YAN60-150	1.5m out-front 2200rpm, Yanmar GE350 Shibaura CM314, & CM374 New Holland G6030, G6035	£3965
YAN60-180	1.8m out-front 2200rpm, Yanmar GE350 Shibaura CM314, & CM374 New Holland G6030, G6035	£4165

PTO shafts for above **£ 153**

Mulching kits for above **£ 371**

ROTOMECH

Cyclone C28 Rotary finishing deck

Ideal for heavy estate garden usage . Reversible 3 point linkage . Very high rotor speed gives true finishing mower quality finish, Solid tyres. 16 -30hp Rear discharge

C28-RD4/SD4	1.2m finishing mower	£2558
C28-RD5/SD5	1.5m finishing mower	£2710
C28-RD6/SD6	1.8m finishing mower	£2860

RD = Rear Discharge / SD = Side Discharge (specify with order)

Cyclone C30 Rotary finishing deck

Strong frame ideal for heavy duty professional use. Reversible 3 point linkage with anti scalp roller. Very high rotor speed gives true finishing mower quality finish, Solid tyres. 16 -30hp Rear discharge

C30-RD4/SD4	1.2m finishing mower	£2900
C30-RD5/SD5	1.5m finishing mower	£3050
C30-RD6/SD6	1.8m finishing mower	£3275

RD = Rear Discharge / SD = Side Discharge (specify with order)

Cyclone C50 Rotary finishing deck

Strong frame ideal for heavy duty professional use. Reversible 3 point linkage with anti scalp roller. Very high rotor speed gives true finishing mower quality finish. Solid tyres. 20 - 50hp Rear discharge.

C50-RD5	1.5m finishing mower	£3500
C50-RD6	1.8m finishing mower	£3720
C50-RD7	2.1m finishing mower	£3940

Cyclone C70 Rotary finishing deck

Super strong frame ideal for local authority use. Reversible 3 point linkage with anti scalp roller. Very high rotor speed gives true finishing mower quality finish, Solid tyres. 30 -70hp Rear discharge.

C70-090H	2.3m width rear discharge	£ 5275
C70-110H	2.8m width rear discharge	£ 5995

NO MATTER WHAT YOU DRIVE,
WE'VE GOT YOU COVERED

Retro Fit : Windfoil covered booms

GAMBETTI HARDI JOHN DEERE TORO

This **TOTALLY COVERED** boom can be fitted to most makes of truck or tractor mounted sprayers. Width of 6m (5.3m spray width under covers), In **GREY**

It is one of the few booms that can follow negative and positive ground contours without letting spray-drift escape. Visual flow meters monitor each jet to warn of any blockage.

Warranty Policy on all products:

Rogers Products:

1 year parts and labour for electrical and structural failure.

Component failure has a 1 year parts warranty. When a Rogers product has been purchased and not being fitted by Cleveland Alliances Ltd, we cover replacement parts only and not labour. Wheel bearings, wheel forks and joints that have not been maintained are NOT covered under the warranty. Damage from misuse or collision is not covered under the warranty

Cleveland Chemical Handler

1 year parts and labour for mechanical and electrical

failure. *Damage from misuse or collision is not covered under the Warranty*

Rotomec Products

1 year parts and labour for mechanical and electrical

failure. *Damage from misuse or collision is not covered under the Warranty. Failure to grease and lubricate moving parts, and failure to check gearbox oil levels, will result in the warranty being void.*

Greensiron 3900 products

1 year parts and labour for mechanical and electrical failure.

3 year* parts warranty for steel work structural failure**

Structural failure is all steel work that has not incurred damage from misuse. Wheel bearings, and joints have 1 years warranty. If they have not been maintained, they are NOT covered under the warranty. Damage from misuse or collision is not covered under the warranty

Authorisation

Warranty Claims MUST be authorised by Cleveland Alliances before any work is carried out. Any parts that are requested must be accompanied with a purchase order number, unless the defective part is returned in advance. Photographs of the deflection should be sent along with the claim.

Claim forms are available at www.clevelandalliances.com
