noriega) are allowed to wear the clothing of their choice.

- Though no evidence and no honest witnesses were brought against Christ, he still was not released (Matthew 26:59-60; Luke 23:13-14).

Though no evidence and no witnesses have been brought forth against יהוה בן יהוה (YAHWEH BEN YAHWEH), he still has not been granted release on bond. This is totally contrary to the laws of America in which the Bill of Rights guarantees bail under these circumstances.

- Though many false accusations were made, the real reason behind the persecution and crucifixion of Christ was that "he made himself the Son of God" (John 19:7).

Though many accusations have been made against יהוה בן יהוה (YAHWEH BEN YAHWEH), according to Assistant U.S. Attorney Richard Scruggs, "What the Government's evidence is going to be . . . is that over the period of time . . . from 1981 to 1986, [YAHWEH BEN YAHWEH] becomes the total and maximum leader of the group known as the Yahwehs. Also, the Government's proof is that during this same period of time . . . he reveals to his followers that he is in fact the Son of God."

The facts have been presented before you. The question of the validity of the allegations against יהוה בן יהוה (YAHWEH BEN YAHWEH) will rest with 12 men and women. However, the more important question of whether or not יהוה בן יהוה (YAHWEH BEN YAHWEH) is the Messiah rests upon you. Remember that in the days of Christ, those who

placed judgment upon him made the wrong decision, one that their ancestors regret until this day. If you had been there, what would your decision have been? Would you have condemned Christ also, or would you have accepted him back then? More importantly, now that the same set of circumstances are present today, will you condemn יהוה בן יהוה (YAHWEH BEN YAHWEH), or will you accept him as the Messiah? Can you afford to be wrong this time? ■

## ***THE CRUCIFIXION OF YAHWEH BEN YAHWEH:***

*HOW IS THE SON OF ALMIGHTY GOD YAHWEH IDENTIFIED?  
THE SON OF YAHWEH IS IDENTIFIED BY  
“SUFFERING” AND “PERSECUTION.”*

~

On November 7, 1990, the United States Government arrested יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 of his followers in an unprecedented pre-dawn, terroristic raid against an entire religion. Since that time, the wicked individuals within the Government have caused יהוה בן יהוה (YAHWEH BEN YAHWEH) to suffer great persecution. This crucifixion is clearly delineated in the Holy Scriptures of the King James Version of the Bible.

- “If they have ‘persecuted’ me, they will also persecute you” (St. John 15:20).
- “He that hates me hates my father יהוה (YAHWEH) also” (St. John 15:23).
- “Affliction and persecution’ arise because of the word” (Mark 4:17).

- “All that live godly in יהוה (YAHWEH) shall suffer persecution” (II Timothy 3:12).
- “They shall lay their hands on you and arrest you falsely, and ‘persecute’ you . . . delivering you into prisons . . . for יהוה (YAHWEH’s) name sake” (Luke 21:12).
- “We labor, working with our own hands: being reviled and criticized, we bless; being ‘persecuted,’ we suffer it” (I Corinthians 4:12).
- “Blessed are you, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely and in a deceitful fashion, for my sake” (Matthew 5:11-12).

This is “Bible Proof” that יהוה בן יהוה (YAHWEH BEN YAHWEH) is “The True Light” (St. John 1:9) that is shining from the “East” to the West to “Light” up North America where men sit in “darkness” in need of “justice” (Matthew 24:27).

**THE FOLLOWING SCRIPTURES PORTRAY THE CRUCIFIXION THAT יהוה בן יהוה (YAHWEH BEN YAHWEH) IS SUFFERING:**

- יהוה בן יהוה (YAHWEH BEN YAHWEH) has taught openly at the Temple of Love for 12 years (Matthew 26:55) but was arrested by heavily armed FBI agents in a clandestine raid, just like Christ 1900 years ago.
- He had many stripes or false allegations laid upon him (Acts 16:23),

such as conspiracy to commit murder, arson, and extortion.

