Keratin Complex Hair Therapy™ by COPPOLA - By Quotation (starting at \$250)

Brazilian Blowout - By Quotation (starting at \$250)

We are certified to provide Brazilian Blowout Professional Smoothing Treatments, a highly innovative and effective approach to shiny, frizz-free hair. It improves the health of your hair by creating a protective protein layer around the hair shaft to smooth the cuticle. This is an all-day treatment when you bundle it with a cut and color.

Cezanne - By Quotation (starting at \$250)

Cezanne treatments are 100% formaldehyde-free. They're also free from other aldehydes, all toxins and any harmful ingredients, yet are as long-lasting as the formaldehyde keratin treatments in the same category. Cezanne treatments are non-toxic, naturally safe and effective. Hypoallergenic and dermatologist tested, Cezanne treatments won't irritate the scalp or release any noxious gases. They strengthen the hair using a revolutionary low pH technology that restores bonds that are broken or damaged during thermal, mechanical or high pH services.
