

VIRTUAL Summer Fun at L&C in Godfrey, June and July 2021

We are offering many sections of Summer Fun classes on Tuesdays and Thursdays during the months of June and July! Students may register for as many sections as they would like. **Payment is due in full at the time of registration.**

Summer Fun courses incorporate a variety of activities and lessons. These activities allow students to maintain the social connections they have made throughout the year. The summer courses also allow the students to keep up with their “student skills”.

Please call Rosie Ellington at (618) 468-4127 if you have any questions. Summer registration can be done during appointments for the fall schedule.