- They spit lies in his face (**Matthew 26:27**) with a flurry of exaggerated charges.
- He was buffeted (**Matthew 26:67**), and labeled a “racketeer” (malefactor) (**John 18:30**).
- They accused him of blasphemy before the district court (**Matthew 26:65**) because he claimed to be the Son of יהוה (YAHWEH) who has come to show others how to be the sons and daughters of יהוה (YAHWEH).
- His accusers declared him guilty of death (**Matthew 26:66**) and smote him with the palm of their hands (**Matthew 26:67**).
- יהוה בן יהוה (YAHWEH BEN YAHWEH) was handed over to his captors by a Judas who covenanted for “a silver” sentence after he (Judas) confessed to killing four persons (**Matthew 26:15**).
- He was delivered to prison by ones envious of his great works (**Matthew 27:18**).
- A federal judge washed his hands of יהוה בן יהוה (YAHWEH BEN YAHWEH) because he is innocent (**Matthew 27:24**) and postponed the trial for a third time until 1992.
- They stripped him of his holy robes and gave him prison clothes

(**Matthew 27:28**) even though prison rules allow for such, and other prisoners, like deposed Panamanian President Manual Noriega, are permitted to wear the clothing of their choice.

- They platted a crown of thorns (a negative image in the community) and placed it on יהוה בן יהוה (YAHWEH BEN YAHWEH'S) head (**Matthew 27:29**).
- His captors placed a reed (the false words of his supposed former followers (**Matthew 27:29**) in his right hand.
- Prison guards and small-minded inmates bowed their knees before יהוה בן יהוה (YAHWEH BEN YAHWEH) and mocked him saying, "Hail King of the Hebrew Israelites," or so-called Black man of America (**Matthew 27:29**).
- They smote יהוה בן יהוה (YAHWEH BEN YAHWEH) on the head with the reed (caused him much grief) (**Matthew 27:30**).
- Sixteen of his followers at Metropolitan Correctional Center (MCC) were compelled to bear his cross (**Matthew 27:32**) by being forced to suffer for their belief in his teachings, and being denied fair treatment because of their association with him.
- They gave יהוה בן יהוה (YAHWEH BEN YAHWEH) vinegar to drink mingled with gall. -When he tasted thereof he refused to drink (**Matthew 27:34**). יהוה בן יהוה (YAHWEH BEN YAHWEH) has refused to remain silent as to his ill treatment and the lies being spoken against him.

- They crucified יהוה בן יהוה (YAHWEH BEN YAHWEH), i.e., permanently injured his wrist, caused him to grieve over his followers, afflicted him with petty chores and regulations, set upon him cruelty, caused him continued mental distress, and tormented him physically and emotionally (Matthew 27:35).
- They parted his garments (\$100 million empire) casting lots for them (Matthew 27:35).
- They set above יהוה בן יהוה (YAHWEH BEN YAHWEH's) head accusations which are contained in a written indictment (Matthew 27:37).
- He sits in the midst of convicted, confessed criminals and is being crucified with thieves (Matthew 27:38), being treated as one.
- Many passed by, reviled him, wagging their heads (Matthew 27:39), believing the negative media hype.
- Many people have said, "If you be the Son of God, save yourself" (Matthew 27:40) and others have said, "If you are the King of Israel, come down now off the cross of affliction and we will believe in you" (Matthew 27:42). Still others have said, "He trusted in יהוה (YAHWEH), let him deliver him now if he will have him, for he said, 'I am the Son of יהוה (YAHWEH)'" (Matthew 27:43).
- And the thieves that were crucified with יהוה בן יהוה (YAHWEH BEN YAHWEH) cast the same in his teeth (Matthew 27:44) in that the negative propaganda was an attempt to assassinate יהוה בן יהוה (YAHWEH BEN YAHWEH's) character among the prisoners.

- יהוה בן יהוה (YAHWEH BEN YAHWEH) has cried, “Eli, Eli, lama sabachthani?” (Matthew 27:46) indicating that he has transfigured to the spiritual requirements necessary to save this world.
- יהוה בן יהוה (YAHWEH BEN YAHWEH) has yielded up the ghost (Matthew 27:50) by submitting to the efforts of the Government prosecutors to destroy the works accomplished for his followers.
- יהוה בן יהוה (YAHWEH BEN YAHWEH) says, “All of these persecutions and more I suffer for your salvation, redemption, resurrection, and true freedom.”

**GOVERNMENT OFFICIALS HAVE CRUCIFIED יהוה בן יהוה (YAHWEH BEN YAHWEH) AND HAVE SYSTEMATICALLY DENIED HIM HIS CONSTITUTIONAL RIGHTS BY:**

- Hindering the activities of the Nation of יהוה (YAHWEH) with persistent inquiry and investigation for 10 years, including the past 12 months of incarceration.
- Permitting government prosecutors to withhold evidence that was gathered over five years from the defense until one month before trial.
- Relying on hearsay upon hearsay testimony of envious, miscreant ex-followers to charge יהוה בן יהוה (YAHWEH BEN YAHWEH) with conspiracy to commit racketeering acts.

- Indicting an entire religious-based belief and practice.
- Calling the Nation of יהוה (YAHWEH) an enterprise and operating as a racket.
- Holding יהוה בן יהוה (YAHWEH BEN YAHWEH) and 16 of his followers because of their shared spiritual beliefs.
- Using the 1984 Bail Reform Act, which has been held unconstitutional by retired Supreme Court Justice Thurgood Marshall, to detain יהוה בן יהוה (YAHWEH BEN YAHWEH) and his incarcerated followers for 12 months without trial.
- Prosecuting the Yahwehs by use of an indictment as evidence against them, when an indictment is just a piece of paper and never legal proof of guilt.
- Holding יהוה בן יהוה (YAHWEH BEN YAHWEH) guilty until proven innocent rather than innocent until proven guilty.
- Using pre-trial detention to hold יהוה בן יהוה (YAHWEH BEN YAHWEH) while dismantling the economic base established for his followers.
- Denying him any chance for a fair and impartial jury trial because the prosecutors cooperated with the media's character assassinations.
- Divulging contents of a sealed indictment to the press.

- Refusing to recognize legal Hebrew names of יהוה בן יהוה (YAHWEH BEN YAHWEH) and other defendants.
- Demanding unnecessary and unwarranted medical tests and treatment.
- Securing false witnesses.
- Attempting, through blackmail tactics, to make defendants plead guilty.
- Ignoring the Bill of Rights and due process clause of the Constitution.
- Judge Roettger refusing to rule on requests for monies to pay investigators and failing to rule on other motions including one to dismiss the charges.
- Allowing the Government's witness to remain on bond, after being found with a gun in violation of his conditions for such bond.
- Labeling יהוה בן יהוה (YAHWEH BEN YAHWEH) a danger to the community when he has never owned a weapon nor was he found in possession of a weapon when arrested.
- Using a Bible quote -- Luke 19:27 -- to hold יהוה בן יהוה (YAHWEH BEN YAHWEH) responsible for the supposed acts of others.

**THE FOLLOWING FACTS SUPPORT THE OBVIOUS CRUCIFIXION OF יהוה בן יהוה (YAHWEH BEN YAHWEH) WHILE BEING INCARCERATED:**

- June 3, 1991, יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers, incarcerated at MCC, Miami, were placed on non-kosher, common fare meals and told, "You will chose your faith or your health."
- The common fare diet, which consisted of rotten vegetables and unfit foods, caused יהוה בן יהוה (YAHWEH BEN YAHWEH) to lose more than 35 pounds.
- Upon being placed at MCC, יהוה בן יהוה (YAHWEH BEN YAHWEH) was thrown into the "hole" without justification while his followers were placed within the general population of the prison.
- יהוה בן יהוה (YAHWEH BEN YAHWEH) was denied religious visits for weeks at a time, and during the same period, denied phone access to call his attorney.
- Neither יהוה בן יהוה (YAHWEH BEN YAHWEH) nor any of his followers were permitted to carry a Bible, and asked not to group together but to be individualists.
- The reason יהוה בן יהוה (YAHWEH BEN YAHWEH) is suffering this crucifixion is for you. יהוה בן יהוה (YAHWEH BEN YAHWEH) is being crucified for your sins of breaking the laws of Almighty God יהוה (YAHWEH), as written in the Holy Bible. יהוה בן יהוה (YAHWEH BEN YAHWEH) is being hanged on the cross so

that you may have life eternal. He has yielded up the ghost so that you, the mentally and spiritually dead, may be resurrected out of your spiritual graves to live forever as the saints of God יהוה (YAHWEH).

Give thanks to יהוה (YAHWEH) for giving us the victory through the suffering of יהוה בן יהוה (YAHWEH BEN YAHWEH). יהוה בן יהוה (YAHWEH BEN YAHWEH) has taken the form of a servant, and is made in the likeness of man: He has humbled himself and has become obedient unto death, even the death of the cross in prison. Therefore, יהוה (YAHWEH) has highly exalted יהוה בן יהוה (YAHWEH BEN YAHWEH) and has given him a name which is above every name: that at the name of יהוה בן יהוה (YAHWEH BEN YAHWEH) every knee shall bow of things in heaven and things in Earth, and things under the Earth; and every tongue shall confess that יהוה בן יהוה (YAHWEH BEN YAHWEH) is Lord, to the glory of יהוה (YAHWEH) the Father. ■

## ***NATIONAL TAXPAYERS FOR JUSTICE SUPPORTS YAHWEH'S RELEASE***

~

The People For Truth (PFT) conducted the following interview with the National Taxpayers for Justice (NTPJ) from its Ohio headquarters:

**PFT:** Who are the National Tax- payers for Justice?

**NTPJ:** Our organization operates for the benefit of all tax paying citizens. We're a watchdog group, and we support fair treatment for all people, regardless of their race, creed, color, or religion. We support and defend the constitution, especially civil liberties afforded under the constitution, including freedom to worship as you choose. We have members from various religious faiths. We work for a living and we pay our taxes. We fight this country's wars and we obey this country's laws.

**PFT:** Why is your organization in contact with the PFT; that is, why are you concerned about יהוה בן יהוה (YAHWEH BEN YAHWEH)?

**NTPJ:** Simply, to support your efforts to free יהוה בן יהוה (YAHWEH BEN YAHWEH) and his followers. We see that this indictment against the Yahwehs for racketeering is an unconstitutional attack against a religion. Can you believe that they are holding a man for quoting the Bible? It's like all your ads have been stating: "If can happen to יהוה בן יהוה (YAHWEH BEN YAHWEH), it can happen to you."

(con't.)

If they're successful with this religion, then any person or organization they target as a potential threat to their political, philosophical, or religious beliefs is next. Now that's frightening! This one case against the Nation of יהוה (YAHWEH) brings too many issues so close to home.

**PFT:** You mentioned the **PFT** ads. Which one or ones moved your group to act with us at this point?

**NTPJ:** The 50/50 strategy ad, especially. If we can understand that by splitting our vote among the parties, we can elect the winning ticket regardless of who wins; we can also come to understand that we are the tax base of this country -- rich folks don't pay taxes anyway, and won't if the Bush administration has its way. We need to coalition and unite to get the total tax burden off our shoulders, and get the rich and corporate America to share this weight like it ought to be.

**PFT:** So, how will this understanding help us as a people?

**NTPJ:** By showing us that as the purse behind the Government spending, we no longer have to sit idly by while agencies we support with hard earned tax dollars go after any group to destroy it. It's obvious to us that the courts and justice department are being used to attack the Nation of יהוה (YAHWEH) to destroy a whole church because they don't like the economic and political strength it was gathering.

**PFT:** What does this say to those government agencies?

**NTPJ:** That we require accountability from Congress and the Senate, not just on how they spend our money, but how they support laws like pre-trial detention to slowly dwindle away our constitutional rights. This also says to the

(con't.)

government that we taxpayers, the majority, working class of this country, supply their salaries and very jobs. As the support structure of this country, we no longer have to beg; we will not beg our representatives to do what is right, and right is upholding the constitutional guarantees to יהוה בן יהוה (YAHWEH BEN YAHWEH) and his church.

Taxpayers always have the right to withhold our money from an unconstitutional government and to remove unsavory public servants.

**PFT:** What would you like to convey to all U.S. citizens?

**NTPJ:** Simply, don't give up your rights. It is our sovereign duty to nullify and refuse to accept bad or misapplied laws as a fundamental right of citizenship. We must act together. To begin, get the message to our elected leaders that selective persecution of any group will not be tolerated.

**PFT:** Thanks for sharing with us.

**NTPJ:** No problem. Glad we can help get the word out.

If it can happen to יהוה בן יהוה (YAHWEH BEN YAHWEH), it can happen to you! ■

## ***CONGRESSIONAL INVESTIGATION DEMANDED IN YAHWEH CASE***

Miami, Florida ... Several Dade County, Florida County and Circuit Court judges and attorneys have been under investigation by the U.S. Attorney's office and last week at least four were indicted under the R.I.C.O. statute, with one judge charged with conspiracy to commit murder, just like Yahweh Ben Yahweh. The Government has announced the possibility of a second wave of indictments to be handed down within weeks that will charge even more judges, lawyers, and bail bondsmen.

Acting U.S. Attorney Dexter Lehtinen stated that "Corruption in the judiciary destroys public confidence in the system of justice." Isn't applying the laws of the land by DOUBLE STANDARD considered corruption within our justice system?

These indicted judges, condemned by Lehtinen, were yet provided the following "rights" while Yahweh Ben Yahweh and his followers were denied theirs:

- The four indicted judges were informed when the indictments would be handed down, and allowed to surrender to U.S. Marshals without being seen handcuffed on television.

Yahweh Ben Yahweh was arrested and paraded in handcuffs on national television, even though he cooperated with the grand jury investigation and had requested to surrender himself and his followers should an indictment be handed down.

- These indicted judges were in custody 90 minutes!

Yahweh Ben Yahweh has been held by the words of Assistant U.S. Attorney Scruggs and the orders of Chief Judge Norman Roettger for over 10 months.

- After posting a \$500,000 bond, each indicted judge was released to go home without any other conditions.

Yahweh Ben Yahweh has been DENIED BOND, although his attorneys have offered numerous alternatives that could be made conditions for his bond.

So why is Yahweh Ben Yahweh being held without bond? Could it be that he is a political prisoner, suffering religious persecution at the hands of unjust government officials?

We can clearly see that the rights granted by the Constitution aren't meant for all of its citizens, but we have an obligation to claim the constitution and make it a reality for us, too!

We demand that our servants, the U.S. Congress and the Senate, look into the acts of the true conspirators in this matter -- Acting U.S. Attorney Dexter Lehtinen, Assistant U.S. Attorney Scruggs, and Chief Judge Norman Roettger -- and the double standards applied in the case against Yahweh Ben Yahweh and the Nation of Yahweh.

It has become evident: "If it can happen to Yahweh Ben Yahweh, it can happen to you ... and your religion!" ■

***CALL! CALL! CALL!  
REMEMBER: WE ARE CALLING UNTIL  
VICTORY!!***

WHY: To demand the immediate release of Yahweh Ben Yahweh and his followers who are being held as political prisoners by the American Government.

Call! Call! Call! Since our calls to the Government officials started on September 17th, we have had a receptive response, but certain congressmen and senators have stated that they have nothing to do with Yahweh Ben Yahweh because he is incarcerated outside of their district. Don't let them pass the buck!

R.I.C.O. is a national concern, and the 1984 Bail Reform Act's pretrial detention affects us all. Wasn't it members of Congress and the Senate who voted in these laws? They must know how these laws are being used to deprive citizens of their constitutional and human rights. They cannot pass the buck.

Why is the U.S. Government attacking Yahweh Ben Yahweh? Why does the government want to put an end to his good works? What if Yahweh Ben Yahweh is the

Christ promised to return?

We, the people, want the false indictment of the Nation of Yahweh and their religion dropped and dismissed immediately because it is unconstitutional!

**יהוה (YAHWEH) AND VOTERS  
PUT PRESIDENT BUSH AND CONGRESS  
ON NOTICE**

***DICK THORNBURG'S DEFEAT IS NOT THE ONLY  
SURPRISE***

~

There are many important cautionary messages to President Bush and Congress from the 1991 elections. A sour economy makes middle class voters apprehensive about their future. This fact plus a 50/50 strategy among the 60 million Black voters spells political trouble for all politicians. While a small majority of whites voted for Edwards in Louisiana, over 90% of the Blacks voted against Duke. The signal to America is that Blacks now, too, recognize the strength of crossing party lines to achieve election results believed best for their concerns.

יהוה (YAHWEH) is warning politicians that most Americans, especially Blacks, are concerned about the violation of constitutional rights. The case against יהוה בן יהוה (YAHWEH BEN YAHWEH) has "brought home" the example of how laws passed by Congress and enforced by the administration are being used to destroy those rights afforded to all citizens. Trying to ignore this issue is political suicide.

Thornburgh, as U.S. Attorney General, approved the “illegal indictment” of the Nation of יהוה (YAHWEH) and is **the symbol of Washington’s failures.**

The Tax Payers For Justice are causing a voter revolt that is contributing to “upset” losses in both parties. Remember, The Taxpayers for Justice supports the dismissal of the unconstitutional indictment against the whole Nation of יהוה (YAHWEH). Is it a coincidence that Thornburgh lost his bid for Congress after such a successful political career? Thornburgh is “out,” because he became the front man for the administration’s efforts to **overturn constitutional protections.**

The same risk could befall President Bush and members of Congress. They, too, appear to be without firm convictions about **constitutional protections** as demonstrated in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH): He has been held in pre-trial detention for over 13 months without trial, bond, evidence, or witnesses.

We, the people, are demanding that President Bush and Congress let the **LIGHT OF REASON PIERCE THE DARKNESS OF RACISM** in the case of יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH).

Taxpayers and voters are saying, "If it can happen to יהוה בן יהוה (YAHWEH BEN YAHWEH), it can happen to you and me! ■

## ***CITIZENS PROPOSE ADHERENCE TO 50/50 STRATEGY***

A 78 year-old, retired teacher and civil rights worker called the National Voters League headquarters to exclaim, "Boy, was Yahweh Ben Yahweh ever right! Did you see Tuesday's (October 25th) papers talking 'bout the civil rights bill, and how Bush supposedly compromised to pass one almost identical to the one already proposed? Ya know, he did that to appease women voters and to win the support of blacks? Well, that got me to thinking about what the ads have been saying -- splitting our households and communities 50/50, so that we win regardless of which party gets in the White House. **NEITHER PARTY REALLY CARES ABOUT US. THEY JUST WANNA WIN!!! AND SO DO WE!!!** That's why we're **rallying to push the 50/50 Strategy.**"

That was just exemplary of the hundreds of calls that reached the National Voters League, the People For Truth, and the Nation of Yahweh headquarters from citizens who have recognized the **strength of being the Majority ethnic group -- 60 Million strong -- and the political clout of the 50/50 suggestion from Yahweh Ben Yahweh.**

Republicans and Democrats recognize this power, too. All reports from either camp reflect that they are after the **votes of middle-class Blacks** which have always been one of the Democrats **strongest constituencies**.

If this power were just a dream, and not real, then it would not explain why the FBI conducted its mass raids against 10 Black-majority Alabama counties in 1984 in an effort to bring criminal charges against leaders who had shown that they could organize to elect fair, moral representation. Eight of those leaders were indicted with 210 charges of vote fraud, and not one of those charges held up in court.

If יהוה בן יהוה (YAHWEH BEN YAHWEH's) strategy is just a joke, then why would the Government have spent years to develop its case against him and the Nation of יהוה (YAHWEH), going back five to ten years to dredge up charges with the help of a confessed murderer of at least four and maybe nine people? Why would the Government also maintain its hold on him and his followers under pre-trial detention based on יהוה בן יהוה (YAHWEH BEN YAHWEH's) teachings? Could it be that יהוה בן יהוה (YAHWEH BEN YAHWEH) has prophesied these words to the African-American: O Black man of America, you are the whole house of Israel of the Bible, from Genesis to Revelation. Behold, you say, our bones are dried, our minds are dried, and our hope is lost: we are cut off from our true God, history, culture, language, nationality, name, and land. Behold, O My people, I will

open your mental and spiritual graves, and bring you into **productivity, riches, honor, glory, power, rulership, independence, self-sufficiency, and strength** to stand up on your feet before the world as a **free people**. I will restore your **“divine” inheritance**.

It is part of our divine inheritance to come to understand that as honest citizens -- true to our consciences -- it is essential to a free country that our public servants exhibit integrity in office or be replaced. African-Americans are seeking fair representation in government without being harassed and persecuted by government agencies under the label of engaging in criminal activity when in actuality we are **standing up in unity economically, politically, and spiritually as a free people**.

That is why we, as American citizens, voters and taxpayers, **WANT THE FALSE INDICTMENT OF THE NATION OF YAHWEH AND ITS WHOLE RELIGION DISMISSED IMMEDIATELY BECAUSE IT IS UNCONSTITUTIONAL!**

Remember we are calling our senators and representatives until Victory!!! ■

***A MESSAGE FROM  
THE NATION OF יהוה  
AND THE PEOPLE FOR TRUTH***

~

**We Believe:**

**ECONOMICALLY**

That in order for a man to eat, he must first work. That all Americans should develop ideas and concepts of self-sufficiency, ownership, and proper business ethics. That the economic development that the Nation of יהוה (YAHWEH) has exhibited over the years is an example of the self-help process that will provide *all* Americans equality within this society.

**EDUCATIONALLY**

That every American family should exercise a most important duty of teaching its own how to develop self-esteem, self-worth, pride, and dignity; how to be industrious and exhibit moral behavior. This

### **EDUCATIONALLY (con't.)**

educational process will help *all* Americans to become better and fuller members of the American society.

### **SOCIALLY**

That if America's communities can live as they wish but come together on issues of common good, we would reach the highest level of "divine" solidarity, such as in the adage of Booker T. Washington, *We can live separate as the fingers on the hand but collectively as a first in our combined abilities to keep this country as the world's greatest power.*

### **SPIRITUALLY**

That honest, ethical, well-behaved, and chaste people will receive the truth and justice that the Creator of the world demands, and to receive eternal life.

### **POLITICALLY**

That *all* Americans should shape and determine their own individual and collective destinies. That such a process should provide for justice and fairness for all. That America's fate lies in the equal applications of its laws and inalienable rights, be it black or white.

If freedom, liberty, and the pursuit of happiness is the basis on which this great country is founded, then יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH) should be treated fairly under the highest laws of this judicial system, thereby being innocent until proven guilty in a timely manner.

*If it can happen to יהוה בן יהוה (YAHWEH BEN YAHWEH), can it happen to you as well? ■*

## ***UNJUST TRIAL AGAINST יהוה בן יהוה (YAHWEH)***

### ***AFTER TEN YEARS, INVESTIGATION REVEALS LITTLE TO DEFENSE***

~

We are observing one of the most gross misuses of our tax dollars in the Government's case against יהוה בן יהוה (YAHWEH), and we can get set for the most **unfair** trial in 6,000 years of civilization.

After ten years of investigating יהוה בן יהוה (YAHWEH), and spending untold millions of dollars, the U.S. Government has turned over to the defense, within thirty days of trial 15 names of witnesses, with no addresses and no statements; immunity agreements and plea agreements with four of those witnesses, and amounts paid to three more of those witnesses who are known, proven drug abusers and distributors who are willing to lie for the Government for money and a good deal on reducing the sentences they have received for their crimes.

This constitutes **trial by ambush!** The accused, in this case, are being **totally denied** the right to defend themselves. The American people have been deceived to think

that a fair trial is possible. But we are convinced that the **wicked in high places do not allow the Constitution to apply to all citizens, regardless of race or religion.** The case against יהוה בן יהוה (YAHWEH BEN YAHWEH) proves that a fair trial in Federal Court is a myth and a hoax. The use of any evidence not provided to the defense is **unfair, unjust, and unconstitutional.** Use of such evidence will cause an uproar throughout the whole world about this racist travesty of justice and outright denial of religious freedom. If it can happen to יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH), it can happen to you and your church!!! ■

## ***TAX MONIES USED TO PERSECUTE*** **יהוה (YAHWEH)**

Americans are suffering through a recession as we observe a gross misuse of our tax dollars -- the U.S. Government's attack against יהוה (YAHWEH). Within ten years, the Government has spent millions of dollars to compile allegations against יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH), including over \$13,000 paid to one witness for worthless, inaudible secret tape recordings of his own mother.

Untold thousands of more dollars have been spent per week, per person, to keep יהוה בן יהוה (YAHWEH BEN YAHWEH), the other 15 followers, and Sister Judith housed in prison, without a trial, for the past 58 weeks. What a great and unnecessary harm has been inflicted on the community by reducing 17 otherwise self-sufficient, viable persons to government dependents, while taxpayers strain under the already huge demands on their middle-class salaries, caused by the increasing number of unemployed.

Few of those taxpayers, unfortunately, recognize the insurmountable revenues lost to

the city and county because the U.S. Government forced the Nation of יהוה פן יהוה (YAHWEH) into an economic collapse equal to involuntary bankruptcy. Yahwehs may have believed in self-help, and hiring from within its own numbers, but they were also valuable consumers and customers to FPL, Southwestern Bell, taxing agencies, plumbers, carpenters, electricians, realtors, banks, food distributors, fabric shops, appliance dealers, linen manufacturers, plant nurseries, office equipment distributors, office supply companies, computer companies, paper mills, paint companies, construction wholesalers.

Also, car dealerships, car rental companies, service stations, audio/visual businesses, pool maintenance companies, furniture shops, bookbinding suppliers, printing suppliers, auto body/parts shops, carpet mills, restaurant equipment distributors, grocery equipment manufacturers, heating and air conditioning companies, lumber mills, wholesale shoe companies, doctors, dentists, optometrists, lawyers, airlines, travel agencies, industrial sewing machine companies, insurance agencies, jewelers, hair salon equipment and products suppliers, wholesale book distributors and publishers, courier services, and advertising agencies.

With military cutbacks, major businesses closing their doors, and the fear of national financial disaster, our servants within the Government should concentrate on supporting groups like the Nation of יהוה פן יהוה (YAHWEH). Instead, the Nation of יהוה פן יהוה (YAHWEH) was indicted as a racketeering organization.

Is it because they are different in their religious practices? Could it be there is a double standard for African-Americans -- Pull yourself up by your own bootstraps, but don't let your boots get too big? Ask yourself: If it can happen to יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH), could it happen to you and your church? ■

YAHWEH) CALLED INTO QUESTION***

~

The RICO (Racketeering Influenced and Corrupt Organization) law of 1970, **was intended to fight organized criminal activity.** Amended in 1978 and 1984, the statute was so broadly worded that it could be **made to apply to any group or organization who is far outside of what would be normally considered racketeering enterprises.** Even though this broad language in the statute could apply to religious organizations such as the Nation of יהוה (YAHWEH), Kevin O’Neil, the Legal Director for the Ohio ACLU, reviewed the charges against יהוה בן יהוה (YAHWEH BEN YAHWEH) and the Nation of יהוה (YAHWEH), and stated, **“It is still unconstitutional for a church to be prosecuted under a racketeering law simply as a matter of First Amendment freedom of religious issues.”**

“I think that this is the sort of effort by federal prosecutors to penalize יהוה בן יהוה (YAHWEH BEN YAHWEH) for his success and to discourage his followers ,”

O'Neil said on Cleveland's WJTB Radio. "The federal authorities have had to 'stretch' the law to the breaking point to get it to apply him. The key to look at is the financial assets that the church has; I think that is what the Government is interested in appropriating, and they would be able to do that under the racketeering statute. That explains why they have 'stretched' the RICO law to apply to יהוה בן יהוה (YAHWEH BEN YAHWEH); and believe me, it is quite a STRETCH. I do think [there is] a very strong argument that the criminal acts that prompted this particular persecution cannot be deemed to be in furtherance of the purposes of a church; therefore, the RICO law as written **would have no application to a man like יהוה בן יהוה (YAHWEH BEN YAHWEH).**"

Other court decisions support O'Neil's comments. Courts have ruled that RICO statutes may not be applied in cases in which neither the group charged, nor the criminal acts alleged, have a financial purpose. Therefore, it is beyond the scope of RICO when the group, or alleged enterprise, is devoted solely to advancing a political cause, or to fostering spiritual beliefs. Otherwise, the tithes and offerings given by followers and supporters of any church can be deemed as a racketeering activity.

Beyond the purpose, legislative history, and possible abuse of RICO statutes, is a more current question: What is the necessity for pursuing a racketeering prosecution against the Nation of יהוה (YAHWEH), יהוה בן יהוה (YAHWEH BEN

YAHWEH), and his followers when the racketeer label case on the Nation of יהוה בן יהוה (YAHWEH) has caused the type of financial collapse equal to involuntary bankruptcy? On Tuesday, November 26, 1991, even the judge assigned to sit on the case against יהוה בן יהוה (YAHWEH BEN YAHWEH) questioned the motives of government prosecutors. Judge Norman Roettger suggested that this case could be removed from the federal courts as a RICO prosecution and easily filed as murder charges in state court. After he had monitored the finances of the Nation of יהוה בן יהוה (YAHWEH) and realized they were not improving, he stated he was “wondering why we are here?”

**MORE THAN EVER, IT IS EVIDENT, IF IT CAN HAPPEN TO יהוה בן יהוה (YAHWEH BEN YAHWEH), AND THE NATION OF יהוה בן יהוה (YAHWEH) IT CAN HAPPEN TO YOU AND YOUR CHURCH!!! ■**
